A 2018 Best Restored Beach
Dare County Beaches Receive ASBPA Best Restored Beaches Award

Dare County beaches in Duck, Southern Shores, Kitty Hawk and Kill Devil Hills have been named as Best Restored Beaches for 2018 by the American Shore and Beach Preservation Association (ASBPA). The award highlights the value of restored beaches and the crucial role they play in providing wide and beautiful beaches that attract people from around the world. Visitors to Dare County spend more than $1.1 billion annually, supporting over 13,100 local jobs and generating more than $102 million in state and local tax revenue.

According to Bob Woodard, Chairman of the Dare County Board of Commissioners, "Dare County is committed to preserving our beaches. They are the engine that drives our tourism economy and they require ongoing attention. That is why Dare County and its municipalities have stepped up to the plate and committed local resources to fund beach nourishment projects due to the lack of federal funding."

Dare County and its municipalities have invested resources in beach nourishment, a process by which sand that is lost through erosion is replaced to create a wider beach that reduces storm damage by dissipating wave energy to provide protection from storm surges and unusually high tides.

Dare County’s beach nourishment fund consists of revenue that is generated by a portion of the occupancy tax that is collected on short term rental properties such as hotels and cottages. These local dollars have helped fund beach nourishment projects throughout the county since 2011.

It was one year ago this week that work began on the northern beaches project and over a five month period, almost four million cubic yards of sand was placed along 8.3 miles of beach. This project was done as a collaborative effort including Dare County and the towns of Duck, Southern Shores, Kitty Hawk and Kill Devil Hills. By working together, each of the towns was able to achieve their design goals while benefiting from a significant cost and time savings in both the permitting and construction phases of the project.

According to Program Manager Ken Willson of APTIM, "Dare County’s collaborative effort is a model to be considered nationwide by communities trying to increase coastal resilience. This approach enabled considerable cost and time savings. For example, we’ve estimated that by constructing the projects cooperatively, the locals achieved a cost savings of around $5.5 million on mobilization alone."

Mayors from all four of the project municipalities joined Chairman Woodard in making the announcement about the ASBPA award at Monday evening’s meeting. Chairman Woodard commented, “I think we all agree that in order to remain as sustainable and resilient coastal communities, we must continue to prioritize protection of our beaches as a vital component of our tourism infrastructure.”

DREDGE WORK PLAN AND FORGIVABLE LOAN AGREEMENT

THIS AGREEMENT made and entered into this the ____ day of _________________, 20__ by and between EJE Recycling Disposal, Inc., and EJE Dredging Service, LLC, each organized and existing under the laws of the State of North Carolina (hereinafter collectively known as “EJE”), and Dare County, a political subdivision organized and existing pursuant to the laws of the State of North Carolina (hereinafter “County”).

WITNESSETH:

WHEREAS, EJE has agreed to design, have constructed, operate and maintain a new ocean certified, shallow draft, special purpose, split-hull hopper dredge vessel (the “Dredge”), in cooperation with and with guidance from County through the Oregon Inlet Task Force (hereinafter “OITF”); and

WHEREAS, EJE has agreed to provide dredging services for Oregon Inlet, Hatteras Inlet and the other shallow draft inlets of North Carolina as directed by the OITF and as provided under the terms of this Agreement and in compliance the provisions of Senate Bill 99, Section 13.7(a-h) of the 2017 Session Laws of the NC General Assembly.

NOW, THEREFORE, in consideration of the terms and conditions set forth herein, the sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

ARTICLE I:

FORGIVEABLE LOAN

A. County shall, pursuant to the provisions of Senate Bill 99, Section 13.7(a-h) of the 2018 Session Laws of the NC General Assembly, (the “Enabling Legislation”) lend to EJE the principal sum of FIFTEEN MILLION and 00/100 Dollars ($15,000,000.00) pursuant to the terms of the Promissory Note attached hereto as Exhibit A,

B. County’s loan to EJE is contingent upon the appropriation and receipt by the County of FIFTEEN MILLION and 00/100 Dollars ($15,000,000.00) from the State of North Carolina as provided in the Enabling Legislation. In no event shall County have any obligation, duty, or liability to lend or provide funds other than the sums received from the State of North Carolina pursuant to the Enabling Legislation. The loan proceeds from County to EJE shall be disbursed pursuant to the Draw Schedule attached as Exhibit A to the Promissory Note.

C. The loan proceeds shall be used by EJE exclusively for the costs necessary to design, build and equip the Dredge, suitable for use in Oregon Inlet, Hatteras Inlet and other shallow draft inlets of the state, having a minimum capacity of 500 cubic yards, and capable of removing 1 million cubic yards of sand per year under normal operating conditions.
D. The obligations of the Maker under the terms of the aforesaid Promissory Note and all attachments to the Promissory shall be secured by a Preferred Ship Mortgage, in a first lien position (unless agreed otherwise) upon the Dredge. It shall be the responsibility of the County to prepare and file all documents related to a Preferred Ship Mortgage, EJE shall, prior to delivery of the Dredge, provide County with a list of all equipment and furnishings to include a complete list of vendors and suppliers. EJE shall provide all information and execute all documents required by County necessary to the County’s preparation, perfecting and filing of a Preferred Ship Mortgage and a security interest in all equipment, furnishings as built plans and drawings, as built specifications, and operations manuals associated with the Dredge. The Preferred Ship Mortgage and security agreement will be in a form and contain provisions substantially similar to Exhibit B attached.

E. By execution hereof, as additional security for its obligations under the terms of this agreement and its exhibits, the Promissory Note and its exhibits, and the agreements to be assigned, EJE shall execute an assignment of all documents necessary to design, construct, own, and operate the Dredge including, but not limited to, the architect’s contract, the construction manager’s contract, the Dredge builder’s contract, the license for the design documents, operations manuals, all as provided in the Assignment Agreement attached hereto as Exhibit C.

ARTICLE II:

DREDGE CONSTRUCTION

A. EJE Dredging Services, LLC, with approval of the County through the OITF, such approval not being unreasonably withheld, shall select a naval architect and a construction project manager, neither associated with the dredge builder, to assist in the design and supervision of construction, the Dredge. The plans and specifications for the vessel shall be developed by EJE Dredging Services, LLC and its architect in consultation with the County through the OITF. The County through the OITF shall have final approval of all plans and specifications. The contracts between EJE and the architect and between EJE and the project manager shall be approved by County through the OITF prior to execution by EJE.

B. The final plans and specifications shall be approved by County through the OITF prior to EJE entering a contract with builder. Upon approval of the final plans and specifications by County through the OITF, EJE and the project manager shall prepare and advertise an RFQ seeking qualified builders to submit their qualifications and experience in building dredges similar to the specifications provided. EJE Dredging Services, LLC shall select the builder from those responding, and negotiate a construction contract to construct the dredge as specified. The terms of the construction contract, exclusive of construction costs, shall be approved by County through the OITF prior to execution by EJE Dredging Services, LLC. County through the OITF may approve or disapprove at its discretion for any reason or no reason.
C. The dredge shall be constructed in the United States, and the dredge shall be documented by the United States Coast Guard.

The dredge shall be titled in the name of, and owned and operated by, EJE Dredging Services, LLC, a North Carolina corporation based exclusively in the United States. Without changing the liability, duties and obligations of EJE Recycling Disposal, Inc. under the terms of this agreement, the Promissory note or any other written agreements to which EJE Recycling Disposal, Inc. is a party, with the approval of the State of North Carolina, County may pay draws of the loans proceeds directly to EJE Dredging Services, LLC.

D. In the event County through the OITF is unwilling in its sole discretion, to approve the plans and specifications or the terms and conditions of the contracts specified in Paragraphs A-D above for any reason or no reason, within 90 days from written notice to EJE by County that such approvals shall not be given, the deliverables that have been created under the aforesaid contracts shall be delivered by EJE to County and they become the property of County. EJE shall provide County an accounting of all sums received and disbursed, and EJE shall return any unspent funds or funds improperly spent (collectively “excess funds”) to County. Upon receipt of the deliverables and the repayment of excess funds within the time specified, this agreement shall terminate and neither party shall have any other or further obligation or liability to the other. Upon EJE’s failure to deliver to County the deliverables and excess funds within the specified time, EJE shall be deemed in default and County may exercise all remedies available at law, in equity, and under the terms of this agreement, the Promissory Note, or any of the other documents executed by the parties.

ARTICLE III:
DREDGE OPERATIONS

A. EJE Dredging Services, LLC shall own, keep, operate and maintain the dredge at its own expense. EJE shall be responsible for all liabilities associated with the dredge and its operation. EJE shall own and operate the dredge in compliance with all applicable Federal, State and local laws, rules, codes, regulations, and permits (“applicable law”), and EJE shall indemnify and hold harmless the County from any loss, fine, penalty or any other liability from same. Provided, however, nothing herein shall operate to require EJE to indemnify the County for the County’s own negligence.

B. During the term of this Agreement, together with any extensions, EJE Dredging Services, LLC shall keep the dredge insured at all times in an amount equal to the replacement cost to construct and equip a similar dredge, shall maintain workers compensation insurance on its employees as required by state and federal statutes, shall carry commercial and marine liability insurance in an amount not less than Five Million Dollars and shall comply with all Jones Act coverage requirements.
C. Upon delivery of the dredge, EJE Dredging Services, LLC shall perform, unless otherwise authorized by the County through the OITF, dredging operations exclusively in the waterways of the State of North Carolina, and at locations designated by the County through the OITF. EJE Dredging Services, LLC will only dredge as permitted by applicable permits.

D. EJE Dredging Services, LLC agrees to operate the dredge pursuant to the terms of this agreement, from the date the dredge is delivered to EJE Dredging Services, LLC for a period of ten years or the loan repayment period plus any extensions, whichever is longer. EJE’s Dredging Services, LLC shall operate the dredge a minimum of 12 hours per day, 360 days per year, subject to weather conditions, maintenance, repair, mobilizations, permit conditions, funding limitations, or acts of God that may reduce the number of days of operation. Should EJE Dredging Services, LLC’s operations be subject to a permit(s) with dredging “windows”, EJE Dredging Services, LLC shall operate the dredge 24 hours per day during the work “windows” established by the relevant permit(s), subject to weather conditions, maintenance, repair, mobilizations, funding limitations or acts of God.

E. Upon delivery of the dredge, and prior to beginning any dredging operations, EJE Dredging Services, LLC shall employ, and at all times thereafter keep in its employ, such captain(s), experienced in dredge operations, and such crew as may be necessary to operate the dredge on the schedule set forth above. Preference in hiring shall be given to captain(s) experienced in dredge operations in Oregon Inlet, Hatteras Inlet, and the waterways of the State of North Carolina. All Captains and other crew shall at all times have all required licenses and certifications to operate the dredge as provided herein.

During the term of this Agreement, the parties agree that the “usual and customary rates” for dredging services as of the date the last party executes this agreement shall be: $14.33 per cubic yard of material loaded and placed in a permitted disposal area and for material removed from Hatteras Inlet and placed in a permitted disposal area(s), each inclusive of survey boat costs, with the exception of the following:

$19.58 per cubic yard of material loaded from inside the bar and placed in a permitted disposal area outside the bar, inclusive of survey boat costs.

