MEMORANDUM

TO: Dare County Board of Commissioners
FROM: Noah Gillam, Planner
RE: Gutmann Cluster Home Group Development

Jeffery Gutmann has applied for a conditional use permit to construct a cluster home group development on his property in the Rodanthe. The property is identified on the Dare County tax maps as parcel numbers 012554001, 012554000 and 012554002. The site is zoned S-1 and cluster home group developments are permitted as conditional uses in this district. A recombination of the three parcels is proposed to be completed to make the three properties into two. A single family dwelling on parcel 012554000 is proposed to be removed. Mr. Gutmann plans to build six single family dwellings on the new recombined parcel.

The Planning Board first viewed the proposed CUP application at their January 14, 2019 meeting as a sketch plan review since a detailed site plan was not submitted with the application. The Dare County Fire marshal was present for the sketch plan review and addressed concerns for emergency and fire apparatus access to the proposed properties. Dare County staff and planning board made recommendations concerning the property lines and the ownership of common area. On February 11, 2019 the Planning Board again reviewed the proposed application, however this time a detailed site plan was provided that addressed the fire marshal and planning boards concerns.

Based on information provided by Mr. Gutmann, the draft CUP attached with this staff report was prepared to address the planning board and fire marshal concerns during the planning board review. Conditions include time frames for installing road improvements and obtaining building permits. Other conditions include the recordation of covenants that include a road maintenance agreement. Mr. Gutmann has reviewed the set of conditions as recommended by the Planning Board and a signed acknowledgement of the conditions will be submitted as part of the CUP file. Other conditions may be added to the draft CUP, if needed as result of the April 1 Commissioners review.
Conditional Use Permit No.2 --2019  
Dare County Sections 22-21.1, 22-31.1, and 22-68.

Application of:  Jeffrey Gutmann

On April 1, 2019 the Dare County Board of Commissioners considered the application of the Petitioner above named which application is on file with the Dare County Planning Department, and the Board finds as follows:

1. That the written application of Petitioner with attachments has been duly submitted to the Dare County Planning Board as required by Section 22 of the Dare County Code (hereinafter referred to as "Code");

2. That the application substantially complies with the requirements of the Code in that it requests uses permitted by conditional use permit under the Code, including residential structures in a group housing development;

3. The subject property is zoned S-1. This property is identified on the Dare County tax records as parcel 012554001 and 012554000 and located in the Rodanthe tax district.

4. That the Dare County Planning Board recommended for approval the granting of this Conditional Use Permit as requested. The Planning Board made this recommendation on March 11, 2019.

5. That the Dare County Board of Commissioners is empowered under sections of the Code set out above to grant uses such as allowed herein and insofar as the conditional use is hereinafter allowed it will not adversely affect the public interest;

6. That the hereinafter described conditional use is deemed to be reasonable and is not in degradation of the intent of the ordinance.

7. That upon the evidence received, the testimony presented, and the submitted written record, there are sufficient facts to support the issuance of this Conditional Use Permit according to the terms and conditions below:
NOW, THEREFORE, under the provisions of the Code, the following conditional use is granted to OT Enterprises for a cluster home group development subject to such conditions as are hereinafter set out:

**CONDITIONAL USE:** a cluster home group development consisting of six residential structures as depicted on Appendix B included as part of this conditional use permit.

**CONDITIONS:**

1. The cluster home group development shall operate as prescribed in the definition set forth in Section 22-31.1 of the Dare County Zoning Ordinance. The structures shall be constructed as depicted on Appendix B and used not be occupied or rented on a short-term basis (less than 30 days) as defined in Section 22-2 of the Dare County Zoning Ordinance.

2. All structural improvements shall be located in the dwelling footprints as recorded on the final plat. The conditioned space of each structure shall not exceed 1200 square feet in area.

3. Parking improvements shall be in accordance to Section 22-56 of the Dare County Zoning Ordinance.

4. The structures shall be located on the parcel in conformance with the setbacks of Section 22-27.1 and Section 22-31.1 of the Zoning Ordinance.

5. A final recombination plat shall be recorded with the register of deeds showing the lot lines reconfigured and existing house shall be removed on parcel 012554000 before any Dare County building permits will be issued.

6. A final site plan of the cluster home development depicting the footprint areas shall be recorded in the Register of Deeds. The cluster home sites may be transferred to individual owners with the remainder of the site dedicated as common area owners by a homeowners association or other similar entity. Covenants shall be recorded that includes a road maintenance agreement. A copy of the signed conditional use permit shall be recorded with the final site plan.

7. Road improvements meeting the requirements for fire and emergency apparatus and the placement of “no-parking-fire lane” signs along the road and turnarounds shall be installed 12 months from date of approval and before any Dare County Building permits will be issued.
8. Building permits for the structures shall be secured within 36 months from date of approval. The site improvements shall be constructed for compliance with the North Carolina fire codes. An as-built for the property shall be submitted to the Planning Department upon the completion of all six of the structures to confirm compliance with the terms of the Dare County Zoning Ordinance.

