Public Hearing on Proposed Text Amendment to C-3 Commercial Zoning District

Description

Earlier this month the Board scheduled a public hearing on a proposed text amendment submitted by Brent Johnson to amend the C-3 Commercial Zoning district. Mr. Johnson is seeking the addition of commercial storage yards as a permitted use in the C-3 commercial zoning district. A staff memo, draft motion, and finding of consistency are attached.

Board Action Requested

Conduct public hearing and approval of text amendment to the C-3 Commercial Zoning District as recommended by the Planning Board.

Item Presenter

Noah H Gillam, Assistant Planning Director
Earlier this month the Board scheduled a Public Hearing on a zoning text amendment to the C-3 Commercial district submitted by Brent Johnson. The C-3 district applies to portions of Roanoke Island, Avon, and Buxton. Mr. Johnson is seeking the addition of Commercial Storage Yards to the list of uses offered in the areas zoned C-3. The Dare County Zoning Ordinance defines commercial storage yards as follows: An open site that provides space for a fee for the storage of boats and boat trailers; recreational vehicles, travel trailers, and campers; automobiles; utility trailers; contractors’ towable storage trailers, and similar types of vehicles and equipment. This does not include the dry-stack storage of boats. The current permitted uses in the C-3 already allow for uses that are more intensive, including boat engine repair and maintenance and vehicle storage impoundment facilities.

If adopted, the text amendment would apply to all areas zoned C-3 Commercial. Mr. Johnson currently operates a business on a C-3 parcel. The site offers a large fenced in area in rear that would accommodate the commercial storage yard. Mr. Johnson has provided a letter from the owners of the property granting him permission to operate such commercial storage yard provided the text amendment is approved. I have included a copy of the letter for the board’s review.

Staff recommends using language that is currently used in the Skyco Neighborhood Commercial district that allows for Commercial Storage Yards. The following language is recommended:

Permitted Uses:

Commercial storage yards as defined in Section 22-2 provided the following conditions are met:

a. Storage areas shall be enclosed with fencing for security purposes. Such fencing shall be at least 6 feet in height but shall not exceed 10 feet in height. The security fencing shall be maintained as needed by the property owner.

b. A vegetative buffer in addition to the security fencing shall be installed and perpetually maintained where the storage yard abuts a residential zone or a residential use to the side or the rear of the site. The vegetative buffer shall be of a sufficient size and height to effectively buffer the site from the abutting residential zone or residential use. A plan detailing the type, size, and species of vegetation proposed for use as a buffer shall be provided to the Zoning Administrator for review and approval. Existing on-site vegetation may be used if deemed to be sufficient by the Zoning Administrator.

c. There shall be no storage of inoperable or junked vehicles and equipment; unoccupied mobile (manufactured) homes; unattached flatbed trailers or container-type trailers designed for connection to tractor-trailer trucks; or large pieces of equipment used in dredging operations, road construction, and other industrial uses. Any vehicle or trailer stored on the site shall have a valid license plate and/or valid owner registration.
d. No recreational vehicles, travel trailers, or campers stored on the site shall be occupied or used for habitation while stored at the site.

e. All vehicles and equipment stored on the site shall be locked, enclosed or otherwise fashioned to such an extent that it is impossible for a child to obtain access or be entrapped in such vehicle or equipment.

f. There shall be no bulk storage of fuel, paint, or other combustible or hazardous materials at the site.

The commercial development policies from the 2009 Land Use Plan are attached. The Planning Board reviewed this request on September 9, 2019 and voted to recommend favorable action and found the request to be consistent with the Dare County Land Use Plan. However, any zoning amendment request can be denied based on public input even if the request is determined to be consistent with the land use plan. Consistency with land use plans is just one aspect of the review process for zoning amendments.

The property has been posted and adjoining property owners notified of the requested amendment. To date, we have not received any public comments.

Following the close of the public hearing, the Board will be in a position to act on the requested amendment. I have included draft motions for the Board’s consideration:

Motion to adopt: “I move that the C-3 Commercial zoning district text amendment for Brent Johnson be adopted as recommended by the Planning Board. A finding of consistency is also adopted as part of this motion and this consistency statement shall be part of the public record.”

Motion to deny zoning amendment request based on public input: “I move that the C-3 Commercial zoning district text amendment for Brent Johnson not be adopted due to concerns (insert issues identified by public) expressed by the neighborhood about the proposed revision”.

ZONING AMENDMENT CONSISTENCY DETERMINATION

On October 21, 2019, the Dare County Board of Commissioners considered a zoning text amendment application submitted by Brent Johnson. This zoning amendment application seeks to amend the C-3 Commercial district to allow commercial storage yards as a permitted use.

The 2009 Dare County Land Use Plan is the comprehensive plan for unincorporated Dare County adopted by the Dare County Board of Commissioners on December 6, 2010.

A review of the Dare County Land Use Plan found the following policies to be applicable to the zoning text amendment:

*Land Use Compatibility Management Topic*

*Policy # LUC # 5*

*Dare County encourages the continued existence and development of locally-owned businesses in unincorporated Dare County.*

*Implementation Strategy for LUC #5 – Inventory of older existing commercial businesses and consideration of zoning amendment to ensure their replacement or repair in the event of damage from a natural disaster.*

*Policy #LUC 6*

*Policy #LUC6 Commercial development should be designed to meet the needs of Dare County’s unincorporated village and not serve as regional commercial centers. The gross floor area limitations of the Dare County Zoning Ordinance and other applicable land use codes shall be used as a tool to manage the footprint of commercial structures. The goal is to manage the size of commercial structures, which serve as a disincentive for regional commercial centers for location in villages.*

On September 9, 2019 the Dare County Planning Board voted to recommend favorable action on the zoning amendment and found the amendment to be consistent with the 2009 Dare County Land Use Plan.

Based on a review of the Dare county Land Use Plan and the consistency statement of the Planning Board, the Board of Commissioners also finds the proposed C-3 Commercial amendment to be consistent with the 2009 Land Use Plan. The Planning Board and Board of Commissioners acknowledge the intent of the C-3 Commercial district is to provide for the development of commercial facilities to furnish a broad range of services and commodities to serve the entire community. The C-3 Commercial district already permits uses that are similar in nature to the requested amendment and some that are more intensive.