The line of demarcation between “inside the bar” and “outside the bar” shall be a line a one nautical radius east of the center of the Marc Basinight Bridge.

“Inside the bar” shall be the permitted disposal area generally west of “landward” of the line of demarcation and “outside the bar” shall be any permitted disposal area generally east (seaward) of the line of demarcation.

These rates shall be deemed the Base Rates. The Discounted Rate shall be a minimum of $1.50 per cubic yard less than the applicable Base Rate. The Base Rate will adjust up or down annually on the 1st day of October each year by the same percentage as the average percentage change in the US Army Corps of Engineers daily rate for the Dredge Murden
(or its equivalent if the Murden is not operational for a period in excess of 6 months during the previous 12 months) for the previous 12 month period.

G. EJE shall charge Dare County not greater than the Discounted Rate for materials removed from Oregon Inlet, Hatteras Inlet and vicinity, and the waterways of Dare County, up to the aggregate $3 million dollars of County funding annually for Oregon Inlet and $250,000 dollars of County funding annually for Hatteras Inlet based upon cubic yards of material removed. EJE Dredging Services, LLC shall not perform work in excess of the forgoing budgeted amount without the approval of the County. It is acknowledged that the State of North Carolina maintains a Shallow Draft Inlet Management Fund which currently provides a 2/3 match to local funding for shallow draft inlet projects in Tier 2 and Tier 3 counties and a 3/4 match to local funding for shallow draft inlet projects in Tier 1 counties. The 2/3 and ¾ matches are the “state share” for projects within North Carolina waters, but outside of Dare County, (exclusive of Hatteras Inlet a portion of which is in Hyde County) EJE Dredging Services, LLC may charge a negotiated rate per cubic yard of material removed not to exceed the base rate as adjusted. If permitted by County through the OITF to dredge outside North Carolina, EJE Dredging Services, LLC may charge a negotiated rate based upon cubic yards of material removed for projects outside North Carolina waters.

H. It is the intent of the parties that EJE Dredging Services, LLC shall perform dredging operations only in the waterways of North Carolina unless otherwise authorized and approved in advance by County through the OITF. If, however, at any time during the terms of this Agreement, no dredging permits or funds are available for dredging operations in the waterways of North Carolina, the County through the OITF shall, if authorized by law, approve a request by EJE Dredging Services, LLC to perform dredging operations in the waterways of adjacent states until permits and/or funding becomes available for dredging in North Carolina waters. Further, EJE Dredging Services, LLC shall perform dredging operations in the waterways of North Carolina in locations and at times designated by the County through the OITF, and EJE shall not perform dredging operations in any waterway not approved by the County through the OITF. All dredging operations shall be performed to the permitted specifications of the waterway being dredged and in compliance with all permits, rules, and regulations, State and Federal.

I. EJE Dredging Services, LLC shall keep the following records monthly, shall provide these monthly records with each invoice, and make these records available to County at any other time upon request:

1. Month, year and Location dredging was performed;
2. Total vessel time billed;
3. Total cost for each month;
4. Total dredge and haul each month;
5. Cost per dredge and haul hour;
6. Monthly production by cubic yard;
7. Production per dredge hour and haul hour in cubic yards;
8. Production cost per cubic yard; and
9. Times, dates duration of weather, and explanation of mechanical and other delays.
10. A Hopper Dredge Quality Control Report containing the information and in substantially the same form as Exhibit D.

J. EJE Dredging Services, LLC shall bill for its services to the following address: [Need Input to Address].

K. County shall approve or make objection to any invoice received within 10 business days after receipt. Within 15 days after receipt County shall remit payment of its share of such invoice and shall request the State to remit its share of such invoice unless the invoice is contested. County will remit the state share upon receipt from state. County shall have no obligation to take legal or other actions to collect the state share but agrees to cooperate with EJE Dredging Services, LLC in EJE Dredging Services, LLC’s efforts to collect the state share, including the assignment to EJE Dredging Services, LLC of the county’s right, if any, to collect the state share. EJE Dredging Services, LLC shall be responsible for all costs and expense associated with the collection of the State share and shall hold County harmless from same. Box 1000, 954 Marshall Collins Dr., Manteo, North Carolina 27954 or at such other place or to such other party or parties as the holder of this Note may from time to time designate, the principal sum of FIFTEEN MILLION and 00/100 Dollars ($15,000,000.00), together with interest at the rates designated herein, computed on the basis of a 365 day year for the actual number of days in each interest period, both principal and interest payable in lawful money of the United States which shall be legal tender in payment of all debts and dues, public and private at the time of payment by bank wire or by check. Until an Event of Default, this promissory note (the “Note”) shall bear interest at a rate of two percent (2.0%) per annum. The loan proceeds are to be applied to the costs to design and build an ocean certified, shallow draft, special purpose, split-hull hopper dredge vessel (the “Dredge”) and secured as provided herein. The aforesaid sum shall be disbursed to Maker in draws pursuant to the Draw Schedule attached hereto as Exhibit A and incorporated herein by reference as if fully set out. Principal and interest shall be calculated and paid as follows:

A. Interest at the aforesaid rate shall begin accruing, as provided in Paragraph C below, on any outstanding principal balance on the date that the fully operable Dredge is physically delivered and titled to Maker (the “Interest Commencement Date”). Maker and Payee agree to execute, as soon as practicable, a written statement specifying the Interest Commencement Date in the form attached hereto as Exhibit B (the “Interest Commencement Date Agreement”). If Maker fails to execute and deliver such agreement within thirty (30) days of receipt of written request by Payee to execute such agreement, Maker shall be conclusively deemed to have acknowledged and agreed with Payee’s determination of the Interest Commencement Date, as set forth on the Interest Commencement Date Agreement sent to it by Payee.

B. As long as there has not been an Event of Default under this Note, during the initial term of this Note and any extension thereto, Payee shall forgive that portion of the principal in an amount equal to the difference between the Base Rate and Discounted Rate for services which were provided to Payee under the terms of the Dredge Work Plan and Forgivable Loan Agreement between the parties dated the ____ day of ______________, 20____ (the “Work Plan”) which is incorporated herein by reference as if fully set out.

C. If not sooner paid or upon default, Maker shall repay all outstanding principal, together with accrued interest at 2% per annum from the interest commencement date, in one lump sum on the first day of the one hundred twentieth (120th) month following the Interest Commencement Date or such later date as is provided in any amendment to this Note.
D. Unless otherwise agreed in writing, each installment shall be applied: (i) first to any unpaid expenses of collection pursuant to Section _____ of this Note; then to the payment of interest then accrued and due on the unpaid principal balance, and then to any unpaid principal owed on this Note.

E. Unless elsewhere defined in this Note, capitalized terms used herein shall have the meanings as defined in the Dredge Agreement.

F. This Note may be prepaid in whole or in part at any time without penalty.

Maker shall repay all outstanding principal, together with interest at the rate of 2% per annum on the outstanding principal, in one lump sum on the first day of the 120th month following the delivery of the dredge vessel to Maker or on the due date provided in any requested loan extensions.

(b) the occurrence of an Event of Default under the Work Plan, any contract with the Naval Architect, the contract for the construction of the Dredge, any security agreement signed by Maker (or either of them), any preferred ship mortgage, any assignment of leases, rents and profits, or any written agreement by Maker related to the Dredge;

(c) if Maker (or either of them) files a voluntary petition of bankruptcy, or a petition seeking reorganization or an arrangement with creditors or to take advantage of any bankruptcy, reorganization, insolvency, readjustment or debt, dissolution or liquidation law or statute, or an answer admitting the material allegations of a petition filed against it in a proceeding under such law;

(d) if an order, judgment or decree shall be entered, without the application, approval or consent of Maker (or either of them), by any court of competent jurisdiction, approving a petition seeking reorganization or liquidation of Maker (or either of them) or a substantial part of the assets of Maker (or either of them), or appointing a receiver, trustee, custodian or liquidator of Maker (or either of them), and such order, judgment or decree shall not be dismissed within sixty (60) days;

(e) If Maker (or either of them) applies for or consents to the appointment of a receiver, trustee, custodian or liquidator of itself or for all or a substantial part of its property;

(f) If Maker (or either of them) makes a general assignment for the benefit of creditors;
(g) If Maker (or either of them) is adjudicated bankrupt or insolvent;

Section 1.2. **Acceleration.** Upon the occurrence of any Event of Default, Payee may, without further notice, declare the unpaid principal amount of this Note, together with all interest accrued thereon immediately due and payable. Failure to exercise this option shall not constitute a waiver of the right to exercise the same at any other time.

Section 1.3. **Default Interest Rate.** Upon the occurrence of any Event of Default and upon acceleration of the entire unpaid principal balance of the amount owed by the Maker to Payee hereunder, interest shall continue to accrue thereafter to the extent legally permissible at the rate of eight percent (8.00%) per annum, until the entire principal amount of this Note and any other amounts due hereunder shall have been paid in full, including the period following entry of any judgment. Both before and after any Event of Default, interest shall be computed on the basis of a 365-day year.

Section 1.4 **Expenses of Collection; Rights Cumulative.** Maker and any and all assumers, sureties, endorsers, or guarantors further agree, jointly and severally, that they will pay any collection expense, court costs and reasonable attorneys’ fees, not exceeding a sum equal to fifteen percent (15%) of the outstanding balance owing on said Note, plus all other reasonable expenses which may be incurred in the collection or enforcement of the Note or any part hereof. The rights and remedies of the holder as provided in this Note and any instrument securing this Note shall be cumulative and may be pursued singly, successively, or together against any funds, property or security held by the holder for payment or security, in the sole discretion of the holder. The failure to exercise any such right or remedy shall not be a waiver or release of such rights or remedies or the right to exercise any of them at another time.

ARTICLE 2. SECURITY

This Note shall be secured by a First Preferred Ship Mortgage on the Dredge, one or more Security Agreements on the Dredge and the personal property, equipment and fixtures related thereto, as well as an Assignment of Leases, Rents and Profits, Assignment of Construction Documents, Assignment of Contract with Builder, and Assignment of Architect Contract, all such documents being of even date herewith, to which reference is made for the terms thereof, and the same are hereby incorporated by reference and made a part of this Note. Nothing herein shall prohibit Payee, at its sole discretion, from subordinating all or part of its position on a Ship Mortgage or Security Agreement in favor of a bank or other financial institution. Payee agrees that upon request of Maker within 24 months from the date hereof, Payee will subordinate its position on a Ship Mortgage in favor a State or Federally licensed commercial lending institution in an amount not exceed _______ and for a term not exceed _______.