9. All other terms and provisions of the Dare County Zoning Ordinance shall remain in full force and effect except as herein specifically permitted otherwise;

Letter and Resolution Opposing Offshore Drilling and Seismic Testing

Description

At the request of Chairman Woodard, the Board of Commissioners will consider authorizing a letter to be sent to Commerce Secretary Wilbur Ross and Department of the Interior Acting Secretary David Bernhardt.

The letter explains the detrimental impacts associated with the decision to issue Incidental Harassment Authorization (IHA) permits for seismic testing and the inclusion of Carolina's coast in the OCS Oil & Gas Leasing Program for 2019-2024.

Also enclosed is an updated resolution reaffirming the Board's continued opposition to offshore drilling and seismic testing.

Board Action Requested

Authorize the Letter and approve the Resolution

Item Presenter

Chairman Robert Woodard
April 1, 2019

Wilbur L. Ross, Secretary of Commerce  
U.S. Department of Commerce  
1401 Constitution Ave NW  
Washington, DC 20230

David Bernhardt, Acting Secretary  
U.S. Department of the Interior  
1849 C Street, N.W.  
Washington DC 20240

Dear Secretary Ross and Acting Secretary Bernhardt,

As elected leaders representing North Carolina communities and citizens across the state, we write to express our strong opposition to offshore oil and gas exploration, including seismic airgun blasting, and drilling for oil and gas in the Atlantic Ocean and especially off North Carolina’s coast.

We are deeply disappointed in the Administration’s decision in November to issue five Incidental Harassment Authorization (IHA) permits for companies planning to conduct seismic geological and geophysical surveys to search for offshore oil and gas along the Atlantic coast. We are similarly disappointed in the Administration’s inclusion of North Carolina’s offshore area in the 2019-2024 OCS Oil & Gas Leasing Draft Proposed Program. These activities pose a grave risk to our state and our economy. We urge you to halt further planning or execution of offshore exploration and drilling off our coast.

Fishing, tourism, and recreation along North Carolina’s coast support nearly 57,000 jobs and generate roughly $3 billion in GDP for our state. These industries represent the livelihoods of thousands of individuals who are dependent on a healthy ocean and clean coast. The negative impacts of seismic airgun blasting to marine life are well-documented around the world and have even been studied here in North Carolina. A 2014 study conducted off our coast by the University of North Carolina Chapel Hill, Duke University, and NOAA found that during seismic airgun blasting, the abundance of reef fish declined by 78 percent during evening hours. The devastating impact large scale seismic airgun blasting could have on our marine resources is clear.

North Carolina has more than 300 miles of coastline, more than 2 million acres of estuarine waters, and over 10,000 miles of estuarine shoreline. We cannot afford to endanger our ecologically sensitive coastlines or the natural resources that are the foundation of our state’s tourism industry and coastal economy.
Offshore drilling also has the potential to irrevocably impact our coastal communities, economies, and way of life. North Carolina prides itself on our coastal waterways, inlets, beaches, and historic places that are visited and enjoyed by millions each year. Beyond the looming potential for a catastrophe to the scale of the BP Deepwater Horizon oil spill - which resulted in the loss of 10 million days of beach, fishing, and boating activity, as well as lasting impacts to the health of human populations and marine life - the accompanying infrastructure and added daily pollution that would come with offshore drilling simply cannot co-exist with our current coastal industries.

Furthermore, the people of North Carolina have been vocally and overwhelmingly opposed to seismic airgun blasting and offshore drilling, and the desire to protect our coast from these activities continues to grow. We strongly oppose the issuance of IHAas and permits to conduct seismic airgun blasting to search for oil and gas in the Atlantic, as well as the inclusion of North Carolina in the final OCS Oil & Gas Leasing Program for 2019-2024.

Sincerely,

Robert L. "Bob" Woodard, Sr., Chairman
Dare County Board of Commissioners
A RESOLUTION

REAFFIRMING THE DARE COUNTY BOARD OF COMMISSIONERS’
CONTINUED OPPOSITION TO OFFSHORE DRILLING AND SEISMIC TESTING

WHEREAS, Dare County on the Outer Banks of North Carolina is a coastal community whose economic engine is driven by the millions of people who visit each year to enjoy the pristine waters of the Atlantic Ocean off the North Carolina coastline; and

WHEREAS, because it is economically imperative that our coastal waters must be safeguarded for future generations, the Dare County Board of Commissioners has repeatedly declared its steadfast objection to offshore drilling for gas or oil, including exploratory drilling and seismic testing, as expressed in resolutions dated February 5, 2018, April 6, 2015, December 5, 2005, May 19, 2003, and February 2, 1998; and

WHEREAS, the Dare County Board of Commissioners continues to oppose offshore drilling and testing because it has not been proven that either can safely be done without risking catastrophic and irrevocable harm to our coastline, our natural resources, our properties, our businesses, and our quality of life; and

WHEREAS, the potential damage to North Carolina’s beaches and coastline from offshore drilling and testing would needlessly put our tourism based economy at risk and threaten the livelihood of our commercial fisherman; and

WHEREAS, the risks associated with offshore drilling and testing have been fervently and passionately conveyed by Dare County Chairman Robert Woodard and other locally elected leaders during meetings with state and federal officials and community stakeholders; and

WHEREAS, it is vital that local and state officials throughout North Carolina and its neighboring states join the Dare County Board of Commissioners in taking a unified stand in opposition to offshore drilling and seismic testing, which jeopardizes the coastal environment and economies of all adjacent areas.