The Dare County Board of Commissioners hereby adopts the C-3 Commercial zoning text amendment submitted by Brent Johnson.

Solid fencing may be required by Dare County as determined during conditional use review of the site based on the existing land uses adjacent to the proposed vehicle storage impoundment facility.

A vegetative buffer in addition to the security fencing shall be installed and perpetually maintained where the storage yard abuts a residential zone or a residential use to the side or rear of the site. The vegetative buffer shall be of a sufficient size and height to effectively buffer the site from the abutting residential zone or residential use. However, any such structure may be externally altered or replaced if such redevelopment activity results in a decrease of its nonconforming status. For the purposes of this section, externally altered shall not be interpreted to prevent painting of the exterior, replacement of exterior materials, or other cosmetic changes or maintenance to the structure or portions thereof. b. A decrease of 10% of the existing lot coverage shall be required for that portion of the commercial group development site on which the structure to be altered or replaced is located.

Land Use Compatibility

Commercial Development

As noted in the previous section, residential development is the preferred pattern of development for unincorporated Dare County. However, some commercial development is necessary to provide goods and services to the local residents and our seasonal visitors. One objective established for commercial development is that such development should reflect the Outer Banks coastal heritage. In the Planning Board discussions of this issue, various alternatives were addressed and it was noted that this objective will be difficult to implement. Most often building design standards are used to establish architectural features, façade, and paint schemes. Reaching a consensus of appropriate building design standards is difficult and often faced with opposition from the business community. The importance of aesthetics as a quality of life issue and our continued appeal to seasonal visitors was stressed by the Planning Board in writing the policies for this topic.

One objective identified for this management topic was to keep commercial development on a neighborhood scale and of a scope that is not designed to attract regional markets. In 2003, the Dare County Board of Commissioners adopted gross floor limitations for the commercial zoning districts in unincorporated areas of the County. The zoning maps for Mann Harbor and Wanchese also included gross floor area limitations. In 2007, a gross floor area limitation was also adopted by the Board of Commissioners for the unzoned areas of Dare County. These gross floor area limitations should assist with the objective of neighborhood commercial development, not commercial development for regional markets.

The Planning Board also noted that the 2003 policy encouraging the continued existence of locally owned businesses should be included in the 2009 update. Many of the locally owned businesses have been in operation for many years, and in some instances, before zoning regulations were adopted by Dare County. Some of the businesses may have been rendered non-conforming with the overlay of zoning regulations. Amendments to the Zoning Ordinance to address the non-conforming status of older, existing businesses should be considered to ensure the replacement or repair of non-conforming commercial structures in support of the policy for locally-owned businesses. The eclectic nature of the businesses in unincorporated Dare County, especially along the Highway 12 corridor on Hatteras Island, is part of the appeal of the Outer Banks. Creating a favorable environment for the business community will assist with the continued success of the small neighborhood shops and stores in existence today.

Another potential tool identified during the LUP update process to implement the County's objectives is amendment of the Zoning Ordinance to limit drive-thru window service at restaurants and food service businesses. Most franchise food service businesses, especially the fast-food industry, rely on drive-thru window service. An amendment to eliminate this option for food service establishments
would provide an additional layer of protection for the unincorporated areas from franchise businesses that often employ unoriginal, generic, or replicated corporate building designs that are inconsistent with the traditional architecture of the Outer Banks. In addition to the incompatibility of these franchise restaurants with existing coastal village atmosphere, there are secondary impacts such as trash, lines of waiting vehicles, and a decrease in the appeal of the neighborhood that accompany these commercial developments.

The first section of the LUP noted that the needs of the permanent population and the seasonal population vary in terms of what commercial services and goods are desired. Many of the commercial businesses in Dare County are solely focused on the provision of souvenirs and tourist-related goods to the visiting population. The proliferation of these tourist-oriented businesses was identified by a vast majority of the respondents to the Citizen Involvement Poll as an important issue of concern. This concern was also voiced at all of the public input workshops held at the beginning of the update process in 2007. Other jurisdictions have adopted building design standards to address concerns about the aesthetics of these tourist-oriented retail operations. Building design standards do not address the profusion of such retail establishments. The legality of targeting one segment of the retail market and how to do so was identified as an implementation strategy by the Planning Board. Although it may prove extremely difficult to craft an ordinance aimed at tourist-related businesses, there was a strong consensus among the Planning Board that such efforts were worthy of study and research.

*Policy LUC #5*

Dare County encourages the continued existence and development of locally-owned businesses in unincorporated Dare County.

**Implementation Strategy:**

1. Inventory of older existing commercial businesses and consideration of zoning amendments to ensure their replacement or repair in the event of damage from a natural disaster. (2011)

*Policy LUC #6*

Commercial development should be designed to meet the needs of Dare County’s unincorporated villages and not to serve as regional commercial centers. The gross floor area limitations of the Dare County Zoning Ordinance and other applicable land use codes shall be used as a tool to manage the footprint of commercial structures. The goal is to manage the size of the commercial structures, which serves as a disincentive for regional commercial centers for location in villages.
Section Two

Policy LUC #7
Commercial businesses, regardless of size, should individualize their sites and building designs to reflect Dare County’s coastal heritage. Adaptations of corporate or franchise designs to reflect our coastal character are encouraged. This is particularly applicable to the food service industry.

Implementation Strategies:
1. Identify amendments to the Dare County Zoning Ordinance and other land use ordinances that may be necessary to implement management objectives for residential and commercial development. This may include the elimination of drive-thru window restaurant service (but not all businesses employing drive-thru window service such as banks and pharmacies) in all commercial and S-1 zonings districts, building design standards for commercial structures, and amendments to Zoning Ordinance and Sign Ordinance as needed for commercial businesses. (2010-2013)
2. Rely on existing dimensional standards of the Dare County Zoning Ordinance for dwelling densities, lot coverage limitations, and commercial gross floor area limitations. These standards should be periodically examined relative to changes in technology for wastewater treatment, improved construction practices, market conditions, and demographic changes. (2011)
3. Study legality of regulations designed to address the proliferation of tourist-oriented retail establishments. (2011)
4. Work with East Lake residents to review zoning alternatives for this area. (2011)

Re-development

The redevelopment of under-utilized land or outdated structures will become more of an issue over the next few years. As the number of vacant tracts diminishes, redevelopment options will be considered by private owners. One factor that influences the redevelopment decision is federal flood regulations. The federal flood regulations require conformance and elevation to current base flood elevations if an older structure is remodeled to exceed 50% of its value. Because of this rule, some owners chose to demolish older structures and simply start again. Dare County encourages redevelopment activities and construction to utilize energy efficient construction methods.