ARTICLE 3. SPECIFIC WAIVERS; OFFSET

Section 3.1 **Specific Waivers.** Except as expressly provided herein, all parties to this Note, including Maker and all assumers, sureties, endorsers, guarantors (if any), and all persons liable or to become liable on this Note hereby jointly and severally waive: demand, protest, presentment, notices of presentment, nonpayment, protest, demand, and dishonor; and notice of acceleration of maturity, and also waive the benefit of any homestead exemption or any other
exemption. All such parties consent to any and all renewals and extensions of the time of payment hereof, agree to continue to remain bound for the payment of principal interest and all other sums due under this Note and further agree that at any time and from time to time without notice, the terms of payment herein, including the rate of interest applicable to this Note, may be modified or the security described in the lien documents securing this Note may be released in whole or in part, or increased, changed or exchanged by agreement between the holder or holders hereof and any owner of the premises affected by said lien documents securing this Note without in any way affecting the liability of any party to this instrument or any person liable with respect to any indebtedness evidenced hereby including any endorsers, guarantors, or accommodation parties. None of the rights and remedies of the holder or holders hereof are to be waived or affected by failure or delay to exercise them. Subject to the foregoing requirement, all remedies conferred on a holder by this Note or any other instrument or agreement shall be cumulative and none is exclusive. Such remedies may be exercised concurrently or collectively at the holder's option. The holder of this Note shall first rely on the collateral for the payment of the Note in the event of default by the Makers prior to exercising other remedies. The holder shall use reasonable efforts to maximize the value of collateral to be applied to the payment of the Note.

Section 3.2  No Right of Offset.  Maker shall not be entitled to offset any sum which it owes Payee under this Note against any sum which Maker is owed by Payee.

**LOAN DRAW SCHEDULE**
The first draws are to be the draws for the expenses or portions of the expenses prior to EJE’s execution of a contract with the ship builder, not to exceed $500,000 and are without EJE contribution. (prior to the final draft for execution we need to identify and list these items)

The remaining draws are to be scheduled pursuant to the contract between EJE and the ship builder. EJE will contribute to each of these draws in a percentage of the draw amount equal to the percentage of the ships total construction cost not covered by the loan funds remaining after the initial draws. For example, if the ship costs $28 mil to build, $500k has been spent on preconstruction costs leaving $14.5 mil of loan proceeds. Then EJE’s share of each draw would be 48%. ($28,000,000 - $14,500,000 = $13,500,000 (EJE share) divided by $28,000,000 = .48)

No draws will be given until previous draw has been reconciled and approved by County.

Owner shall comply with, and not permit the Vessel to be operated contrary to, the laws, treaties, conventions, rules, regulations or orders of the United States, and any state or jurisdiction where they are operated, nor remove the Vessel from the territorial limits of the United States, nor abandon the Vessel in any foreign port. Owner shall do everything necessary to establish and maintain this Mortgage as a First Preferred Ship Mortgage on the Vessel. Owner shall comply with, and not permit the Vessel to be operated contrary to, any navigation limits and other requirements of the insurance carried on the Vessel.

1.4. Owner (a) agrees to be bound by the provisions of this Mortgage; (b) consents to being joined, if necessary for complete relief to be granted, in any enforcement action on the Notes (or any of them) or Mortgage, or under the Loan Documents, and (c) acknowledges that the Mortgagee is loaning or disbursing funds on the condition that the Notes and Loan Documents are secured by this Mortgage.

1.5. Owner, by executing this Mortgage, by Affiliate receiving money loaned from Mortgagee and executing this Mortgage, by having actual knowledge of Affiliate having executed the Notes and other Loan Documents that the Mortgagee intends to secure the Notes with this Mortgage, and/or by having such knowledge at any time and not promptly notifying the Mortgagee in writing by certified mail that the Owner did or does not consent to this Mortgage, hereby agrees to this Mortgage.

1.6. Owner gives Mortgagee the right, upon the occurrence of an “Event of Default”, as defined herein, to arrest and repossess the Vessel wherever it may be found and sell it, and if, after deducting from the proceeds of sale all amounts due Mortgagee under the Notes or other Loan Documents, including but not limited to costs and attorneys’ fees incurred in arresting, repossessing, storing, protecting, and selling the Vessel and costs of cleaning, transporting, commissions, repairs, reconditioning, new equipment, storage and dockage fees, and all other costs determined by Mortgagee, in its reasonable discretion, to be in its interests to incur, there is a deficiency, in that the proceeds are insufficient to pay Mortgagee all amounts due to it, Mortgagee may sue Owner for the deficiency in any appropriate state or federal court and in the event of suit, recover any costs and attorneys’ fees it incurs in such suit and any costs and attorneys’ fees previously mentioned in this paragraph.

1.7. Neither Owner, nor Owner’s agent or masters of the Vessel, has or shall have any right, power or authority to create, incur or permit to be placed or imposed on the Vessel any lien other than to Mortgagee or for crew’s wages or salvage, without Mortgagee’s written consent. Owner shall keep prominently posted on the Vessel, a U. S. Coast Guard certified copy of this Mortgage and a notice that the Vessel is subject to a Mortgage in favor of Mortgagee, that no liens may be placed upon the Vessel without the written permission of Mortgagee, and that the Vessel may not be leased to or chartered by any third party other than Affiliate without Mortgagee’s prior written
consent, which consent shall not be unreasonably withheld. Owner will also promptly cause a copy of this Mortgage, certified by the U. S. Coast Guard, to be kept on the Vessel and in the office of Owner from which the Vessel is chartered, available for inspection, and will exhibit the same and with the Vessel’s papers upon demand to any person having business with the Vessel. Owner will take such other appropriate steps from time to time as will give notice to the world that Owner’s right, title and interest in and to the Vessel is subject to this Mortgage, and that, except for this Mortgage and the other Loan Documents, Owner has no right, power or authority to suffer or permit any liens or claims against the Vessel.

1.8. Owner shall pay when due all taxes, assessments, license fees, governmental charges, fines and penalties imposed upon the Vessel and promptly discharge any and all liens and claims upon the Vessel. Owner shall at all times keep the Vessel in good repair, appearance and working order. If on the date of this Mortgage the Vessel has an ABS or other Classification Certificate and/or Load Line Certificate, Owner shall take all action necessary to maintain the Vessel’s current Classification, and Owner shall maintain the Vessel according to its standards, including all repairs, replacements, and dry-dockings. Owner shall take all action necessary to maintain the Vessel’s Load Line Certificate, and Owner shall maintain the Vessel according to its standards, including all repairs, replacements, and dry-dockings. Owner will provide the Mortgagee with copies of the renewals of the Classification and the Load Line Certificate.

1.9. If the Vessel shall be libeled, arrested, attached, detained or repossessed by any third party, seized or levied upon or taken into custody under process or under color of liens and claims upon the Vessel, Owner shall immediately notify Mortgagee, confirmed in writing, by letter sent by certified mail and discharge or release, and use commercially reasonable efforts to recover the Vessel within twenty (20) days.

1.10. Owner shall at all reasonable times afford Mortgagee complete opportunity to inspect the Vessel and immediately upon request by Mortgagee, Owner shall state the exact location of the Vessel. Owner shall promptly, and in any event when due, pay all charges for repairs or other services to the Vessel, goods, supplies, wages, fuel, dockage, storage fees, or any other necessaries, not disputed, within thirty (30) days to the creditor, with immediate written notice of any such disputed amount sent to Mortgagee. Owner shall promptly inform Mortgagee in writing whenever the total of undisputed charges for the above items not paid within thirty (30) days after the due date exceeds Five Thousand and 00/100 Dollars ($5,000.00). Owner shall also notify Mortgagee promptly of any collision, allision, or other accident in which the Vessel is involved, or of damage to the Vessel that requires repair or which may affect its value.

1.11. Owner shall not, without the prior written consent of Mortgagee, sell, transfer, or mortgage the Vessel, or any interest in the Vessel, or merge or consolidate with any other person, firm or corporation, or dissolve.

1.12. From time to time, Owner shall execute and deliver such other instruments and assurances as Mortgagee may require to perfect or continue this Mortgage and to enforce the terms of this Mortgage, the Notes, or other Loan Documents, for operation of the Vessel, or sale of the Vessel by Mortgagee upon the occurrence of an “Event of Default” as defined below.
II. INSURANCE

2.1 Owner shall, at its expense, keep the Vessel fully insured under a marine insurance policy or policies providing (1) hull and machinery coverage in an amount not less than the full market value of the Vessel; (2) protection and indemnity coverage in the standard form and amounts acceptable to Mortgagee; (3) collision liability coverage; (4) Jones Act, workers compensation and employers’ liability coverage if not included in the Protection and Indemnity coverage; (5) Oil Pollution Act liability coverage in an amount not less than One Million Dollars ($1,000,000.00), (6) CERCLA environmental/pollution liability coverage in an amount not less than Five Million and 00/100 Dollars ($5,000,000.00), and (7) such further risks as may be commercially reasonable or reasonably specified by Mortgagee from time to time.

2.2 The hull and machinery policy shall provide that losses payable under the policy shall be paid to Mortgagee, its successors and assigns, and shall include a Breach of Warranty endorsement in favor of Mortgagee, protecting Mortgagee’s interest in an amount not less than the full market value of the Vessel, which interest shall not be impaired or invalidated by any breach of a warranty or condition under the policy, other than a change in title or ownership of the Vessel.

2.3 The policies shall include all additional endorsements or coverages reasonably specified by Mortgagee. All such policies shall be taken in Owner’s name, shall identify Mortgagee as a mortgagee and additional insured, and shall be in amounts or policy limits subject to Mortgagee’s approval unless the amounts or policy limits are otherwise specified herein. Owner shall notify, and Owner and/or Mortgagee shall request all insurers and their agents to agree to notify Mortgagee, at least thirty (30) days in advance, of any cancellation or material change in any insurance coverage. Certified copies of policies and binders shall be delivered to Mortgagee with satisfactory evidence that all premiums and charges have been paid. Owner shall maintain such insurance unimpaired by any act, breach of warranty or otherwise, during the life of this Mortgage. Mortgagee may at any time request proof from the Owner that the insurance is in force. Failure by Owner to furnish proof within seven (7) days of receiving a request from Mortgagee shall constitute an “Event of Default” as defined below, and, in addition to any other rights or remedies, Mortgagee shall have the option, but shall not be required, to procure such insurance at Owner’s sole cost and expense, to be paid by Owner upon demand by Mortgagee.

III. DEFAULT

3.1 Any one or more of the following events shall be an “Event of Default”:

(a) Payment Defaults. If any payment due on the Notes or under the other Loan Documents is not made when due.

(b) Other Defaults. Owner’s or Affiliate’s failure to comply with or to perform any term, obligation, covenant or condition in this Mortgage, or any other agreement between the Owner and Mortgagee. Affiliate’s failure to comply with or to perform any term, obligation, covenant or condition in the Notes, other Loan Documents, or any other agreement between the Affiliate and Mortgagee.
(c) **Insolvency.** The dissolution, merger, consolidation or termination of Owner’s or Affiliate’s existence as a going business, Owner’s or Affiliate’s insolvency or inability to pay debts as they mature, the appointment of a receiver for Owner’s or Affiliate’s property, any assignment by Owner or Affiliate for the benefit of creditors, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Owner or Affiliate (except as creditor of a third party).