NOW, THEREFORE, BE IT RESOLVED, that the Dare County Board of Commissioners hereby reaffirms its staunch ongoing opposition to offshore drilling, including exploratory drilling and seismic testing, and urges North Carolina, our neighboring states, and all federal agencies to take no action that would put our coastline at risk.

This the 1st day of April, 2019.

Rules of Procedure

Description

As discussed at the Board Retreat on March 6, suggested Rules of Procedure have been prepared for the Dare County Board of Commissioners based on a model provided by the UNC School of Government.

The attached Rules of Procedure address the structuring of organizational meetings, the role of the presiding officer, voting rules, ordinance adoption, public hearings, and public comment periods.

North Carolina General Statute 153A-41 provides that a County Board of Commissioners may adopt its own rules of procedure in keeping with the size and nature of the board and in the spirit of generally accepted principles of parliamentary procedure.

Board Action Requested

Adopt the suggested Rules of Procedure

Item Presenter

Robert Outten, County Manager
Rules of Procedure for the Dare County Board of Commissioners

Part I. Applicability

Rule 1. Applicability of Rules
These rules apply to all meetings of the Board of Commissioners of Dare County. For purposes of these rules, a meeting of the board occurs whenever a majority of the board’s members gather, whether in person or simultaneously by electronic means, to conduct hearings, deliberate, vote, or otherwise transact public business within the board’s real or apparent jurisdiction. The term “majority” as used here and elsewhere in these rules means, unless otherwise specified, a simple majority, that is, more than half.

Part II. Quorum

Rule 2. Quorum
The presence of a quorum is necessary for the board to conduct business. A quorum consists of a majority of the board’s membership. Vacancies do not reduce the number of members necessary to establish a quorum. A member who withdraws from a meeting of the board without being excused by majority vote of the remaining members present is deemed present for quorum purposes.

Part III. Open Meetings

Rule 3. Remote Participation in Board Meetings
No member who is not physically present for a board meeting may participate in the meeting by electronic means except in accordance with a policy adopted by the board. Although a member who attends a meeting electronically pursuant to such a policy may take part in debate, the member may neither be counted toward a quorum nor vote on any matter before the board.

Rule 4. Meetings to Be Open to the Public
Except as permitted by Rule 5, all meetings of the board shall be open to the public, and any person may attend its meetings.

Rule 5. Closed Sessions
(a) Motion to Enter Closed Session. The board may enter a closed session from which the public is excluded only upon a motion duly made and adopted in open session. The motion to enter closed session must cite one or more of the permissible bases for closed session listed under the provisions outlined in North Carolina General Statutes 143-318.11:
(b) **Closed Session Participants.** Unless the board directs otherwise, the county manager, county attorney, and clerk to the board may attend closed sessions of the board. No other person may attend a closed session unless invited by the Chairman or County Manager in order to assist the Board with a specific closed session item.

(c) **Motion to Return to Open Session.** Upon completing its closed session business, the board shall end the closed session and return to open session.

**Rule 6. Meeting Minutes**

(a) **Minutes Required for All Meetings.** The board must keep full and accurate minutes of all of its meetings, including closed sessions. To be “full and accurate,” minutes must record all actions taken by the board. They should set out the precise wording of each motion and make it possible to determine the number of votes cast for and against each motion. The minutes need not record discussions of board members.

(b) **Record of “Ayes” and “Noes.”** When a vote is not unanimous, the minutes shall list each member by name and record how each member voted on a particular matter.

(c) **General Accounts of Closed Sessions.** In addition to minutes, the board must keep a general account of each closed session. The general account must be sufficiently detailed to provide a person not in attendance with a reasonable understanding of what transpired. The board may combine the minutes and general account of a closed session into one document, so long as the document contains both a complete record of actions taken and the level of detail required for a general account. Minutes and general accounts of closed sessions shall be sealed until unsealed by order of the board.

**Part IV. Organization of the Board**

**Rule 7. Organizational Meeting; Selection of Chair and Vice Chair**

(a) **Requirement to Hold Organizational Meeting.** The board shall hold an organizational meeting each December to take the actions set out in this rule.

(b) **Scheduling Organizational Meeting**

(1) *Even-numbered years.* The board shall hold an organizational meeting at its regular meeting place at 9:00 a.m. on the first Monday in December of each even-numbered year.

(2) *Odd-numbered years.* The board shall hold an organizational meeting during its first regular meeting in December.