Re-development activities shall be consistent with existing patterns and scale of development although this may prove to be difficult in some of the older subdivisions and neighborhoods that were platted and recorded in the 1970s before the current minimum lot sizes, current building codes, and flood standards.

Policy LUC #8:
Redevelopment of older structures shall be accomplished in a manner that is compatible with current NC building codes and federal flood insurance regulations and conforms with Dare County zoning regulations. Energy efficient construction standards are encouraged.

Michelle Gray, received a 15-year service pin from Cpt. Trey Piland.
ITEM 3 – EMPLOYEE OF THE MONTH – October, 2019
Kelly McPherson, an Administrative Specialist, received the Employee of the Month award from Elizabeth Reilly. Ms. McPherson has served in many County departments since 2008, including the Mailroom and Human Resources and consistently provided excellent administrative support. Most recently she had been working with the Board of Elections, who greatly appreciated her added service to their department.

ITEM 4 – OCEAN GUARDIAN SCHOOL GRANT PRESENTATION
Shannon Ricles, Program Manager for the Ocean Guardian School Program of NOAA’s Monitor National Marine Sanctuary, presented Clay Tiderman, a Cape Hatteras science teacher, and the school’s principal, Beth Rook, with their first Ocean Guardian Grant banner and their second Ocean Guardian Grant for Cape Hatteras Secondary School. The program began ten years ago to help students learn about our oceans and how to become more involved to protect them. Mr. Tiderman proposes with the second grant to continue the recycling program he began last year with a refill station to be installed utilizing some of the grant funds awarded from the Ocean Guardian School Program.

ITEM 5 – PUBLIC COMMENTS
At 9:22 a.m. the Manager outlined the procedure for making public comments in Manteo and via the video link to the Fessenden Center Annex in Buxton. Following is a summary of all citizen remarks, which can be viewed in their entirety in a video on the County website:

The following comments were made in Manteo

1. Michael J. Hurt, owner of Danco Builders, Inc., provided a brief overview of this design-build company. Claiborne Woods, Project Manager, joined him in explaining their disaster relief team efforts and willingness to assist with recent storm damage.

2. Bea Basnight, Chairman of the Board of Education, provided congratulations on behalf of the Dare County Schools to the Board and County for their efforts in supporting the schools, teachers and staff with tremendous financial school assistance, especially at Cape Hatteras Secondary School.

The County Manager closed Public Comments at 9:27 a.m.

ITEM 6 – PUBLIC HEARING – FY2021 NCDOT 5311 & 5310 PROGRAM GRANT APPLICATION (Att. #1)
At 9:27 a.m. the Board held a Public Hearing to receive input concerning this agenda item. The Manager outlined the procedure for making public comments in Manteo and via the video link to the Fessenden Center Annex in Buxton. No one responded to the invitation to address the Board of Commissioners on this issue from Manteo or Buxton. The County Manager closed the Public Hearing at 9:28 a.m.

MOTION
Commissioner House motioned to adopt the Public Transportation Program Resolution for the FY 2021 NCDOT 5311 & 5310 Program Grant Application.
Commissioner Tobin seconded the motion.
VOTE: AYES unanimous

Dare County Board of Commissioners – October 7, 2019
ITEM 7 – PRELIMINARY ASSESSMENT RESOLUTION – LESLIE LANE, AVON, NC  
(Att. #2)
Pat Irwin, Director of Public Works, presented the Leslie Lane water extension project cost estimates. It is the intention of the Dare County Board of Commissioners to undertake the construction of a water supply and distribution system supply water to certain properties on Leslie Lane located in Avon. A Public Hearing would be scheduled for November 4, 2019 and later a Final Assessment Resolution with more defined project costs would be presented to the Board. The County Manager explained, though not required, the plan had been designed with a seven-year payment option for property owners, as this had been provided in past projects.

MOTION
Commissioner Bateman and Couch motioned to approve the Preliminary Assessment Resolution for Leslie Lane and schedule a Public Hearing on November 4, 2019. Commissioner House seconded the motion.
VOTE: AYES unanimous

ITEM 8 – TEXT AMENDMENT TO THE C-3 ZONING DISTRICT
Noah Gillam, Asst. Planning Director, presented the staff report which outlined Brent Johnson’s petition to request an amendment to the C-3 Zoning District to allow for commercial storage yards as a permitted use. The C-3 Zoning District applies to portions of Roanoke Island, Avon and Buxton. Mr. Gillam explained commercial storage yards were currently defined as “space for a fee for the storage of boats and boat trailers; recreational vehicles, travel trailers, and campers; automobiles; utility trailers; contractors’ towable storage trailers, and similar types of vehicles and equipment. This does not include the dry-stack storage of boats.” The Planning Board reviewed the amendment request, found the proposed text amendment consistent with the 2009 Dare County Land Use Plan and recommended a Public Hearing be scheduled for October 21, 2019 at 5:30 p.m.

MOTION
Commissioner House and Vice Chairman Overman motioned to approve the scheduling of a Public Hearing on October 21, 2019 at 5:30 p.m. Commissioner Ross seconded the motion.
VOTE: AYES unanimous

ITEM 9 – LEGALLY BINDING AUTHORITY REQUEST WITH APPLE, INC.
Mr. Outten advised while platforms and other applications for County phones were to be built using Apple programs, it would be required to authorize a County representative to sign contracts and communicate developments. As these applications would be developed through Apple, he felt it would be more streamlined and efficient for Matthew Hester, as Dare County’s IT Director, to have the authority to sign and communicate directly with Apple, Inc. during the development of the applications.