(d) **Creditor or Forfeiture Proceedings.** The entry of a judgment against Owner or Affiliate, or the commencement of foreclosure or forfeiture proceeding, repossession, or any other act by any creditor of Owner or Affiliate, or by any governmental agency, against the Vessel or any collateral securing the indebtedness, including garnishment of any of Owner’s or Affiliate’s deposit accounts with Mortgagee; provided, however, the foregoing shall not apply to garnishment against third-parties from Owner’s or Affiliate operating account.

(e) **Breach of Warranties.** The breach of any of Owner’s covenants, representations or warranties in this Mortgage or in the Notes, or other Loan Documents. The breach of any of Affiliate’s covenants, representations or warranties in the Notes, or other Loan Documents.

(f) **Deterioration of Vessel.** Any deterioration or impairment of the Vessel or any depreciation in the value of the Vessel, which causes the Vessel, in the reasonable judgment of Mortgagee, to become unsatisfactory as to value. Mortgagee may from time to time require that the Vessel be surveyed and appraised, and Owner shall cooperate with Mortgagee’s surveyor to permit access to, and inspection of, the Vessel. Each survey and appraisal shall be performed at Owner’s sole cost and expense; provided, however, Owner shall not be obligated to pay the cost of surveys or appraisals performed more frequently than once every two (2) years.

(g) **Fraud or Misrepresentation.** Owner or Affiliate commits fraud or makes a material misrepresentation, or omits to disclose facts necessary to keep any representation made from being misleading, at any time in connection with this Mortgage or the Notes.

Notwithstanding the foregoing, if Owner has not been given more than one (1) notice of the same breach or default within the preceding twelve (12) months, the breach or default may be cured (and no Event of Default shall be deemed to have occurred) if Owner, after written notice from the Mortgagee to Owner demanding cure of such default: (i) cures the default within seven (7) days if it is a payment default and (ii) thirty (30) days if it is a default other than a payment default. The Owner’s right to cure, however, shall not apply to (a) default of Owner’s obligation to insure the Vessel, (b) defaults which are not susceptible to cure (such as without limitation a report, certificate or financial information statement or incorrect representation or warranty which is false or misleading), (c) default in payment at maturity, (d) appointment of a receiver or other custodian of the Owner’s or guarantor’s assets, (e) sale or other transfer of the Vessel, (f) a lien on the Vessel other than allowed by the Loan Documents, (g) financial reporting requirements, or (f) defaults for
which cure periods are already stated. Further, if during any cure period the Mortgagee’s collateral or lien priority is threatened, the Mortgagee may take reasonable actions at the Owner’s expense to protect the Mortgagee’s interests.

3.2. If an Event of Default occurs, in addition to any other rights and remedies provided to Mortgagee under applicable law, the Notes or other Loan Documents, Mortgagee may:

(a) Accelerate and declare immediately due and payable all the unpaid principal, accrued interest, any late charges, and, as permitted by applicable law, any other amounts due under the Notes, the other Loan Documents, or this Mortgage, after which these amounts shall earn interest at the default rate of interest provided in the Notes. Any arrest and repossession of the Vessel by Mortgagee, or suit on the Mortgage, Notes, or other Loan Documents or other action taken by Mortgagee authorized in (b) through (e) below, shall also constitute such a declaration by Mortgagee, even if no such declaration, or demand for payment, has been made previously to Owner.

(b) Bring suit in federal or state court against the Vessel and/or Owner, and in such action, recover all costs of suit, including reasonable attorneys’ fees. Owner consents to the appointment of a substitute custodian selected by Mortgagee. Mortgagee may also obtain appointment of a receiver for the Vessel. Mortgagee may at any time dismiss any action and take possession of the Vessel and exercise all powers given under this Mortgage, including those given in section (d) below.

(c) Recover judgment for any amounts due and collect it out of the property of Owner.

(d) In addition to all other remedies provided, repossess the Vessel without legal process, or use state legal process to do so, at any time, wherever the Vessel may be, and, without being responsible for loss or damage, hold and in Mortgagee’s or Owner’s name, sell, lease, charter, operate, transfer, or otherwise use the Vessel for the time and upon the terms as Mortgagee deems advisable. Mortgagee may sell the Vessel free from any claim by Owner, and the sale may include all appurtenances on board the Vessel at the time it or they are retaken by Mortgagee or normally on board but removed by Owner; provided, however, Mortgagee shall not have any rights in or to any cargo on board the Vessel. If Mortgagee elects, repossession and sale may take place under state law and this Mortgage shall not be used to prevent election to use state law remedies. To the extent permitted by law, the sale may be public or private, with at least twenty-one (21) days prior written notice to Owner, without having the Vessel present, and Mortgagee may be the purchaser and for payment may pay all or part of the indebtedness secured by this Mortgage. Owner agrees that it will cooperate fully to permit peaceful repossession, and will disclose promptly the exact location of the Vessel to permit Mortgagee to obtain possession of any or all of them.

(e) For purposes of dealing with the Vessel following any Event of Default, Mortgagee and its agents are irrevocably appointed the true and lawful attorneys of Owner in
Owner’s name and stead for all purposes, including but not limited to selling the Vessel and doing all things (including execution of documents) necessary to the sale and to protect Mortgagee’s interest.

3.3. If an Event of Default occurs, Owner and any other person aboard the Vessel shall immediately leave the Vessel upon the oral or written request of Mortgagee, and shall leave the Vessel in good, clean and neat condition. If the Vessel is arrested or detained by any officer of any Court or by any authority, Owner hereby authorizes Mortgagee, its agents and appointees, to receive or take possession of the Vessel, load and/or discharge cargo, and to defend any action or discharge any lien. All expenses incurred by Mortgagee as a result of such action shall be added to the indebtedness secured by this Mortgage. If the Mortgagee pays any lien or claim, this shall be an Event of Default by Owner, and Mortgagee may immediately enter on and use the Vessel as it sees fit and this shall be regarded as a lawful repossession.

3.4. Each and every power or remedy given to Mortgagee shall be cumulative, and in addition to all powers or remedies now or hereafter existing in admiralty, in equity, at law or by statute, and may be exercised as often as deemed necessary by Mortgagee. No delay or omission by Mortgagee shall impair any right, power or remedy, and no waiver of any default shall waive any other default.

3.5. Mortgagee may apply the net proceeds of any judicial or other sale, and any charter, management, operation or other use of the Vessel by Mortgagee, of any claim for damages, of any judgment, and of any insurance proceeds received by Mortgagee (except to the extent paid to Owner or applied in payment or repairs or otherwise for Owner’s benefit) (hereinafter “Proceeds”) as follows:

FIRST: to the payment of all reasonable attorneys’ fees, court costs, and any other expenses, losses, charges or damages incurred or advances made by Mortgagee in the protection of its rights or caused by Owner’s default with interest at the default rate of interest in effect hereunder, and to provide adequate indemnity against any liens claiming priority over this Mortgage.

SECOND: to the payment of all interest (including any interest accruing at the default rate of interest), to date of payment, on the Notes and any or all sums secured by this Mortgage, and to any balances of such proceeds to the payment next of all matured installments of principal and then of all unmatured installments or principal in the inverse order of their maturity.

If, after deducting from the Proceeds the amounts above, there is a deficiency, Mortgagee may collect the deficiency from the Owner and, in doing so, may apply, without prior notice, any deposits or other assets of the Owner to payment of the deficiency.

3.6. All advances and expenditures which Mortgagee in its reasonable discretion may make for repairs, insurance, payment of liens or other claims, defense of suits, or for any other purpose related to this Mortgage, the Notes or under the Loan Documents, and all damages sustained by Mortgagee because of a default, shall be paid by Owner on demand or, at Mortgagee’s option, shall be added to the unpaid balance of the Notes and paid by Owner. Mortgagee shall not be
obligated to make any such advances or expenditures; nor shall their making relieve Owner of any obligation or default related to the advances or expenditure.

IV. POSSESSION UNTIL DEFAULT

Until an Event of Default occurs, Owner shall be permitted to retain actual possession and use of the Vessel.

V. MISCELLANEOUS PROVISIONS

5.1. Time is material and of the essence in this Agreement. Mortgagee waives no rights by accepting late or partial payments, or by delaying enforcing any of its rights hereunder. No changes, additions, or deletions in any terms shall be valid unless signed by an authorized officer of Mortgagee.

5.2. Any provisions deemed invalid under any law, rule or regulation of any governmental agency shall not affect any other provision hereof.

5.3. This Mortgage is additional security given to Mortgagee as incentive to advance funds under the Notes and pursuant to the terms of the other Loan Documents.

5.4. This Mortgage shall be governed according to the laws of the United States and the State of North Carolina, without reference to any law regarding choice of law.

5.5. Nothing shall be construed to impose any obligation on Mortgagee to extend, or continue to extend, any credit at any future time.

5.6. To the extent there is a conflict between the terms of this Mortgage and other documents between the parties, the provisions of this Mortgage shall control.

5.7. E.J.E. Recycling Disposal, Inc. joins in the execution of this Mortgage to acknowledge its authorization and approval of the same, authorize and consent to the execution by Owner, and to reaffirm is obligations, liabilities and duties under the terms of the Notes, Loan Documents and other documents executed between the parties.

As of the date first written above, Owner has caused this Mortgage to be executed in its name by a person authorized to do so.

ITEM 3 – 2019 GOVERNOR’S VOLUNTEER SERVICE AWARDS
Lorelei Costa, Executive Director of the Outer Banks Community Foundation, presented the 2019 recipients of the Governor’s Volunteer Service Awards.  Among those honored were Laura Davis, Lynda Hester, Mary Ellen Holland, Jonna Lewis, Dennis Pohl, Kathleen Morgan, Juliane Kelly, Marion & Blair Siefferman, George Viverette & Sheryl Tillett, and Wendy Sisler.  It was noted that Ms. Sisler will be receiving the Governor’s Medallion Award at an upcoming ceremony in Raleigh.

The County Manager reported that the County’s 2019-2020 rates for MedCost medical insurance are remaining the same at a zero percent increase. ITEM 6 – TIMOTHY JENNETTE – REQUEST TO FILL DITCH
Planning Director Donna Creef introduced Timothy Jennette who presented a request for permission to fill part of a drainage ditch to access the rear portion of property he owns in Buxton.  It was noted that County Code requires Board approval following a Public Hearing in order to block or fill a ditch, creek, or other water course.  Mr. Jennette gave the history of the ditch and reported what he was told by a wetlands consultant and the Corps of Engineers.  He added that the ditch provides the only access he has to the back portion of his property.
Commissioners asked questions about the site and storm water flow in the vicinity of the property.  Mr. Jennette requested that the Board schedule a public hearing on the matter and he was advised to prepare as much information as possible in advance of a Public Hearing.