(c) **Order of Business**

(1) *Even-numbered years*

   (A) As the first order of business at the organizational meeting, all persons elected or reelected to the board at the most recent county election must take and subscribe the oath of office. Each member’s oath must be filed with the clerk to the board. Although a newly elected or reelected member who has not yet been sworn and who is not present for the organizational
meeting may be sworn in later, the member must take, subscribe, and file the oath of office before he or she begins performing any of the duties of the member’s office.

(B) As the second order of business, the board shall elect a chair and vice chair from among its members.

(2) Odd-Numbered Years. As the first order of business, the board will elect the chair and vice chair.

(d) Presiding Officer. The Clerk shall call the organizational meeting to order and preside until the board elects a new chair. Once elected, the new chair shall preside.

Rule 8. Terms of the Chair and Vice Chair

The members selected as chair and vice chair at the organizational meeting shall serve for the ensuing year.

Part V. Types of Meetings

Rule 9. Regular Meetings

(a) Regular Meeting Schedule. The board shall hold a regular meeting on the first and third Monday of each month, except that if a regular meeting day is on a holiday, the meeting shall be held on the next business day.

(b) Notice of Regular Meeting Schedule. The board must ensure that a copy of its current regular meeting schedule is filed with the clerk to the board and posted on the county’s website.

(c) Change to Regular Meeting Schedule. The board may vote to alter the time or place of a particular regular meeting or all regular meetings within a specified period. The board must ensure that the appropriate public notice is filed with the clerk to the board at least seven (7) calendar days before the first meeting held pursuant to the revised schedule. The board must also have the revised schedule posted on the county’s website. Additionally, the board must cause notice of the temporary change to be posted at or near its regular meeting place and to be sent to everyone who has submitted a request to receive notice of its special meetings.

Rule 10. Special Meetings

(a) Calling Special Meetings. The chair or a majority of members may call a special meeting of the board by signing a written notice stating the date, time, and place of the meeting and the subjects to be considered.

(b) Notice to the Public. At least forty-eight hours before a special meeting, the board shall cause the written notice to be (1) posted on the board’s principal bulletin board (2) delivered, emailed, or mailed to each newspaper, wire service, radio station, television station, and person who has filed a written request for notice with the clerk to the board. If the board’s website is maintained by one or more county employees, the board must also have the notice posted there prior to the special meeting.

(c) Notice to Members. At least forty-eight hours before a special meeting, the chair or the members who called the meeting shall have the written notice of the meeting emailed to the other members of the board.
Rule 11. Emergency Meetings

(a) Calling Emergency Meetings. The chair or a majority of the board’s members may call an emergency meeting to address generally unexpected circumstances that demand the board’s immediate attention.

(b) Notice of Emergency Meetings. The member or members who call an emergency meeting must take reasonable action to inform the other members of the board and the public of the meeting. In addition, notice of the meeting must be given to each local newspaper, local wire service, local radio station, and local television station that has filed with the clerk to the board a request to be notified of emergency meetings. Notice may be given by telephone or email.

(c) Transaction of Other Business Prohibited. Only business connected with the emergency may be discussed or otherwise considered at an emergency meeting.

Rule 12. Recessed Meetings

(a) Calling Recessed Meetings. When conducting a properly called regular, special, or emergency meeting, the board may recess the meeting to another date, time, or place by a procedural motion made and adopted in open session, as provided in Rule 29 (Motion 3). The motion must state the time (including the date, if the meeting will resume on a different day) and place at which the meeting will reconvene.

(b) Notice of Recessed Meetings. If the board’s website is maintained by one or more county employees, notice of the recessed meeting’s date, time, and place must appear on the webpage prior to the meeting. No further notice of a properly called recessed meeting is required.

Rule 13. Limited Authority to Meet Outside the County

The board must hold all of its meetings within the county except for the following:

- a joint meeting of the board with another public body, if the joint meeting is held within the political subdivision represented by the other public body;
- a retreat, forum, or similar gathering held solely to provide board members with general information so long as members do not vote or take action;
- a meeting between the board and the local legislative delegation during a session of the General Assembly, provided board members do not vote or otherwise transact public business during the meeting except with regard to matters pertaining directly to legislation proposed to or pending before the General Assembly; and
- a convention, association meeting, or similar gathering but only if board members confine their deliberations to event-related issues that are not legally binding on the board or its constituents, such as convention resolutions and the elections of association officers.
Part VI. Agenda

Rule 14. Agenda

(a) Agenda

1. Preparation. The clerk to the board shall prepare an agenda in advance of each meeting of the board. For a regular meeting, a request to have an item of business placed on the agenda should be submitted to the clerk at least 10 days before the date of the meeting unless otherwise approved by the Chairman or the County Manager.

2. Supplemental information/materials. The agenda packet shall include the agenda, any proposed ordinances or amendments to ordinances, and supporting documentation and background information relevant to items on the agenda.

3. Delivery to board members. Except in the case of an emergency meeting, each member shall receive an electronic copy of the agenda and agenda packet at least 48 hours before the meeting.