MOTION
Commissioner House motioned to approve the legal binding authority of Matt Hester, IT Director, to enter into an agreement with Apple, Inc. for the development of applications. Commissioner Bateman seconded the motion.
VOTE: AYES unanimous
ITEM 10 – ADDITIONAL FUNDING REQUIREMENTS SOUTH FERRY CHANNEL DREDGE EVENT OCTOBER 2019

Mr. Outten provided a review of the dredging of South Ferry Channel and noted the channel was typically dredged in spring and fall each year. Currently the channel was reported to have held up remarkably well but needed work around the edges. Based on the State’s MOA, Dare County provides one quarter of the funds for the project and the balance of $49,785.000 requested would bring the total of the County’s contributions to $136,710.00. It was anticipated the dredging would begin early to late November, 2019.

MOTION
Commissioner Tobin motioned to approve the additional funding for the South Ferry Channel dredge event in October, 2019 at a total amount of $49,785.00.
Vice Chairman Overman and Commissioner House seconded the motion.
VOTE: AYES unanimous

ITEM 11 – INTERGOVERNMENTAL GROUND LEASE AGREEMENT BETWEEN COUNTY OF DARE AND TOWN OF MANTEO

Mr. Outten presented the Ground Lease Agreement for lease of 217 Budleigh Street, 200 Ananias Dare Street and 204 Ananias Dare Street for the purpose of a “Town Commons” consisting of open space/green space, public parking, and other public recreational facilities. The demolition work was almost completed. As the Town of Manteo was interested in applying for grant funding, the current drafted ground lease would need to be modified to a twenty-five year term. Should Dare County have a future need and use for the property, the County would reimburse the Town of any unused grant funds. As parking was of prime importance, several configurations for additional parking had been considered. Vice Chairman Overman suggested at least sixty-five parking spaces be incorporated into their project footprint. The Board discussed and agreed the parking issue should be addressed in the ground lease with a target of sixty-five spaces as they design the green space.

MOTION
Vice Chairman Overman motioned to approve the Ground Lease Agreement with the stipulation of a desired minimum of sixty-five parking spaces, a twenty-five year term and any other review changes the County Manager deemed necessary, together with authorization for the County Manager to sign the final agreement.
Commissioner Bateman seconded the motion.
VOTE: AYES unanimous

ITEM 12 – CHANGES TO THE 2020 CAPITAL IMPROVEMENTS PLAN FOR THE COLLEGE OF THE ALBEMARLE BUILDING AND FOR THE ANIMAL SHELTER

Mr. Outten advised only AR Chesson had provided a response for qualifications as Construction Manager at Risk for the Dept. of Health and Human Services remodeling and expansion project. Rather than delay the project by soliciting for responses again, the CIPC recommended approval of AR Chesson, as past experiences with the company had been favorable.

MOTION
Commissioner Ross motioned to approve AR Chesson as the Construction Manager at Risk for the Dare County Health and Human Services project.
Commissioner Couch seconded the motion.
VOTE: AYES unanimous

Dare County Board of Commissioners – October 7, 2019
Mr. Outten provided an update on the Animal Shelter project and identified the design phase was approximately 65% complete. The contractor had solicited bid estimates throughout North Carolina, Virginia and locally. With $3 million set aside for the project, the estimates were higher than anticipated, due to the unique construction factors and guidelines required with construction of animal shelters. Currently the bid estimates reflected the project could cost approximately $4.5 million. CIPC had reviewed other animal shelter project costs, the contractor would continue with value engineering to further reduce some cost estimates, and when the bids were reviewed for truer costs, the CIPC would make a recommendation to the Board. The Capital Improvements Fund, created through the recent budget cycle, was noted to have the funds for this project. No action taken at this time.

Mr. Outten recapped the COA project, designed to provide Dare County’s graduates an opportunity to earn their academic degrees and/or to provide training in trade skills without their leaving Dare County. He further explained the COA Task Force began the groundwork. There had been multiple public and COA input meetings coupled with meetings with the COA staff and architect to ensure the planned project could provide the space and programs envisioned. Originally it had been proposed 26,000 square feet would be ample space for the project, as this was the size of the Twiford Campus. Further discussions of the project had disclosed the actual need would be 36,000 square feet in order to provide what the community desired in the project’s offerings. This would not include any renovation to the Professional Arts Building, which would need some work after the new building was completed. Mr. Outten advised the Capital Improvement Plan had the funds available without impact on the tax rate and without change to other CIP programs. The consultant, Kennon Briggs, reviewed the proposed plan and had confirmed the additional square footage was in line with the proposed program space. The CIPC recommended the increase in square footage and limit the cost to $14 million inclusive of the work to the Professional Arts Building.

Commissioner Bateman asked if the curriculum for the trades had been narrowed and whether culinary arts would be included. Mr. Outten offered there had been much discussion on curriculum offerings and how they would change to allow for a flex use of the proposed classrooms. Originally the plan had two labs with one for chemistry and biology; however, now they proposed one lab to accommodate both through scheduling arrangements.

**MOTION**
Vice Chairman Overman motioned to approve the COA project with up to 36,500 sq. ft. and a $14 million cap, inclusive of the work to be done in the existing Professional Arts building. Commissioner Bateman seconded the motion.
VOTE: AYES unanimous

ITEM 15 – COMMISSIONERS’ BUSINESS & MANAGER’S/ATTORNEY’S BUSINESS
Commissioners and the County Manager frequently make extensive remarks, which may be viewed in their entirety in a video on the Dare County website. Following is a brief summary outline of the items mentioned by Commissioners during this segment:

Commissioner Bateman
Reported Ocracoke was still working through the damages left by Hurricane Dorian. Sewage and septic systems were compromised; bacteria and mold would be a problem for a long time; and many residents had no insurance and were left without homes, vehicles and many had lost their jobs. The long-range problem would be the budgetary issues due to these losses. He added Dare County, though hit by the storm, was blessed.

Commissioner Couch
He agreed with Commissioner Bateman and added Dare County’s emergency staff did a great job during and after the storm. Hatteras, like many area towns, was tight knit, grateful for the numerous volunteers and groups who had offered assistance and goods. The debris removal team had been working thirteen hours a day, seven days a week, and progress was being made on cleaning out. Data is being compiled to glean some valuable lessons from the early responses made after the storm.