MOTION

Ms. Creef also listed options including expanding cluster homes, expanding accessory dwelling units, developing an overlay district for educational housing, and studying the issue of minimum lot sizes. The Planning Director noted that recreational vehicles, trailers, and tiny homes are not constructed for use as year-round dwellings in our area. Commissioner House urged the Board to do whatever is necessary for educational housing in order to attract students to the area. Guidance was given on ADU’s and other items outlined by the Planning Director and by consensus the Board agreed that the matter should be pursued with the Planning Board and solicit public input and then be brought back to the Board of Commissioners.

ITEM 8 – HEALTH & HUMAN SERVICES BUILDING – EXPANSION AND RENOVATIONS

At 9:00 a.m. Chairman Woodard called to order the Special Meeting with appropriate prior public notice having been given and then led the group in the Pledge of Allegiance to the flag. It was reported that Commissioner Couch was unable to attend due to a schedule conflict.

BUDGET WORKSHOP

The County Manager thanked the Finance Department for doing a comprehensive job assembling a vast amount of budget information. And he commended Department Heads for carefully monitoring their budget throughout the year. Mr. Outten explained why the County is looking at a one-year budget instead of a two-year cycle due to revenue uncertainty and possible legislation in Raleigh that, if enacted, could change the distribution of sales tax revenue. He informed the Board that the budget maintains the County’s existing service levels, funds local schools according to the approved formula, and has no tax increase.

Mr. Outten led the Board in a step-by-step analysis of a seven page summary of all the requested changes for the Fiscal Year 2020 budget. As Commissioners reviewed each item, a departmental representative joined the County Manager and Finance Director in providing background information and answering questions. Also discussed were budgetary needs for
the Board of Education and the status of the County’s Other Funds including the Insurance Fund, Sanitation Fund, Water Fund, and the Capital Improvement Fund.

Throughout the workshop, as each item was discussed, the Board gave guidance to the County Manager and Finance Director. Additionally, the Board agreed by consensus that the Manager should look further into developing a staff policy for storm time and a possible change in the amount of vacation time employees can accrue based on years of service.

Chairman Woodard thanked the County Manager and the Finance Department staff for their hard work on the budget. The Board discussed when the budget should formally be presented and staff was instructed to put it on an upcoming agenda as soon as it is ready.

During the Workshop, recesses were taken - 10:45 a.m. to 11:00 a.m. & 12:11 p.m. to 12:24 p.m.

Before closing the Workshop, Chairman Woodard asked the Board to vote on providing direction to the County Manager.

**MOTION**
Commissioner House motioned to direct the County Manager to move forward on the budget incorporating the guidance that was given to staff during the Budget Workshop.
Vice Chairman Overman seconded the motion.
**VOTE:** AYES unanimous

At 1:01 p.m., the Board of Commissioners adjourned the Budget Workshop.

COUNTY: Dare
DESCRIPTION: NC 12 - Rodanthe Breach Long-Term Improvements

SUBJECT: Use and Occupancy Agreement – Dare County Water Department

Ken Flatt
Director
Dare County Water Department
600 Mustian Street
Kill Devil Hills, NC 27948

Dear Mr. Flatt

The construction of the above-mentioned project will require the relocation and adjustment of certain water lines owned by Dare County Water Department. As discussed with you previously, the design for the relocation work will be handled by our engineers and the construction will be included in the Roadway Contract. This work will be done at the expense of the Department of Transportation in accordance with General Statute 136-27.1.

I am sending for your approval, Special Provisions, and Plans showing proposed water line relocations. In accordance with State and Federal Regulations, it will be necessary for the Dare County Water Department and the Department of Transportation to agree in writing as to the terms of use and occupancy for the water lines to remain within the highway right of way. Accordingly, the following conditions will apply with regards to the water lines:

(1) The water lines will be located and accommodated in a manner that will not impair the planned highway or the construction or maintenance or interfere with the safe operation in accordance with the attached plans which are made apart hereof.

(2) The Dare County Water Department will be responsible for maintenance and service of the water lines to be retained within the Department of Transportation's right of way limits in accordance with the mandate of the statutes and such other laws, rules, and regulations that have been or may be validly enacted or adopted now or hereafter.

(3) That upon satisfactory completion of the water line work, the Dare County Water Department agrees that it shall release the Department of Transportation from any and all claims for damage in connection with relocation made to the water lines, and further, that it shall release the Department of Transportation of any further responsibility for the cost of maintenance to the water lines. This release shall be deemed to be given by the Dare County Water Department upon completion of construction of the project and its acceptance by the Department of Transportation from the Roadway Contractor unless the
Dare County Water Department notifies the Department of Transportation in writing to the contrary prior to the Department's acceptance of the project.

(4) The Department’s Special Provisions binds the contractor to guarantee materials and workmanship against latent and patent defects arising from faulty materials, faulty workmanship or negligence for a period of twelve months following the date of final acceptance of the work for maintenance and shall replace such defective materials and workmanship without cost to the Department. The highway contractor will not be responsible for damage due to faulty design, normal wear and tear, for negligence on the part of the Department, and/or for use in excess of the design. Where items of material carry a manufacturer’s guarantee for any period in excess of twelve months, then the manufacturer’s guarantee shall apply for that particular piece of material. Appropriate provisions of the payment and/or performance bonds shall cover this guarantee for the project. Should any failure result from the conditions found in line item (4) the Department would then enter into a Contract with the Project Contractor for reimbursement to be made to the Dare County Water Department for necessary repairs performed by Dare County Water Department and/or its contractor. The Utility Relocation Agreement would be issued by the NCDOT Utilities Unit and the repairs would be coordinated between the Dare County Water Department and the Department’s assigned Resident Engineer.

Please indicate your concurrence in these conditions and attached plans by signing in the appropriate space provided below and return for our file no later than May 14th, 2019.

Sincerely,

Carl A. Barclay, PE

NOW, THEREFORE, in order to facilitate the orderly and expeditious relocation of the said facilities of COMPANY, the DEPARTMENT and the COMPANY have agreed as follows:

1. That the scope, description, and location of work to be undertaken by the COMPANY are as follows:

2. That any work performed under this agreement shall comply with DEPARTMENT's "POLICIES AND PROCEDURES FOR ACCOMMODATING UTILITIES ON HIGHWAY RIGHTS OF WAY" dated January 1, 1975, and such amendments thereto as may be in effect at the date of this agreement. The work to be performed by the COMPANY shall conform with Federal Highway Administration's Federal-Aid Policy Guide, Subchapter G, Part 645, Subpart A hereinafter referred to as FAPG dated December 9, 1991, and such amendments thereto as may be in effect at the date of this agreement. The provisions of said FAPG and amendments thereto are incorporated in this agreement by reference as fully as if herein set out. Any work performed under this agreement not in compliance with FAPG shall constitute unauthorized work and the DEPARTMENT shall be relieved of participating in the costs of such unauthorized work unless such work is done pursuant to a supplemental agreement attached to and made a part hereof.

3. That the COMPANY will prepare an estimate, broken down as to estimated cost of labor, construction overhead, materials and supplies, handling charges, transportation and equipment, rights of way, preliminary engineering and construction engineering, including an itemization of appropriate credits for salvage and betterments, and accrued depreciation all in sufficient detail to provide the DEPARTMENT a reasonable basis for analysis. Unit costs, such as broad gauge units of property, may be used for estimating purposes where the COMPANY uses such units in its own operations. The COMPANY will also prepare plans, sketches or drawings showing their existing facilities, temporary and permanent changes to be made with reference to the DEPARTMENT's new right of way using appropriate nomenclature, symbols, legend, notes, color coding or the like. 4. That the DEPARTMENT's authority, obligation, or liability to pay for relocations as set forth in this agreement is based on the COMPANY having a right of occupancy in its existing location by reason of the fee, an easement or other real property interest, the damaging or taking of which is compensable in eminent domain.
5. That payment for all work done hereunder shall be made in accordance with the requirements of FAPG unless payment is being made pursuant to a supplemental agreement attached to and made a part of this agreement.

6. That the construction work provided for in this agreement will be performed by the **method** or **methods** as specified below:

- **BY CONTRACT**: The COMPANY does not have adequate staff or equipment to perform the necessary work with its own forces. The COMPANY proposes to award a contract to the lowest qualified bidder who submits a proposal in conformity with the requirements and specifications for the work to be performed as set forth in an appropriate solicitation for bids.

7. a. It is contemplated by the parties hereto that the construction of this State Highway Project will begin on or about the ___ day of ___July___, ___2019__. 

   b. Based on the best information available at the present time to the COMPANY, indicate applicable paragraph below:

- **All work will take place during highway construction and arrangements for said work will be coordinated with highway construction operations at preconstruction conference.**

- **Work will begin promptly upon notification by DEPARTMENT; however, it is not expected to be complete prior to highway construction. Any remaining work will be coordinated with highway construction operations at preconstruction conference.**

- **Other (Specify)**
8. That the method used by the COMPANY in developing the relocation costs shall be as indicated by Paragraph (a), (b), or (c) as follows:

   c. ☑ On a lump-sum basis where the estimated cost to the DEPARTMENT does not exceed $100,000.00. Except where unit costs are used and approved, the estimate shall show such details as man-hours by class and rate; equipment charges by type, size, and rate; materials and supplies by items and price; and payroll additives and other overhead factors.

9. Indicate if (a) or (b) is applicable:
   a. ☑ That the replacement facility is not of greater functional capacity or capability than the one it replaces, and includes no COMPANY betterments.
   b. ☐ That the replacement facility involves COMPANY betterments, or is of greater functional capacity or capability than the one it replaces.

10. That the total estimated cost of the work proposed herein, including all cost to the DEPARTMENT and COMPANY less any credit for salvage, is estimated to be $45,987.00

   The estimated non-betterment cost to the DEPARTMENT, including all cost less any credits for salvage, betterments, accrued depreciation and additional work done by the COMPANY will be $45,987.00

   The estimated cost to the COMPANY including betterments, and any additional work done by the COMPANY will be $0

(The above costs shall be supported by attached estimate and plans)

13. One final and detailed complete billing of all cost shall be made by COMPANY to the DEPARTMENT at the earliest practicable date after completion of work and in any event within six months after completion of work. 16. That if, in the future, it becomes necessary due to highway construction or improvement to adjust or relocate utilities covered in this agreement being relocated at DEPARTMENT expense that are crossing or otherwise occupying highway right of way, the non-betterment cost of same will be that of the DEPARTMENT.

17. That if, at any time, the DEPARTMENT shall require the relocation of or changes in the location of the encroaching facilities covered in this agreement being relocated at COMPANY expense, the COMPANY binds itself, its successors and assigns, to promptly relocate or alter the facilities, in order to conform to the said requirements, without any cost to the DEPARTMENT.

18. That the COMPANY agrees to relinquish their rights in that portion of right of way vacated by their existing facilities now absorbed within DEPARTMENT right of way.

19. Proper temporary and permanent measures shall be used to control erosion and sedimentation in accordance with all local, State and Federal regulations.

20. The COMPANY agrees to comply with the environmental rules and regulations of the State of North Carolina. OBPS agrees to defend, indemnify and hold harmless AGENCY, its directors/officers, trustees, employees, agents, subsidiaries, parent corporations, and affiliates ("AGENCY Indemnitees") from any and all claims, demands, damages, or other financial demands (including, without limitation, reasonable attorneys' fees and expenses) due to any actions or omissions of OBPS, its employees or its agents arising out of, or in connection with, this Agreement, except that OBPS does not agree to indemnify and hold harmless the OBPS Indemnitees.