4. Public inspection. The agenda and agenda packet will be available to the public when they are ready to be circulated.

(b) Consent Agenda. The board may designate part of an agenda for a regular meeting as the consent agenda. Items may be placed on the consent agenda by the person(s) charged with preparing the agenda if they are judged to be noncontroversial and routine. Any Board Member may request to have an item moved from the consent agenda and discussed on the regular agenda. All items on the consent agenda must be voted on and adopted by a single motion, with the minutes reflecting the motion.

Rule 15. Agenda Items from Members of the Public

If a member of the public wishes to request that the board include an item on its regular meeting agenda, he or she must submit the request to the Clerk to the Board by the deadline specified in Rule 14(a)(1). The board is not obligated to place an item on the agenda merely because such a request has been received.

Rule 16. Order of Business

Items shall be placed on a regular meeting agenda according to the order of business. The usual order of business for each regular meeting shall be as follows:

Regular Agenda, Consent Agenda, Board Appointments, Commissioners & Manager’s Business.

Without objection, the chair may call agenda items in any order most convenient for the dispatch of business.

Part VII. Role of the Presiding Officer

Rule 17. The Chair

(a) Presiding Officer. The chair shall preside at meetings of the board.
(b) **Voting by the Chair.** The chair has the same duty to vote as other members.

(c) **Recognition of Members.** A member must be recognized by the chair or other presiding officer in order to address the board, but recognition is not necessary for an appeal pursuant to Rule 29 (Motion 1).

(d) **Powers as Presiding Officer.** As presiding officer, the chair is to enforce these rules and maintain order and decorum during board meetings. To that end, the chair may

1. rule on points of parliamentary procedure, to include ruling out of order any motion clearly offered for obstructive or dilatory purposes;
2. determine whether a member or other speaker has gone beyond reasonable standards of courtesy in his or her remarks and entertain and rule on objections from other members on this ground;
3. entertain and answer questions of parliamentary procedure;
4. call a brief recess at any time; and
5. adjourn in an emergency.

(e) **Appeals of Procedural Rulings.** A member may appeal a decision made or answer given by the chair under subparagraph (d)(1), (2), or (3) in accordance with Rule 29 (Motion 1).

**Rule 18. Presiding Officer in the Chair's Absence**

The vice chair shall preside over meetings of the board in the chair’s absence. If both the chair and vice chair are absent, the members present may choose a temporary chair from among themselves. The vice chair or other member presiding in place of the chair has the powers listed in Rule 17(d). Service as presiding officer does not relieve the vice chair or other member of the duty to vote on all questions except as excused from voting pursuant to Rule 26.

**Part VIII. Motions and Voting**

**Rule 19. Action by the Board**

Except as otherwise provided in these rules, the board shall act by motion. Any member may make a motion. Unless otherwise provided, all motions require a second.

**Rule 20. Second Not Required**

No second is required on a motion to nominate.

**Rule 21. One Motion at a Time**

A member may make only one motion at a time.

**Rule 22. Withdrawal of Motion**

The member who introduces a motion may withdraw the motion, with the consent of the member who seconded the motion, unless the motion has been put to a vote.
Rule 23. Debate
The presiding officer shall state the motion and then open the floor to debate, presiding over the debate according to the principles listed below.

- The maker of the motion is entitled to speak first.
- A member who has not spoken on the issue shall be recognized before a member who has already spoken.

Rule 24. Adoption by Majority Vote
A motion is adopted if supported by a simple majority of the votes cast, a quorum being present, except when a larger majority is required by these rules or state law.

Rule 25. Changing a Vote
A member may change his or her vote on a motion at any time before the presiding officer announces whether the motion has passed or failed. Once the presiding officer announces the result, a member may not change his or her vote.

Rule 26. Duty to Vote
(a) Duty to Vote. Every board member must vote except when excused from voting as provided by this rule.

(b) Grounds for Excusal. A member may be excused from voting on a matter involving the member’s own financial interest or official conduct, though not if the proposal in question is one to alter the compensation or allowances paid to board members. Members may also be excused from voting when prohibited from voting under G.S. 14-234 (contract providing direct benefit to member), G.S. 153A-340(g) (legislative zoning decision likely to have a direct, substantial, and readily identifiable financial impact on member), or G.S. 160A-388(e)(2) (member’s participation in quasi-judicial decision would violate affected person’s right to an impartial decision maker). Questions about whether a basis for excusal exists should be directed to the county attorney.

(c) Procedure for Excusal
(1) At the member’s request. Upon being recognized at a duly called meeting of the board, a member who wishes to be excused from voting shall so inform the presiding officer, who must then submit the matter to a vote of the remaining members present. If a majority of the remaining members present vote to excuse the member, the member is excused from voting on the matter.

(2) On the board’s initiative. Even when a member has not asked to be excused from voting on a matter, a majority of the remaining members present may by motion and vote excuse the member from voting if the member is prohibited from voting under paragraph (b).