Commissioner Tobin
He noted the draft permit had been returned by the Corps of Engineers. Jensen Maritime is only a few weeks away from final plans on the dredge so requests for proposals could be sent out in the next month or two.
He provided an update on the Wanchese Channel dredging project and explained it had been determined the area which needed to be dredged was a shell fish restricted zone. The material could not be taken to a location where shellfish are harvested. It may be necessary to bring in a small pipeline dredge and pump material on the storage area near the channel. He visited Hatteras and reported the clean-up crew was doing a great job as he saw only a few piles of debris along with white goods, propane bottles and tires.

Dare County Board of Commissioners – October 7, 2019
**Commissioner Ross**
Reminded everyone there would be a State of the Region Legislative Update on November 14, 2019, at 8:00 a.m., at the Hilton Garden Inn in Kitty Hawk with information provided by Senator Bobby Hanig and Senator Bob Steinburg.

**Commissioner House**
The Annual Jeep Jamboree had been celebrated with approximately 3,000 people attending. The event had raised money for local charities.

He mentioned October was Domestic Violence Prevention Month and he had attended a Pitt County fund raiser for domestic violence victims with more than $20,000 having been raised. October was also Breast Cancer Awareness Month.

Today in history marked when Henry Ford had implemented the first moving assembly line in 1913 which reduced the production time of the Model T to approximately 93 minutes.

**Commissioner Overman**
He congratulated the Dare Center on celebrating their tenth anniversary, both Michelle Gray for her fifteen years of service and the Employee of the Month, Kelly McPherson.

He recognized Cape Hatteras Secondary School for receiving their Ocean Guardian Banner and the award of their second grant.

Commissioner Overman also offered appreciation and thanks to all those involved in the recent discussions regarding the Department of Health and Human Services project, and both the COA and Animal Shelter projects.

**MANAGER’S/ATTORNEY’S BUSINESS**
Mr. Outten reminded the Board that in past storms building permit fees had been waived and recommended the formal authorization of building permit waivers for property owners who experienced damages due to Hurricane Dorian.

**MOTION:**
Commissioner House motioned to approve the waiver of Hurricane Dorian related building permit fees.
Commissioner Couch seconded the motion.
VOTE: AYES unanimous

Mr. Outten presented the Resolution for the designation of David Clawson, as primary agent and Sandy West, as secondary agent, to execute and file applications for federal and/or state assistance on behalf of Dare County in regards to storm recovery through grant agreements. The resolution would also designate Mr. Clawson as Primary Agent and Ms. West as Secondary Agent to execute the applicable Disaster Assistant Agreements, as may be required in any disaster assistance.

**MOTION:**
Commissioner House motioned to designate Dave Clawson and Sandy West as primary and secondary agents as stated in the resolution presented.
Seconded by Vice Chairman Overman and Commissioner Bateman
VOTE: AYES unanimous

Mr. Outten announced the successful completion of all requirements by Dorothy Hester to earn the designation of Master Public Information Officer (MPIO). The Board congratulated her on this achievement.

Dare County Board of Commissioners – October 7, 2019
**Dorothy Hester** commented the research paper on flooding she had completed as part of the MPIO course requirement had been useful and applicable during Hurricane Dorian. She announced the County’s Health & Human Services Department would be taking applications for sponsors and recipients of the Thanksgiving Basket Program during October. Additional information could be found on the County’s website in order to donate money, basket items or to apply as a recipient of a basket.

**Dave Clawson** advised there would be the first applicant briefing for Dorian this week with FEMA and NC Management. November 7 would be the first inter-agency meeting.

**ITEM 16 - CLOSED SESSION:**
The Manager asked for a Closed Session pursuant to NCGS 143-318.11(a)(3) to consult with an attorney employed or retained by the County in order to preserve the attorney-client privilege with regard to the Opioid Litigation; and to approve the minutes of the last Closed Session.

**MOTION**
Commissioner Tobin motioned to go into Closed Session pursuant to the provisions of the North Carolina General Statutes cited by the County Manager.
Commissioner House seconded the motion.
VOTE: AYES unanimous

At 10:33 a.m. the Commissioners exited the room to meet in Closed Session. They reconvened at 11:07 a.m. and Mr. Outten reported that during the Closed Session the Board approved previous Closed Session Minutes and gave the County Attorney guidance with regard to the Opioid Litigation matter.

At the conclusion of the meeting, Chairman Woodard asked for a motion to adjourn.

**MOTION**
Commissioner House motioned to adjourn the meeting.
Commissioner Bateman seconded the motion.
VOTE: AYES unanimous

At 11:12 a.m., the Board of Commissioners adjourned until 5:00 p.m., October 21, 2019.

Respectfully submitted,

*Changing provider to OpenEdge. Tyler Technologies and OpenEdge have a software partnership for integrated payment solutions across multiple Tyler products that the County currently utilizes.

**eCheck has been requested by Tax to encourage the payment of occupancy taxes online. Occupancy tax payments are often very large amounts so the 2.75% fee is not reasonable. Echeck fees will be charged per transaction regardless of payment amount.

A list of additional fees/rates can be found on pages 2 and 4 of this Card Services Agreement contract under the headings "Other Fees" and "Association Fees and Assessments."

The foregoing discount rate, per item and authorization fees are based upon Merchant's complying with all processing requirements as established by the applicable governing authority of the payment type which qualifies Merchant for the most favorable interchange rates available for such payment type. Transactions that do not qualify for the most favorable interchange rates will be subject to the surcharges up to 3.00% in addition to the rate quoted. See “Other Fees” section of this Card Services Agreement and Section 34 of the Card Services Terms and Conditions for more information regarding non-qualifying surcharges. Discount rates and other percentage fees are calculated by multiplying the rates or fees and the Merchant's applicable transaction volume. Per item and per authorization fees are calculated per transaction or authorization, as applicable. See Section 13 of the Card Services Terms and Conditions for information regarding the early termination fee. In addition to the per item fee, all Debit Transactions include fees assessed by the applicable network organization.