Any purported assignment without prior written consent from the other party shall be null and void.

9. **NO REQUIREMENT TO REFER.** To the extent that Stark and Fraud and Abuse concerns could be applicable to this Agreement and parties to this transaction, nothing in this Agreement, whether written or oral, nor any consideration in connection therewith, contemplates or requires the referral of any patients, goods, items, facilities, or services by AGENCY to Hospital or to any other entity affiliated in any way with Hospital. This Agreement is not intended to influence the judgment of AGENCY, its directors/trustees, officers, employees, agents, subsidiaries, parent corporations, and/or affiliates in choosing medical specialists or medical facilities appropriate for the proper care and treatment of patients. Neither AGENCY nor its employees or agents shall receive any compensation or remuneration for referrals, if any, to Hospital or any of Hospital’s agents or affiliates.

The parties acknowledge that legislation, regulations, an administrative ruling or other legally binding opinion may be adopted, amended, promulgated or issued which effectively renders this Agreement unlawful, could affect the tax-exempt status of either party or any affiliates thereof, could impose liability or exclusion from participation in the Medicare or Medicaid program or otherwise have a negative impact on either party. In the event of such a change of law which renders a portion of this Agreement unlawful or otherwise would have a negative impact on either of the parties to the Agreement or subject either of them to potential liability or exclusion from participation in the Medicare or Medicaid programs as a result of this Agreement or any of its terms, either party may, by written notice, propose a specific restructuring of this Agreement in order to establish full compliance. If such notice is given and the parties cannot agree with respect to restructuring within thirty (30) days of such notice, then any unlawful or otherwise negative provision potentially subjecting either party to liability or exclusion from participation in Medicare or Medicaid programs shall be deleted from the Agreement in its entirety. If the deletion of any said potentially unlawful or otherwise negative provision renders the overall purpose of the Agreement commercially unreasonable, unconscionable and/or impracticable for either party, then this Agreement shall automatically terminate.

11. **OBRA COMPLIANCE.** The parties agree that upon request they will make their books, documents, and records pertaining to the subject matter of this transaction available to the Secretary of Health and Human Services, the Comptroller General, or their duly authorized representative to the extent required by Section 952 of the Omnibus Budget Reconciliation Act of 1980 and will obtain a similar agreement from any related sub-
contractor whom they engage to perform on their behalf. Contractor further agrees, if required by law, it will retain any such records for at least four years after the end of any work based on this Agreement.

12. **COOPERATION:** In the event of any litigation against either party pertaining to any matter related to the other parties duties under this Agreement, both parties agree to reasonably cooperate with the other during the pendency of the claim or lawsuit including, without limitation, providing the other with all available information concerning the claim or lawsuit and meeting with the other or its representatives prior to giving testimony in connection with such claim or lawsuit, unless such cooperation adversely affects the party or the party is counseled by its attorney not to do so in order to preserve the attorney-client privilege. This Section survives termination of this Agreement.

13. **EQUAL OPPORTUNITY:** Neither party shall discriminate because of race, color, religion, sex, age, national origin, disability, or status as a Vietnam veteran, as defined by applicable law, in the recruitment, selection, training, utilization, promotion, termination or other employment related activities. In addition, each party affirms that it is an equal opportunity employer and shall comply with all applicable federal, state and local laws and regulations and 12086, 12138, 11625, and 12073; the Rehabilitation Act of 1973, as amended; the Vietnam Era Veterans Readjustment Assistance Act of 1975; Civil Rights Act of 1964; Equal Pay Act of 1963; Age Discrimination in Employment Act of 1967; Immigration Reform and Control Act of 1986; Public Law 95-507; the Americans With Disabilities Act; and any additions or amendments thereto.

14. **ANTITRUST LAWS:** The parties intend to comply and believe that this Agreement complies with all federal and state antitrust laws. However, upon at least seven (7) days' written notice, either party may terminate the Agreement for cause upon the occurrence of the commencement by the Department of Justice, Federal Trade Commission or other federal or state regulatory agency or department of a formal or informal investigation or inquiry concerning the legality of this Agreement.

Upon OBPS’S request, AGENCY will promptly deliver to OBPS (or destroy per OBPS specific instruction) all Confidential Information in AGENCY’S possession, without retaining any copy thereof. Upon OBPS’S request, AGENCY shall, in writing, certify compliance with the delivery or destruction request. Upon such a breach, OBPS shall be entitled to preliminary and permanent injunctive relief, specific performance, and any other applicable remedies at law or in equity.

It is understood that pursuant to Section 952 of Public Law 96-499, as a condition for reimbursement for costs incurred under this Agreement, each Party hereby agrees, that they will retain, and make available upon request of the Secretary of the Department of Health and Human Services or the Comptroller General of the United States, or any of their duly authorized representatives, all books, documents and records necessary to verify the nature and extent of the costs of the services provided under this contract, and that such records will be retained and held available by said Party for such inspection until the expiration of four (4) years after the services are furnished, and it will obtain a similar agreement from any subcontractor it engages to perform on its behalf.

15. DEFICIT REDUCTION ACT. To the extent it is required by 42 U.S.C. § 1396a(a)(68), as it relates to the provision of services under this Agreement, each Party adopts and acknowledges having received written policies of the other Party regarding compliance with the federal False Claims Act, 31 U.S.C. §§ 3729-3733, administrative remedies for false claims and statements, 31 U.S.C. Chapter 38, state laws pertaining to civil or criminal penalties for false claims and statements, and whistleblower protections under such federal and state false claims laws, as well as detailed information regarding the other Party’s policies and procedures for detecting and preventing fraud, waste, and abuse.

16. ACCESS TO PERSONS AND RECORDS. North Carolina’s State Auditor and University’s internal auditor shall be provided access to persons and records that are generated as a result of, or are related to, this Agreement for the purposes of verifying accounts and data affecting fees or performance in accordance with N.C. General Statutes § 147-64.7 and 143-49(9)
17. NOTICES. Any notice required or allowed to be given hereunder shall be deemed to have been given when personally delivered, or if mailed, seventy-two (72) hours after deposit of the same in the United States Mail, postage prepaid, Registered or Certified, with Return Receipt Requested and properly addressed to the Parties hereto at the respective addresses set forth below, or at such other addresses as they shall specify by written notice delivered in accordance herewith:

18. RECORDS. The University, its officers, employees and representatives, including University’s physician providing services under this Agreement, shall keep confidential all medical and related records/health information regarding the County’s patients and shall comply with all federal and state laws applicable to said records and health care information. The County shall be responsible for maintaining all medical records relating to services provided to the County’s patients in a confidential manner consistent with applicable federal and state law. At any time during the Term of this Agreement and after termination, University may copy and otherwise have access to such medical records.

19. HIPAA. It is the intent of the Parties to comply with all applicable provisions of the Health Insurance Portability and Accountability Act of 1996, now codified at Title XI, Part C of the Social Security Act, the Health Information Technology for Economic and Clinical Health Act, and all regulations promulgated thereunder (collectively, "HIPAA"), as they may change from time to time. The Parties acknowledge their independent status as “covered entities” under HIPAA and specifically agree to carry out the provisions of this Agreement consistently with applicable HIPAA requirements.

20. RECORD KEEPING. Subject to other provisions in this Agreement, and applicable state and federal law, the County and the University shall provide each other with all documents, reports and other records as are necessary to assure that each Party shall have fiscal information to carry out all of the provisions of this Agreement.
21. **GOVERNING LAW.** This Agreement is made and entered into in the State of North Carolina and shall be governed and construed in accordance with the laws of North Carolina.

22. **ENTIRE AGREEMENT.** This Agreement contains the entire agreement of the Parties concerning the subject matter described herein and there are no other promises or conditions in any other agreement whether oral or written concerning the subject matter described herein. This Agreement supersedes any prior written or oral agreements between the Parties concerning the subject matter described herein. This Agreement may not be modified except by a written amendment properly approved and executed by duly authorized Parties.

23. **ASSIGNABILITY.** This Agreement is personal to each of the Parties hereto, and neither Party may assign nor delegate any of its rights or obligations without first obtaining the written consent of the other Party. Any purported assignment without prior written consent from the other Party shall be null and void. Notwithstanding the foregoing, University may, in its sole discretion, assign this contract to an Associated Entity of the University, specifically including VECU Medical Group, Inc., without approval of County.

24. **NO THIRD PARTY BENEFICIARIES.** This Agreement shall be binding upon and inure to the benefit of the Parties hereto, their successors and permitted assigns. Nothing in this Agreement is intended, nor shall be deemed, to confer any benefits on any third party, including, without limitation any patients of the County, nor shall such person or entity have any right to seek, enforce or recover any right or remedy with respect hereto.

25. **SEVERABILITY.** If any provision of this Agreement shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court finds that any provision of this Agreement is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.

26. **WAIVER OF CONTRACTUAL RIGHT.** The failure of either Party to enforce any provision of this Agreement shall not be construed as a waiver or limitation of that Party’s right to subsequently enforce and compel strict compliance with every provision of this Agreement.

27. **HEADINGS.** The headings to the various sections of this Agreement have been inserted for convenience only and shall not modify, define, limit or expand express provisions of this Agreement.

28. **BINDING AUTHORITY.** Each Party to this Agreement represents to the other that it has the full right, power and authority to enter and perform this Agreement in accordance with
all of the terms and conditions thereof, and that the execution and delivery of this Agreement has been made by authorized representatives of the Parties.

29. COUNTERPARTS. This Agreement may be executed simultaneously in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

30. SIGNATURES. As it is applicable to this Agreement, the Parties agree to and adopt the terms and conditions of the Uniform Electronic Transactions Act (the “Act”), as adopted in North Carolina General Statutes Chapter 66, including but not limited to the provisions governing electronic signatures. As such, this Agreement is “signed” if it includes a digital signature, symbol, and/or action that is adopted or performed by either Party or Party’s Electronic Agent (as defined in the Act) with the present intent to authenticate or manifest assent to the Agreement.

[Signatures on Next Page]
IN WITNESS WHEREOF, the Parties have executed this Agreement in duplicate originals, one of which is to be retained by the County, and one of which is to be retained by the University, effective as of the date of last signature below.

hereby agree as follows:

1. The Auditor shall audit all statements and disclosures required by U.S. generally accepted auditing standards (GAAS) and additional required legal statements and disclosures of all funds and/or divisions of the Governmental Unit(s). The non-major combining, and individual fund statements and schedules shall be subjected to the auditing procedures applied in the audit of the basic financial statements and an opinion shall be rendered in relation to (as applicable) the governmental activities, the business-type activities, the aggregate DPCUs, each major governmental and enterprise fund, and the aggregate remaining fund information (non-major government and enterprise funds, the internal service fund type, and the fiduciary fund types).