(d) Consequence of Non-Excused Failure to Vote. If a member who has not been excused from voting fails to vote on a matter, the member’s failure to vote shall be recorded as an affirmative vote, provided

(1) the member is physically present in the meeting room or
(2) the member has physically withdrawn from the meeting room without being excused by majority vote of the remaining members present.

Rule 27. Voting by Written Ballot

(a) Secret Ballots Prohibited. The board may not vote by secret ballot.

(b) Rules for Written Ballots. The board may decide by majority vote or unanimous consent to vote on a motion by written ballot. Each member must sign his or her ballot, and the minutes must record how each member voted by name. The ballots must be made available for public inspection in the office of the clerk to the board immediately following the meeting at which the vote took place and remain there until the minutes of that meeting are approved, at which time the ballots may be destroyed.

Rule 28. Substantive Motions

A substantive motion is not in order if made while another motion is pending. Once the board disposes of a substantive motion, it may not take up a motion that presents essentially the same issue at the same meeting, unless it first adopts a motion to reconsider pursuant to Rule 29 (Motion 14).

Rule 29. Procedural Motions

(a) Certain Motions Allowed. The board may consider only those procedural motions listed in this rule. Unless otherwise noted, each procedural motion may be debated and amended and requires a majority of votes cast, a quorum being present, for adoption.

(b) Priority of Motions. The procedural motions set out in this paragraph are listed in order of priority. A procedural motion is not in order so long as another procedural motion of higher priority is pending, except that

- any procedural motion other than an appeal under Motion 1 is subject to amendment as provided in Motion 12, and
- a motion to call the question (end debate) may be made with regard to any procedural motion in accordance with Motion 9.

When several procedural motions are pending, voting must begin with the procedural motion highest in priority, except that a motion to amend or end debate on the highest priority motion must be voted on first.

Motion 1. To Appeal a Ruling of the Presiding Officer. Any member may appeal the presiding officer’s ruling on whether a motion is in order or on whether a speaker has violated reasonable standards of courtesy. The presiding officer’s response to a question of parliamentary procedure may also be appealed by any member. An appeal is in order immediately after the disputed ruling or parliamentary response and at no other time. The member who moves to appeal need not be recognized by the presiding officer, and if timely made, the motion may not be ruled out of order. The appeal of a presiding officer’s ruling is made to the Board of Commissioners and is decided by vote of the majority plus one.

Motion 2. To Adjourn. This motion may be used to close a meeting. It is not in order if the board is in closed session.
Motion 3. To Recess to a Time and Place Certain. This motion may be used to call a recessed meeting as permitted under Rule 12. The motion must state the time (including the date, if the meeting will reconvene on a different day) and place at which the meeting will resume. The motion is not in order if the board is in closed session.

Motion 4. To Take a Brief Recess.

Motion 5. To Follow the Agenda. This motion must be made at the time an item of business that deviates from the agenda is proposed; otherwise, the motion is out of order as to that item.

Motion 6. To Suspend the Rules. To be adopted, a motion to suspend the rules must receive affirmative votes equal to at least a quorum plus one of the board. The board may not suspend provisions in these rules that are required under state law.

Motion 7. To Divide a Complex Motion. This motion is in order whenever a member wishes to consider and vote on parts of a complex motion separately. The member who makes this motion must specify how the complex motion will be divided.

Motion 8. To Defer Consideration. The board may defer its consideration of a substantive motion, and any proposed amendments thereto, to an unspecified time. A motion that has been deferred expires unless the board votes to revive it pursuant to Motion 13 within [100] days of deferral. A new motion having the same effect as a deferred motion may not be introduced until the latter has expired.

Motion 9. To End Debate (Call the Previous Question). If adopted, this motion terminates debate on a pending motion, thereby bringing it to an immediate vote. This motion is not in order until every member has had an opportunity to speak once on the pending motion.

Motion 10. To Table an Item. This motion may be employed to delay the board’s consideration of a substantive motion, and any proposed amendments thereto, until a designated day, meeting, or hour. During the period of postponement, the board may not take up a new motion raising essentially the same issue without first suspending its rules pursuant to Motion 6.

Motion 11. To Refer a Motion to a Committee. The board may vote to refer a substantive motion to a committee for study and recommendations. While the substantive motion is pending before the committee, the board may not take up a new motion raising essentially the same issue without first suspending its rules pursuant to Motion 6. If the committee fails to report on the motion within 60 days of the referral date, the board must take up the motion if asked to do so by the member who introduced it.

Motion 12. To Amend.

(a) Germaneness. A motion to amend must concern the same subject matter as the motion it seeks to alter.

(b) Limit on Number of Motions to Amend. When a motion to amend is under consideration, a motion to amend the amendment may be made; however, no more than one motion to amend and one motion to amend the amendment may be pending at the same time.
(c) Amendments to Ordinances. Any amendment to a proposed ordinance must be reduced to writing or read back by the clerk before the vote on the amendment.

