

## Dare County Board of Commissioners

### **Goals & Priorities for 2018**

- Continue the level of currently provided County services
- Maintain support of our fishing industry
- Continue upholding Beach Nourishment as a Board priority
- Maintain the current funding formula for Dare County Schools
- Continue the efforts that are underway for Economic Development
- Move forward with the Board's plans for the COA Dare County campus
- Continue the Board's proactive measures for Inlet Maintenance
- Actively monitor legislation in Raleigh with assistance from McGuireWoods
- Complete the plan for consolidation of County buildings for maximum efficiency
- Maintain high profile support for efforts to reduce substance abuse and drugs in our communities
- Reinforce opposition to seismic testing and oil drilling off the North Carolina coast
- Continue to be open for ideas and suggestions to better serve our residents