2. At a minimum, the Auditor shall conduct his/her audit and render his/her report in accordance with GAAS. The Auditor shall perform the audit in accordance with Government Auditing Standards if required by the State Single Audit Implementation Act, as codified in G.S. 159-34. If required by OMB Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and the State Single Audit Implementation Act, the Auditor shall perform a Single Audit. This audit and all associated audit documentation may be subject to review by Federal and State agencies in accordance with Federal and State laws, including the staffs of the Office of State Auditor (OSA) and the Local Government Commission (LGC). If the audit requires a federal single audit performed under the requirements found in Subpart F of the Uniform Guidance (§200.511), it is recommended that the Auditor and Governmental Unit(s) jointly agree, in advance of the execution of this contract, which party is responsible for submission of the audit and the accompanying data collection form to the Federal Audit Clearinghouse as required under the Uniform Guidance (§200.512).

If the audit and Auditor communication are found in this review to be substandard, the results of the review may be forwarded to the North Carolina State Board of CPA Examiners (NC State Board).

County and Multi-County Health Departments: The Office of State Auditor will require Auditors of these Governmental Units to perform agreed upon procedures (AUPs) on eligibility determination on certain programs. Both Auditor and Governmental Unit agree that Auditor shall complete and report on these AUPs on
eligibility determination as required by OSA and in accordance with the instructions and timeline provided by OSA.

3. If an entity is determined to be a component of another government as defined by the group audit standards, the entity's auditor shall make a good faith effort to comply in a timely manner with the requests of the group auditor in accordance with AU-6 §600.41 - §600.42.

4. This contract contemplates an unmodified opinion being rendered. If during the process of conducting the audit, the Auditor determines that it will not be possible to render an unmodified opinion on the financial statements of the unit, the Auditor shall contact the LGC staff to discuss the circumstances leading to that conclusion as soon as is practical and before the final report is issued. The audit shall include such tests of the accounting records and such other auditing procedures as are considered by the Auditor to be necessary in the circumstances. Any limitations or restrictions in scope which would lead to a qualification should be fully explained in an attachment to this contract.

5. If this audit engagement is subject to the standards for audit as defined in Government Auditing Standards, 2011 revisions, issued by the Comptroller General of the United States, then by accepting this engagement, the Auditor warrants that he/she has met the requirements for a peer review and continuing education as specified in Government Auditing Standards. The Auditor agrees to provide a copy of the most recent peer review report to the Governmental Unit(s) and the Secretary of the LGC prior to the execution of an audit contract. Subsequent submissions of the report are required only upon report expiration or upon auditor’s receipt of an updated peer review report. If the audit firm received a peer review rating other than pass, the Auditor shall not contract with the Governmental Unit(s) without first contacting the Secretary of the LGC for a peer review analysis that may result in additional contractual requirements.

If the audit engagement is not subject to Government Accounting Standards or if financial statements are not prepared in accordance with U.S. generally accepted accounting principles (GAAP) and fail to include all disclosures required by GAAP, the Auditor shall provide an explanation as to why in an attachment to this contract or in an amendment.

6. It is agreed that time is of the essence in this contract. All audits are to be performed and the report of audit submitted to LGC staff within four months of fiscal year end. If it becomes necessary to amend this due date or the audit fee, an amended contract along with a written explanation of the delay shall be submitted to the Secretary of the LGC for approval.

7. It is agreed that GAAS include a review of the Governmental Unit's (Units') systems of internal control and accounting as same relate to accountability of funds and adherence to budget and law requirements applicable thereto; that the Auditor shall make a written report, which may or may not be a part of the written report of audit, to the Governing Board setting forth his/her findings, together with his/her recommendations for improvement. That written report shall include all matters defined as "significant deficiencies and material weaknesses" in AU-C 265 of the AICPA Professional Standards (Clarified). The Auditor shall file a copy of that report with the Secretary of the LGC.

8. All local government and public authority contracts for audit or audit-related work require the approval of the Secretary of the LGC. This includes annual or special audits, agreed upon procedures related to internal controls, bookkeeping or other assistance necessary to prepare the Governmental Unit’s (Units’) records for audit, financial statement preparation, any finance-related investigations, or any other audit-related work in the State of North Carolina. Invoices for services rendered under these contracts shall not be paid by the Governmental Unit(s) until the invoice has been approved by the Secretary of the LGC. (This also includes any progress billings.) [G.S. 159-34 and 115C-447] All invoices for Audit work shall be submitted in PDF format to the Secretary of the LGC for approval. The invoice marked ‘approved’ with approval date shall be returned to
the Auditor to present to the Governmental Unit(s) for payment. Approval is not required on contracts and invoices for system improvements and similar services of a non-auditing nature.

9. In consideration of the satisfactory performance of the provisions of this contract, the Governmental Unit(s) shall pay to the Auditor, upon approval by the Secretary of the LGC, the fee, which includes any costs the Auditor may incur from work paper or peer reviews or any other quality assurance program required by third parties (federal and state grantor and oversight agencies or other organizations) as required under the Federal and State Single Audit Acts. This does not include fees for any pre-issuance reviews that may be required by the NC Association of CPAs (NCACPA) Peer Review Committee or NC State Board of CPA Examiners (see Item 12).

10. If the Governmental Unit(s) has/have outstanding revenue bonds, the Auditor shall submit to LGC staff, either in the notes to the audited financial statements or as a separate report, a calculation demonstrating compliance with the revenue bond rate covenant. Additionally, the Auditor shall submit to LGC staff simultaneously with the Governmental Unit's (Units') audited financial statements any other bond compliance statements or additional reports required by the authorizing bond documents, unless otherwise specified in the bond documents.

11. After completing the audit, the Auditor shall submit to the Governing Board a written report of audit. This report shall include, but not be limited to, the following information: (a) Management's Discussion and Analysis, (b) the financial statements and notes of the Governmental Unit(s) and all of its component units prepared in accordance with GAAP, (c) supplementary information requested by the Governmental Unit(s) or required for full disclosure under the law, and (d) the Auditor's opinion on the material presented. The Auditor shall furnish the required number of copies of the report of audit to the Governing Board upon completion.

12. If the audit firm is required by the NC State Board, the NCACPA Peer Review Committee, or the Secretary of the LGC to have a pre-issuance review of its audit work, there shall be a statement in the engagement letter indicating the pre-issuance review requirement. There also shall be a statement that the Governmental Unit(s) shall not be billed for the pre-issuance review. The pre-issuance review shall be performed prior to the completed audit being submitted to LGC Staff. The pre-issuance review report shall accompany the audit report upon submission to LGC Staff.

13. The Auditor shall submit the report of audit in PDF format to LGC Staff when (or prior to) submitting the final invoice for services rendered. The report of audit, as filed with the Secretary of the LGC, becomes a matter of public record for inspection, review and copy in the offices of the LGC by any interested parties. Any subsequent revisions to these reports shall be sent to the Secretary of the LGC along with an Audit Report Reissued Form (available on the Department of State Treasurer website). These audited financial statements, excluding the Auditors' opinion, may be used in the preparation of official statements for debt offerings by municipal bond rating services to fulfill secondary market disclosure requirements of the Securities and Exchange Commission and for other lawful purposes of the Governmental Unit(s) without requiring consent of the Auditor. If the LGC Staff determines that corrections need to be made to the Governmental Unit's (Units') financial statements, those corrections shall be provided within three business days of notification unless another deadline is agreed to by LGC staff.

If the OSA designates certain programs to be audited as major programs, as discussed in Item 2, a turnaround document and a representation letter addressed to the OSA shall be submitted to LGC Staff.

14. Should circumstances disclosed by the audit call for a more detailed investigation by the Auditor than necessary under ordinary circumstances, the Auditor shall inform the Governing Board in writing of the need for such additional investigation and the additional compensation required therefore. Upon approval by the
Secretary of the LGC, this contract may be modified or amended to include the increased time, compensation, or both as may be agreed upon by the Governing Board and the Auditor.

15. If an approved contract needs to be modified or amended for any reason, the change shall be made in writing, on the Amended LGC-205 contract form and pre-audited if the change includes a change in audit fee (pre-audit requirement does not apply to charter schools). This amended contract shall be completed in full, including a written explanation of the change, signed and dated by all original parties to the contract. It shall then be submitted to the Secretary of the LGC for approval. No change to the audit contract shall be effective unless approved by the Secretary of the LGC, the Governing Board, and the Auditor.

16. A copy of the engagement letter, issued by the Auditor and signed by both the Auditor and the Governmental Unit(s), shall be attached to this contract, and shall be incorporated by reference as if fully set forth herein as part of this contract. In case of conflict between the terms of the engagement letter and the terms of this contract, the terms of this contract shall take precedence. Engagement letter terms that conflict with the contract are deemed to be void unless the conflicting terms of this contract are specifically deleted in Item 26 of this contract. Engagement letters containing indemnification clauses shall not be accepted by LGC Staff.

17. Special provisions should be limited. Please list any special provisions in an attachment.

18. A separate contract should not be made for each division to be audited or report to be submitted. If a DPCU is subject to the audit requirements detailed in the Local Government Budget and Fiscal Control Act and a separate audit report is issued, a separate audit contract is required. If a separate report is not to be issued and the DPCU is included in the primary government audit, the DPCU shall be named along with the parent government on this audit contract. DPCU Board approval date, signatures from the DPCU Board chairman and finance officer also shall be included on this contract.

19. The contract shall be executed, pre-audited (pre-audit requirement does not apply to charter schools), and physically signed by all parties including Governmental Unit(s) and the Auditor, then submitted in PDF format to the Secretary of the LGC.

20. The contract is not valid until it is approved by the Secretary of the LGC. The staff of the LGC shall notify the Governmental Unit and Auditor of contract approval by email. The audit shall not be started before the contract is approved.

21. Retention of Client Records: Auditors are subject to the NC State Board of CPA Examiners' Retention of Client Records Rule 21 NCAC 08N .0305 as it relates to the provision of audit and other attest services, as well as non-attest services. Clients and former clients should be familiar with the requirements of this rule prior to requesting the return of records.

22. This contract may be terminated at any time by mutual consent and agreement of the Governmental Unit(s) and the Auditor, provided that (a) the consent to terminate is in writing and signed by both parties, (b) the parties have agreed on the fee amount which shall be paid to the Auditor (if applicable), and (c) no termination shall be effective until approved in writing by the Secretary of the LGC.

23. The Governmental Unit's (Units') failure or forbearance to enforce, or waiver of, any right or an event of breach or default on one occasion or instance shall not constitute the waiver of such right, breach or default on any subsequent occasion or instance.

24. There are no other agreements between the parties hereto and no other agreements relative hereto that shall be enforceable unless entered into in accordance with the procedure set out herein and approved by the Secretary of the LGC.
25. E-Verify. Auditor shall comply with the requirements of NCGS Chapter 64 Article 2. Further, if Auditor utilizes any subcontractor(s), Auditor shall require such subcontractor(s) to comply with the requirements of NCGS Chapter 64, Article 2.

26. All of the above paragraphs are understood and shall apply to this contract, except the following numbered paragraphs shall be deleted (See Item 16 for clarification).