A list of additional fees/rates can be found on pages 2 and 4 of this Card Services Agreement contract under the headings "Other Fees" and "Association Fees and Assessments.*"

The foregoing discount rate, per item and authorization fees are based upon Merchant's complying with all processing requirements as established by the applicable governing authority of the payment type which qualifies Merchant for the most favorable interchange rates available for such payment type. Transactions that do not qualify for the most favorable interchange rates will be subject to the surcharges up to 3.00% in addition to the rate quoted. See "Other Fees" section of this Card Services Agreement and Section 34 of the Card Services Terms and Conditions for more information regarding non-qualifying surcharges. Discount rates and other percentage fees are calculated by multiplying the rates or fees and the Merchant's applicable transaction volume. Per item and per authorization fees are calculated per transaction or authorization, as applicable. See Section 13 of the Card Services Terms and Conditions for information regarding the early termination fee. In addition to the per item fee, all Debit Transactions include fees assessed by the applicable network organization.

Merchant and Global Direct agree that the rights and obligations contained in these Card Services Terms and Conditions do not apply to the Member with respect to American Express, Discover and PayPal transactions and Switched Transactions (as defined below). To the extent Merchant accepts Discover cards, the provisions in this Agreement with respect to Discover apply if Merchant does not have a separate agreement with Discover. In such case, Merchant will also be enabled to accept JCB, China Union Pay, Diner’s Club and, for card present transactions, PayPal cards under the Discover network and such transactions will be processed as Switched Transactions. To the extent Merchant accepts Discover cards and has a separate agreement with Discover, Discover and PayPal card transactions shall be processed as Switched Transactions (as defined below). If the Merchant's account does not contain sufficient funds for the debit or the amount prepaid by Global Direct, Merchant shall pay Global Direct the amount due within ten (10) days of the date of Global Direct's invoice for same. The payment as described here is not a penalty, but rather is hereby agreed by the parties to be a reasonable amount of liquidated damages to compensate Global Direct for its termination expenses and all other damages under the circumstances in which such amounts would be payable. Such amount(s) shall not be in lieu of but in addition to any payment obligations for Services already provided hereunder (or that Global Direct may continue to provide), which shall be an additional cost, and any and all other damages to which Global Direct may be entitled hereunder. Any funds in the Reserve Account may be held until the later of (a) the expiration of any applicable chargeback period of purchased indebtedness under the Reserve Account and or network organizations and (b) the period necessary to secure the performance of Merchant's obligations under this Card Services Agreement, which holding period may extend beyond termination of this Card Services Agreement. Merchant will not receive any interest on funds being held in the Reserve Account. 34. SURCHARGES/OTHER FEES.

Merchant pricing appears in the Card Services Fee Schedule of the Merchant Application. T&E merchants (airline, car rental, cruise line, fast food, lodging, restaurant, transportation) may have separate rates quoted for consumer and commercial (business) transactions. Transactions that do not clear as priced are subject to surcharges (as outlined in Merchant Application) that are billed back to you on your monthly statement. The most predominant market sectors and transactions types for surcharges appear below, however, such sectors and transaction types are not comprehensive and are subject to change. Most surcharges can be avoided by using a product that supports authorization and market data requirements established by the card associations and that are subject to change from time to time.

Some surcharges occur on specific types of cards (including without limitation Visa Rewards Card, Visa Signature Card, Visa Signature Preferred Card, Visa Infinite Card, MasterCard Rewards Card, MasterCard World Card, MasterCard World Elite Card, Discover Rewards Card, Discover Premium Card, Discover Premium Plus Card, and "foreign" cards issued outside the United States). Unless your Card Services Fee Schedule specifically addresses commercial cards (i.e., Business Cards, Corporate Cards, Fleet Cards, GSA Cards, Purchase Cards), you will be billed back for the higher cost of acceptance of commercial cards, unless you are primarily a business-to-business supplier with corresponding pricing based on acceptance of commercial cards. The card associations require that information from the original authorization, including a lifecycle identifier, be retained and returned with subsequent authorizations and/or the settled transaction data. The card associations validate this information as part of the clearing and settlement process. If authorization data is not retained and returned, then the transaction will be rejected and you will receive the following message: "Authorization data not returned." Concerning surcharging and to view marketed data, you may wish to check the Global Direct website (www.globalpaymentsinc.com) for best practices information and to license Global Access (divantage (GA@)) or Business View for transaction detail review.

The items listed in this Section 34 are not and are not intended to be a comprehensive list of all instances in which surcharges may apply. Surcharges may apply in additional situations. All surcharges may include additional fees assessed by the applicable card association and Member or Global Direct.

In addition, Merchant may be assessed additional fees which will be in addition to the fees stated on the Merchant Application, including the following:

- Merchant will also be assessed (a) Cross-Border fees and a U.S. Acquirer Support fee for international MasterCard and Maestro transactions.
- Merchant will also be assessed a PCI DSS Compliance fee, which will appear as a separate item on Merchant's monthly statement. This fee is assessed by Member and Global Direct in connection with Member and Global Direct's efforts to comply with the PCI Data Security Standard and does not ensure Merchant's compliance with the PCI Data Security Standard or any law, rule or regulation related to cardholder data security. The payment of such fee shall not relieve Merchant of its responsibility to comply with all rules and regulations related to cardholder data security, including without limitation the PCI Data Security Standard. Merchant may also be assessed a PCI DSS Non-Compliance fee if they are using a PA DSS Validated payment application.
- Merchant will also be assessed the following fees on or related to Visa transactions: the Visa Misuse of Authorization System fee, which will be assessed on authorizations that are approved but never settled with the Merchant's daily batch, the Visa Zero Floor Limit Fee, which will be assessed on settled transactions that were not authorized, the Visa Zero Dollar Verification fee, which will be assessed on transactions where Merchant requested response without an authorization, the Visa Transaction Integrity fee, which will be assessed on Visa signature debit and prepaid transactions that fail to meet processing and transaction standards defined by Visa, and a monthly fee based on the number of card present Merchant locations by Merchant taxpayer identification number and/or all Visa volume processed by a Merchant's taxpayer identification number. Merchant will also be assessed a MasterCard and CVC2 Transaction fee and the MasterCard Misuse of Authorization System fee, which will be assessed on authorizations that are approved but never settled with the Merchant's daily batch or not properly reversed within 120 days, and an acceptance and licensing fee that will be applied to the Merchant's
total U.S. MasterCard sales volume. These fees will be displayed as separate items on Merchant’s monthly statement, provided that the acceptance and licensing fee may be included with Merchant’s MasterCard assessment fees, and may include fees assessed by both the applicable card association and Member or Global Direct.

