

GENERAL INFORMATION SHEET

APPLICATION FOR STANDARD GOVERNMENT HEADSTONE OR MARKER FOR INSTALLATION IN A PRIVATE OR STATE VETERANS' CEMETERY

RESPONDENT BURDEN - Public reporting burden for this collection of information is estimated to average one-fourth hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to the VA Clearance Officer (045A4), 810 Vermont Avenue, NW, Washington, DC 20420. Please **DO NOT** send applications for benefits to this address.

BENEFIT PROVIDED

a. HEADSTONE OR MARKER - Furnished upon application for the **unmarked** grave of any deceased veteran. Applicant must certify the grave is **unmarked** and a Government headstone or marker is preferred to a privately purchased headstone or marker. This restriction applies to companion markers. Companion markers identify two or more decedents buried, or to be buried, in the same or adjoining graves. A grave is considered marked if a monument displays the decedent's name and dates of birth and/or death, even though the veteran's military data is not shown. Applicant may be anyone having knowledge of the deceased.

b. MEMORIAL HEADSTONE OR MARKER - Furnished upon application by a relative recognized as the next of kin for installation only in a cemetery to commemorate any veteran whose remains have not been recovered or identified, were buried at sea, donated to science, or cremated and the remains scattered; may not be used as a memento. Check box in block 2 and explain in block 27.

WHO IS ELIGIBLE - Any deceased veteran discharged under conditions other than dishonorable. To expedite processing, attach a copy of the deceased veteran's discharge certificate or a copy of other official document(s) pertaining to military service, if available. **Do not send original documents;** they will not be returned. Service after September 7, 1980, must be for a minimum of 24 months or be completed under special circumstances, e.g., death on active duty. Persons who have only limited active duty service for training while in the National Guard or Reserves are not eligible unless there are special circumstances, e.g., death while on, or as a result of training. Persons with extended Reserve or National Guard service which entitled them to retirement pay subsequent to October 27, 1992, are eligible; a copy of the Reserve Retirement Eligibility Benefits Letter must accompany the application. Active duty service during the Persian Gulf War for all referenced above also establishes eligibility. Service prior to World War I requires detailed documentation, e.g., muster rolls, extracts from State files, military or State organization where served, pension or land warrant, etc.

HOW TO APPLY - Mail the original only of the completed application (VA Form 40-1330) to:

Memorial Programs Service (403A)

An insufficient address may result in a nondeliverable headstone or marker.

Mistakes cannot be corrected after a headstone or marker has been ordered. Headstones or markers furnished remain the property of the United States Government and may not be used for any purpose other than to honor the memory of the decedent for whom the headstone or marker is issued.