**Motion 13. To Revive Consideration.** The board may vote to revive consideration of any substantive motion that has been deferred pursuant to Motion 8, provided it does so within 100 days of its vote to defer consideration.

**Motion 14. To Reconsider.** The board may vote to reconsider its action on a matter, provided the motion to reconsider is made (a) at the same meeting during which the action to be reconsidered was taken and (b) by a member who voted with the prevailing side. For purposes of this motion, “the same meeting” includes any continuation of a meeting through a motion to recess to a certain time and place (Motion 3). The motion is not in order if it interrupts the board’s deliberation on a pending matter.

**Motion 15. To Rescind.** The board may vote to rescind an action taken at a prior meeting provided rescission is not forbidden by law.

**Motion 16. To Prevent Reintroduction for Six Months.** This motion may be used to prevent the reintroduction of a failed substantive motion for a time, but it is in order only when made immediately following the substantive motion’s defeat. To be adopted, this motion must receive affirmative votes equal to at least a quorum of the board. If this motion is adopted, the ban on reintroduction remains in effect for six months or until the board’s next organizational meeting in an even-numbered year, whichever occurs first.

**Part IX. Ordinances and Contracts**

**Rule 30. Introduction of Ordinances**

For purposes of these rules, the “date of introduction” for a proposed ordinance is the first date on which the proposed ordinance appears on the agenda for a board meeting or when the board actually considers the proposed ordinance.

**Rule 31. Adoption, Amendment, and Repeal of Ordinances**

(a) **Form of Proposed Ordinances.** The board may not adopt a proposed ordinance unless it has been reduced to writing and distributed to members before the vote is taken. This shall not apply to amendments to proposed ordinances that are properly listed on the agenda.

(b) **Adoption of Ordinances Not Subject to Public Hearing Requirements.**

1. **Approval on date of introduction.** To be adopted at the meeting where first introduced, an ordinance or any action having the effect of an ordinance must receive the affirmative votes of all members of the board. If the measure receives a majority of votes cast on the date of introduction but not the unanimous support of all members, the board must take it up again at its next regular meeting.

2. **Approval after date of introduction.** At its first regular meeting following the date of introduction or at any meeting thereafter within 100 days of the date of introduction, the board may adopt the proposed ordinance or action having the effect of an ordinance by a majority of votes cast, a quorum being present.
(c) Adoption of Ordinances Subject to Public Hearing Requirements.

(1) *The budget ordinance or budget amendments.* Rule 32 governs the approval of the budget ordinance and amendments thereto.

(2) *Other ordinances.* Following a required public hearing on a proposed ordinance, the board may adopt the measure by a majority of votes cast, a quorum being present, regardless of whether the vote occurs on the date of introduction.

(d) Amendment and Repeal of Ordinances. The same voting requirements that govern the adoption of proposed ordinances also apply to the amendment or repeal of an ordinance.

Rule 32. Adoption of the Budget Ordinance

(a) Special Rules for the Adoption or Amendment of the Budget Ordinance. Notwithstanding any provision in general law or any local act,

(1) the board may adopt or amend the budget ordinance at a regular or special meeting of the board by a majority of those members present and voting, a quorum being present;

(2) no action taken with respect to the adoption or amendment of the budget ordinance need be published or is subject to any other procedural requirement governing the adoption of ordinances or resolutions by the board; and

(3) the adoption or amendment of the budget ordinance and the levy of taxes in the budget ordinance are not subject to the provisions of any local act concerning initiative or referendum.

(b) Notice Requirements for Budget Meetings. During the period beginning with the submission of the budget to the board and ending with the adoption of the budget ordinance, the board may hold any special meetings that may be necessary to complete its work on the budget ordinance. Except for the notice requirements of the open meetings law, which continue to apply, no provision of law or these rules concerning the call of special meetings applies during that period, so long as

(1) each member of the board has actual notice of each special meeting called for the purpose of considering the budget and

(2) no business other than consideration of the budget is taken up.

(c) No Authority for Closed Sessions. This rule shall not be construed to authorize the board to hold closed sessions on any basis other than the grounds set out in Rule 5.

Part X. Public Hearings and Comment Periods

Rule 33. Public Hearings

(a) Calling Public Hearings. In addition to holding public hearings required by law, the board may hold any public hearings it deems advisable. The board may schedule hearings or delegate that responsibility to county staff members, as appropriate, except when state law directs the board itself to call the hearing. If the board delegates scheduling authority, it must provide adequate guidance to assist staff members in exercising that authority.

(b) Public Hearing Locations. The board may hold public hearings anywhere within the county.
(c) **Notice of Public Hearings.** Any public hearing at which a quorum of the board is present shall be considered part of a regular or special meeting. Consequently, the relevant notice and related requirements of the open meetings law, as set out in Rules 9 through 12, apply to such hearings. Some statutes mandate additional notice for particular types of hearings, and such notice must be provided together with the notice required by the open meetings law.