OpenEdge Check Services Agreement

As set forth in the attached Merchant Application, this OpenEdge Check Services Agreement (“Agreement”) governs Merchant’s use of OpenEdge Payments LLC’s (“OpenEdge”) OpenEdge Check services. By submitting a Merchant Application, in the form acceptable to OpenEdge, or by using or attempting to use the OpenEdge Check services, Merchant acknowledges its receipt of this Agreement and agrees to be bound by these terms. Capitalized terms are defined on Exhibit A attached to this Agreement.

I. OpenEdge Responsibilities

1.1 The Services. OpenEdge, in conjunction with its Professional Service Providers, will make available to Merchant the following Services:

A. Accelerated Intelligent Routing. OpenEdge will utilize its Intelligent Routing Services in processing Merchant’s check-present transactions. Intelligent Routing Services will first attempt to route the transaction using the ACH Services, and if that fails, OpenEdge will then attempt to route the transaction using the Check21 Services (“Routing Services”) providing that an image of the check is presented for processing.

B. ACH Services. OpenEdge will process and settle the ACH transactions presented by Merchant as the originator, including, but not limited to: (i) processing checks via ACH (categorized as POP, ARC, BOC, TEL, WEB, PPD, and CCD under the NACHA Rules; (iv) customer activation and approval, (v) security and recovery; (vi) customer and other “back office” services; (vii) check return services; and (viii) transmission of files to the ODFI. OpenEdge will provide Merchant with Software which provides the capability to process recurring transactions for WEB, PPD and CCD transaction types. Collectively, the above are referred to as “ACH Services”.

C. Check21. OpenEdge will deliver to Merchant Software which provides the capability to interface with hardware that scans checks and associated paper-remittances to: (i) create an electronic image of the front and back of the check and any associated paper remittance items; (ii) provide the ability to validate the CAR/LAR payment amount and other information on the items; (iii) create an account receivable interface output file; (iv) create a transmission file that will ultimately be converted into ACH and/or x9 file format or its successors, and transmit such file to the ODFI; (v) create image archives of all items scanned; (vi) provide intranet and internet-based archive access; and (vii) provide a web-based gateway portal that allows for other capabilities such as electronic checks (collectively, “Check21 Services”).

D. Check Verification. OpenEdge will match checks provided by Merchant’s customers to the customer’s checking account and compare the account to a database of accounts that have a history of returns (“Check Verification Services”).

1.2 Software and Support. “Software” means software used in connection with the Services to enable remote capture, deposits and check verification through the ACH and other methods. OpenEdge will make available to Merchant an adequate amount of initial materials and supplies necessary for Merchant to complete initial customer transactions. OpenEdge Payments LLC will train Merchant on the procedures and rules applicable to the Services and the operation of appropriate terminals. OpenEdge will receive and respond to Merchant’s inquiries regarding the Services via E-mail and telephone. Merchant may obtain support by using the appropriate number(s) and E-mail addresses found at www.openedgepayment.com/en/support.
1.3 Merchant Data. OpenEdge will provide the Professional Service Providers with information about Merchant (“Merchant Data”) in order to enable Merchant to access the Services. Merchant authorizes OpenEdge to provide the data derived pursuant to Merchant’s use of the Services and Merchant Data to Professional Service Providers.

1.4 Optional Additional Service. From time to time, OpenEdge may make available to Merchant additional services and any such services accepted by Merchant shall be described in addenda to this Agreement reflecting the details of and any Fees associated with such service.

1.5 Disclaimer of Warranties. OpenEdge does not make, and hereby expressly disclaims, any express or implied warranties or conditions with respect to the Software, its intellectual property or the Services, or any authorization provided under this Agreement, including but not limited to the implied warranties of merchantability, suitability, satisfactory quality, non-infringement, or fitness for a particular purpose. Further, OpenEdge does not warrant: (A) the Software will be error-free or uninterrupted; (B) the Software will be compatible with any hardware except the hardware supplied by or otherwise approved by OpenEdge; or (C) the Software will integrate with any other computer system. All Services and deliverables described in this Agreement are on an “as is” basis.

II. Merchant Responsibilities

2.1 Hardware and Software. Merchant will provide and maintain all computer hardware, peripherals, device drivers, third party operating systems, and other third party software which may be required to operate the software and/or receive the Services. Merchant will ensure the compatibility of Merchant’s computer hardware, peripherals, device drivers, third party operating systems, and other third party software with the Software. Merchant will provide a safe and suitable location for installation, use, and operation of the Software in accordance with any instructions that may be reasonably specified by OpenEdge. Merchant will be responsible for distributing, maintaining and protecting login usernames and passwords provided to Merchant’s employees, contractors and agents, and will be liable for such individuals’ misuse.

2.2 Cooperation. Merchant will cooperate with OpenEdge by providing access to Merchant’s information, resources and personnel as reasonably requested. OpenEdge shall have the right from time to time, upon reasonable prior notice, to review Merchant’s use of the Software to verify compliance with this Agreement. Merchant shall allow OpenEdge to perform a site survey at Merchant’s location within 5 days of its request. Merchant will provide OpenEdge financial statements and other financial information as requested from time to time. If requested, Merchant will furnish to OpenEdge upon request a financial statement of profit and loss for the fiscal year and a balance sheet as of the end of the fiscal year.

2.3 Software Restrictions. Title, copyright, intellectual property rights and distribution rights of the Software remain exclusively with OpenEdge. Merchant will not use the Software except as specifically provided in this Agreement. Merchant shall not copy, decompile, disassemble or otherwise reverse-engineer or reproduce, or knowingly allow others, including without limitation, customers, resellers or others, to perform such reverse-engineering of the Software.