27. The process for submitting contracts, audit reports and invoices is subject to change. Auditors and units should use the submission process and instructions in effect at the time of submission. Refer to the N.C. Department of State Treasurer website at https://www.nctreasurer.com/slg/Pages/Audit-Forms-and-Resources.aspx.

28. All communications regarding audit contract requests for modification or official approvals will be sent to the email addresses provided on the signature pages that follow.
FEES FOR AUDIT SERVICES

For all non-attest services, the Auditor shall adhere to the independence rules of the AICPA Professional Code of Conduct and Governmental Auditing Standards (as applicable). Bookkeeping and other non-attest services necessary to perform the audit shall be included under this contract. However, bookkeeping assistance shall be limited to the extent that the Auditor is not auditing his or her own work or making management decisions. The Governmental Unit shall designate an individual with the suitable skills, knowledge, and/or experience necessary to oversee the services and accept responsibility for the results of the services. Financial statement preparation assistance shall be deemed a "significant threat" requiring the Auditor to apply safeguards sufficient to reduce the threat to an acceptable level. The Auditor shall maintain written documentation of his or her compliance with these standards in the audit work papers.

Fees may not be included in this contract for work performed on Annual Financial Information Reports (AFIRs), Form 990s, or other services not associated with audit fees and costs. Such fees may be included in the engagement letter, but may not be included in this contract or in any invoices requiring approval of the LGC. See Items 8, 9, and 12 for details on other allowable and excluded fees.

Prior to submission of the completed audited financial report, applicable compliance reports and amended contract (if required) the Auditor may submit invoices for approval for services rendered, not to exceed 75% of the total of the stated fees below. If the current contracted fee is not fixed in total, invoices for services rendered may be approved for up to 75% of the prior year audit fee. Should the 75% cap provided below conflict with the cap calculated by LGC staff based on the prior year audit fee on file with the LGC, the LGC calculation prevails.

20 NCAC 03 .0505: All invoices for services rendered in an audit engagement as defined in 20 NCAC 3 .0503 shall be submitted to the Commission for approval before any payment is made. Payment before approval is a violation of law.

To the Board of Commissioners
Dare County
Manteo, North Carolina

We are pleased to confirm our understanding of the services we are to provide for the Dare County, North Carolina for the year ending June 30, 2019. We will audit the financial statements of the governmental activities, the business-type-activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information, which collectively comprise the entity’s basic financial statements, of the Dare County, North Carolina, as of and for the year ending June 30, 2019. Accounting standards generally accepted in the United States provide for certain required supplementary information (RSI), such as management’s discussion and analysis (MD&A), to accompany the Dare County, North Carolina’s basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the Dare County, North Carolina’s RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1. Management’s discussion and analysis.
2. Letter of Transmittal.
3. Budgetary comparison schedules.
4. GASB required supplementary pension and OPEB reporting.

We have also been engaged to report on supplementary information other than RSI that accompanies the Dare County, North Carolina’s financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America and will provide an opinion on it in relation to the financial statements as a whole:

1. Schedule of expenditures of federal and State awards.
2. Combining and individual fund statements.
3. Statistical data.
Audit Objectives

The objective of our audit is the expression of an opinion as to whether your general purpose financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information when considered in relation to the general purpose financial statements taken as a whole. The objective also includes reporting on:

- Internal control over financial statements and compliance with laws, regulations, and the provisions of contracts or grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with Government Auditing Standards.

- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

The Government Auditing Standards reports on internal control and compliance will each include a paragraph that states that the purpose of the report is solely to describe (1) the scope of testing of internal control over financial reporting and compliance and the result of that testing and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance, and (2) that the report is an integral part of an audit performed in accordance with Government Auditing Standards in considering internal control over financial reporting and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance and will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such an opinion. We will issue written reports upon completion of our Single Audit. Our reports will be addressed the governing Board of Dare County, North Carolina. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter paragraphs. If our opinions are other than unmodified, we will fully discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or to issue a report as a result of this engagement.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the
supplementary information that includes our report thereon or make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that s) you are responsible for presentation of the supplementary information in accordance with GAAP; b) that you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; c) that the methods of measurement or presentation have not changed from those used in the prior period; and d) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining process for tracking the status of audit findings and recommendation. Management is also responsible for identifying for us previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of the letter. This responsibility includes relaying to us corrective actions taken to address significant finding and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing managers’ view on our current findings, conclusions, and recommendation, as well as your planned corrective action, for the report, and for the timing and format for providing that information.

You agree to assume all management responsibilities relating to the financial statements, schedule of expenditures of federal awards, and related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the financial statements, schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the non audit services by designating an individual, preferable from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from errors, fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. Because the determination of abuse is subjective, Government Auditing Standards to not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitation of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and Government Auditing Standards. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform you of any material errors and any fraudulent financial reporting or misappropriation of assets that comes to our attention. We will also inform you of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as an auditor is limited to the period covered by our audit and does not extend to matters that might arise during any later periods for which we are not engaged as auditors.
Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will also require certain written representations from you about your responsibilities for the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures—Internal Controls

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the general purpose financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the general purpose financial statements. Tests of controls relative to the general purpose financial statements are required only if control risk is assessed below the maximum level. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to Government Auditing Standards.

As required by the Uniform Guidance, we will perform tests of controls to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designated to provide assurance on internal control or to identify significant deficiencies. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under professional standards, Government Audit Standards, and the Uniform Guidance.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Dare County North Carolina’s compliance with applicable laws and regulations and the provisions of contracts and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to Government Auditing Standards.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of the applicable procedures described in the OMB Compliance Supplement for the types of compliance requirements that could have a direct and material effect on each of the Dare County, North Carolina’s major programs, if any. The purpose of those procedures will be to express an opinion on the Dare County, North Carolina’s compliance with requirements applicable to major programs in our report on compliance issued pursuant to the Uniform guidance.
Audit Administration, Fees, and Other

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all serviced providers to maintain the confidentiality of your information, and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any invoices selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of and sign the Data Collection Form that summarizes our audit findings. We will provide an original and print-ready master of our reports to the Dare County, North Carolina; however, it is management’s responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors’ reports, and a corrective action plan) along with the Data Collection Form to the designated federal clearinghouse and, if appropriate, to pass-through entities. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditors’ reports or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant agency for audits.

We will provide copies of our reports to The Dare County; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Potter & Company, PA, and constitutes confidential information. However, pursuant to authority granted by law or regulation, we may be requested to make certain audit documentation available to a Cognizant or Oversight Agency for Audit or its designee, a federal agency providing direct or indirect funding, or the U.S. General Accounting Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Potter & Company, PA personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the date the auditors’ report is issued or for any additional period requested by the Cognizant Agency. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the work papers.

Robert W. Taylor, CPA, is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it.

The fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary for other audit procedures not anticipated, procedures of a bookkeeping nature, preparation of schedules

Dare County Board of Commissioners  
P.O. Box 1000  
Manteo, NC 27954  
Attn: Chairman Bob Woodard

Dear Chairman Woodard:

Having served four years - three as chairman - on the Veterans Council Advisory Board I submit my resignation effective March 27, 2019.

This Board has initiated several successful projects during the last four years in following your charge of "helping our county veterans":

We were successful in getting amendments to bylaws for the County and all of the towns therein to allow for hiring preferences for veterans. Our efforts in this as well as our partnerships with the Dare County Transportation and several area non-profits allowed us to identify needy veterans and help them whenever possible. For these efforts we received national recognition as a recipient of a grant from the Bob Woodruff Foundation. Last fall we initiated the first Christmas wreath program to honor veterans interred in our local cemeteries. Again this was achieved through partnerships with the Outer Banks Woman’s Club and local Girl Scout troops.

Thank you for the opportunity to serve and for your support of this organization during my tenure. I am sure it will continue to be responsive to the needs of our vets.

Very truly yours,

John A. Leonard

January 24, 2019

Dear Chairman Woodard:

I hereby submit my resignation from the Dare County Veterans Advisory Council.

I have been privileged and honored with the distinction of serving on the Veterans Advisory Council. While my reasons for resigning are personal, I intend to continue my support of the Council and the Veterans of Dare County as best I can.

I am willing to continue to serve on the Council until a new member is appointed, but fully understand that may not be in the best interest to our Veterans or the Council.

Thank you for opportunity to serve Dare County and our Veterans over the last two plus years.

Respectfully yours,

Russell Laney

Dare County Board of Commissioners
P.O. Box 1000,
Manteo, NC 27954

Dear Commissioners,

Please find enclosed, together with this cover letter and recommendation from fellow council member Marsha Brown, my completed “Application for “Appointment to Dare County Advisory Boards and Committees” for resubmittal to you at this time. As most of you are aware, I am already a sitting member of the DC Veterans Advisory Council, however, my council seat status is due to expire in May of this year due to my having been brought aboard our council to serve out the remaining term of my friend and council predecessor Carl Reiber following his departure from Dare County.

It is my desire to continue making contributions in supporting our county veterans’ needs by continuing to serve on the DC Veterans Advisory Council. For this reason, I approach the Board with my request to extend my council membership for a full three-year full term. Please know that I thank all of you for your considerations in granting my request.

Respectfully,

Steven B. Goodheart
Dear Steve,

In the midst of preparing notes for our next D.C.V.A.C. meeting next Thursday, I couldn't help but remember the first time I met you and the impression both you and your sweet wife Patty made on me.

I noticed immediately your pride, having served the U. S. Coast Guard and it became apparent very quickly how much you cared about all our veterans as well as your obvious interest in serving on our Veterans Advisory Council. Later, after learning Carl Reiber would exit his membership position prematurely in preparation for his pending marriage and extended residency in Georgia, I was like everyone else, sad to see him leave but happy to learn that you had applied for membership and that you were unanimously supported by our sitting Council members. Your background, experience, communication skills and professional nature made you the perfect candidate as a viable replacement for Carl’s seat and after you were officially appointed by our Commissioners, we all celebrated your appointment.

As a fellow member, it's been my great honor and privilege to work beside you and five other veteran members, both men and women. I've appreciated first-hand all of your dedication, not simply by 'affiliation' to the Council but as evidenced in your reliable attendance, focus on topic matter, follow up with tasks and your eagerness to help others. In general, our members embrace opportunities to seek solutions to challenging projects of which you have been a primary example. You've been a great asset Steve and I can only imagine the (your) accomplishments yet to come. Your unwavering desire to expand our veteran outreach and to simply love our vets and their family members is exceptional. Without a doubt, my wonderful husband, Billy, must be so proud in Heaven of all the great things you and all of our fellow Council members have achieved for veterans in Dare County and beyond.

Together our Commissioners and our D.C.V.A. Council 'family' have made a big difference in our veterans lives as they have personally expressed to me countless times. I thank our good Lord for our County leadership supporting not only our Council as they do but also for appointing you as a Council member. I pray that your tenure will be extensive based on your contribution thus far and in the future, it will no doubt be immeasurable.

Thank you,
Marsha M. Brown
