# APRIL

## Advanced Care Planning Workshop

Talking about your personal values and what matters most to you at the end of life with those you love can be hard. Yet having conversations and putting your preferences in writing NOW is key to helping your family and health care providers be prepared to know and honor your wishes. We will have an Advance Care Planning Workshop here on Tuesday, April 16 from 5:30 pm-7:00 pm. Certified facilitators will be here, a notary and witnesses available at NO CHARGE to assist you completing your Health Care Power of Attorney and Living Will documents. No pre-registration is required. Photo ID is required if you wish to complete documents at the workshop. Any questions please call 252-475-0905.

The Fessenden Center will be CLOSED April 19 for Good Friday.

Happy Easter!