(d) **Rules for Public Hearings.** The board may adopt reasonable rules for public hearings that, among other things,

- fix the maximum time allotted to each speaker,
- provide for the designation of spokespersons for groups of persons supporting or opposing the same positions,
- provide for the selection of delegates from groups of persons supporting or opposing the same positions when the number of persons wishing to attend the hearing exceeds the capacity of the meeting room (so long as arrangements are made, in the case of a hearing subject to the open meetings law, for those excluded from the meeting room to listen to the hearing), and
- provide for the maintenance of order and decorum in the conduct of the hearing.

(e) **Continuing Public Hearings.** The board may continue any public hearing without further advertisement to a time and place certain, provided the time (including the date, if the hearing will resume on a different day) and place of the continued hearing are announced in open session. Except for hearings conducted pursuant to paragraph (g), if a quorum of the board is not present for a properly scheduled public hearing, the hearing must be continued until the board’s next regular meeting without further advertisement.

(f) **Conduct of Public Hearings.** At the time appointed for the hearing, the county manager shall call the hearing to order and proceed to allow public input in accordance with any rules adopted by the board for the hearing. Unless the board votes to extend the hearing, when the time allotted for the hearing expires, or when no one wishes to speak who has not done so, the county manager shall declare the hearing closed, and the board shall resume the regular order of business.

(g) **Public Hearings by Less Than a Majority of Board Members.** Nothing in this rule prevents the board from appointing a member or members to hold a public hearing on the board’s behalf, except when state law requires that the board itself conduct the hearing.

**Rule 34. Public Comment Periods**

(a) **Frequency of Public Comment Periods.** The board must provide at least one opportunity for public comment each month at a regular meeting.

(b) **Rules for Public Comment Periods.** The board may adopt reasonable rules for public comment periods that, among other things,

- fix the maximum time allotted to each speaker,
- provide for the designation of spokespersons for groups supporting or opposing the same positions,
- provide for the selection of delegates from groups supporting or opposing the same positions.
when the number of persons wishing to attend the public comment period exceeds the capacity of the meeting room (so long as arrangements are made for those excluded from the meeting room to listen to the public comment period), and

- provide for the maintenance of order and decorum in the conduct of the public comment period.

(c) Content-Based Restrictions Generally Prohibited. The board may not restrict speakers based on subject matter, as long as their comments pertain to subjects within the board’s real or apparent jurisdiction.

Part XI. Appointments and Appointed Bodies

Rule 35. Appointments

(a) Appointments in Open Session. The board must consider and make any appointment to another body or, in the event of a vacancy on the board, to its own membership in open session.

(b) Nomination and Voting Procedure for Appointed Bodies. The board shall use the following procedure to appoint individuals to bodies over which it has the power of appointment. The chair shall open the floor for nominations, whereupon board members may put forward and debate nominees. Candidates shall be voted upon one at a time with first nominated being considered first and continue until a nominee gets a majority.

(c) Nomination and Voting Procedure to Fill a Vacancy on the Board. The procedure described in paragraph (b) shall be used to fill a vacancy on the board, except as superseded by the provisions of G.S. 153A-27 or -27.1. If the appointment is based on residence in an electoral district, the person selected to fill the vacancy must reside in the same electoral district as the member being replaced.

(d) Multiple Appointments. If the board is making more than one appointment to a body, each member shall have as many votes in each balloting as there are slots to be filled, and the votes of a majority of the total number of members voting shall be required for each appointment. No member may cast more than one vote for the same candidate for the same position during a single balloting.

(e) Vote by Written Ballot. The board may vote on proposed appointments by written ballot in accordance with Rule 27.

Rule 36. Committees and Boards

(a) Establishment and Appointment. The Board or the Chair may establish temporary and standing committees, boards, and other bodies to help carry on the work of county government. Unless otherwise provided by law or the board, the power of appointment to bodies established by the board lies with the board. Unless otherwise provided by law, the power of appointment to bodies established by the Chair lies with the Chair.

(b) Open Meetings Law. The requirements of the open meetings law apply whenever a majority of an appointed body’s members gather in person or simultaneously by electronic means to discuss or conduct official business.

(c) Procedural Rules. The board may prescribe the procedures by which the county’s appointed bodies operate, subject to any statutory provisions applicable to particular bodies. In the absence of rules
adopted by the board, an appointed body may promulgate its own procedural rules, so long as they are in keeping with any relevant statutory provisions and generally accepted principles of parliamentary procedure.

Part XII. Miscellaneous

Rule 37. Amendment of the Rules
These rules may be amended at any regular meeting or at any properly called special meeting for which amendment of the rules is one of the meeting’s stated purposes. Any amendment to these rules must be consistent with any relevant statutes and generally accepted principles of parliamentary procedure. To be adopted, a motion to amend these rules must be approved by a majority of the board’s members.

Rule 38. Reference to Robert’s Rules of Order Newly Revised
The board shall refer to Robert’s Rules of Order Newly Revised for guidance when confronted with a procedural issue not covered by these rules or state law. Having consulted Robert’s, the chair shall make a ruling on the issue subject to appeal to the board under Rule 29 (Motion 1).