2.4 Representations and Warranties. Merchant represents and warrants to OpenEdge that: (A) Merchant is (i) a legal resident of the United States of America of at least 18 years of age, or (ii) a corporation or a limited liability company authorized, validly existing and in good standing under the laws of the United States and the State set forth on the Merchant Application; (B) Merchant has full authority and corporate power to enter into this Agreement and to perform the obligations of this Agreement; (C) Merchant’s performance of the terms of this Agreement will not violate any applicable law or regulation or any agreement to which Merchant may now or hereafter be bound; (D) this Agreement represents a valid obligation of Merchant and is fully enforceable against
Merchant; and (E) Merchant will comply with the terms of this Agreement. Further, Merchant will be responsible for complying with all applicable federal and state laws and regulations relating to transactions with Merchant’s customers and this Agreement. All transactions submitted to OpenEdge will be for bona fide transactions with Merchant’s customers.

2.5 Compliance With Laws. Merchant agrees to comply with all policies and procedures provided by OpenEdge, all payment network rules and regulations and all applicable state, federal and local laws, rules and regulations, as amended from time to time. Merchant will assist OpenEdge in complying with all laws which are applicable to any transaction or this Agreement. Merchant will execute and deliver to OpenEdge all instruments OpenEdge may from time to time reasonably deem necessary. Merchant understands that Merchant may not rely on, and OpenEdge will not be liable for, any advice OpenEdge may provide to Merchant about compliance with various laws.

2.6 Returns. Merchant is fully liable for all transactions returned for whatever reason. Merchant will pay on demand the value of all Returns and Chargebacks. Merchant authorizes OpenEdge to recoup from incoming transactions and to debit Merchant’s Bank Settlement Account and the Reserve Account for the amount of all Returns and Chargebacks.

2.7 Merchant Application. Merchant represents and warrants to OpenEdge that all information in the Merchant Application is correct and complete. Merchant must notify OpenEdge in writing of any changes to the information in the Merchant Application, including but not limited to: any additional location or new business (the identity of principals and/or owners, the form of business organization (i.e., sole proprietorship, partnership, etc.), type of goods and services provided and how sales are completed (i.e. by telephone, mail, or in person at Merchant’s place of business). OpenEdge must receive the notice within 10 business days of the change. Merchant will provide other updated information to OpenEdge within a reasonable time upon request. Merchant is liable to OpenEdge for all losses and expenses OpenEdge incur arising out of Merchant’s failure to report changes to OpenEdge. OpenEdge may immediately terminate this Agreement upon notification by Merchant of a change to the information in the Merchant Application.

2.8 Exclusivity. During the Term of this Agreement, Merchant will not enter into an agreement with any other entity that provides services similar to the Services without OpenEdge’s written consent.

2.9 Authorizations. Merchant authorizes OpenEdge to audit Merchant’s records, systems, processes or procedures to confirm compliance with this Agreement. Merchant will obtain, and will submit a copy of, an audit of Merchant’s business when requested by OpenEdge. Merchant authorizes OpenEdge to make any credit inquiries OpenEdge consider necessary to review the acceptance and continuation of this Agreement. Merchant also authorizes any person or credit reporting agency to compile information to answer those credit inquiries and to furnish that information to OpenEdge.

2.10 Third Party Services. Merchant may be using special services or software provided by a third party to assist Merchant in providing the Services, including, but not limited to, authorizations and settlements, or accounting functions. Merchant is responsible for ensuring compliance with the requirements of any third party in using their products. This includes making sure Merchant has and comply with any Software and Updates (defined below). OpenEdge has no responsibility for any transaction until that point in time OpenEdge receives data about the transaction.

III. Fees, Settlement, Security Interest and Recoupment

3.1 Authorization. Merchant authorizes OpenEdge to present ACH debits and credits to Merchant’s Settlement Account in the amount of fees and other payments due by Merchant under the Agreement. Merchant agrees to be bound by the terms of the
operating rules of NACHA, as amended from time to time. This ACH authorization will remain in effect after termination of this Agreement, and until such time as OpenEdge has received written notice terminating this authorization and all Merchant’s obligations to OpenEdge have been paid in full. Merchant is solely liable for all fees and charges assessed by its financial institution, including all overdraft and NSF charges, and Merchant irrevocably releases OpenEdge and holds OpenEdge harmless from the same fees and charges, regardless of cause. OpenEdge is not liable for any delays in receipt of funds or errors in debit and credit entries caused by unaffiliated third parties including but not limited to a clearing house or Merchant’s financial institution.

3.2 Fees. Merchant will pay OpenEdge fees (“Fees”) for the Services and equipment in accordance with the rates set forth on Exhibit B. OpenEdge reserves the right to adjust the Fees at any time. Merchant’s continued use of the applicable Services beyond the effective date of the price change will be deemed Merchant’s consent to such price change. Merchant will also pay all taxes and other charges imposed by any governmental authority on the Services.

3.3 Other Amounts Owed. Merchant will immediately pay to OpenEdge any amount incurred by OpenEdge attributable to this Agreement including but not limited to returns, unauthorized Returns, Chargebacks, non-sufficient fund fees, and ACH debits that overdraw the Settlement Account, Reserve Account (defined below) or are otherwise dishonored, if applicable. OpenEdge will debit via ACH the Settlement Account, Reserve Account, or any other account Merchant has at any financial institution, for any amount Merchant owes OpenEdge under this Agreement or under any other contract, note, or guaranty, now existing or later entered into between Merchant and OpenEdge, whether Merchant’s obligation is direct, indirect, primary, secondary, fixed, contingent, joint or several. If such debit does not fully reimburse OpenEdge for the amount owed, Merchant will immediately pay OpenEdge such amount.

3.4 Charges and Settlement Procedures, Settlement Account.

A. Settlement. Merchant will designate and maintain a settlement account (“Settlement Account”) with a balance of available funds sufficient to cover Merchant’s obligations under this Agreement. OpenEdge will debit the Fees from the Settlement Account once each business day for the previous business day’s activity, once each month for the previous month’s activity, or will set off the Fees from the funds due to Merchant attributable to transactions presented to OpenEdge, in its discretion.

B. Authorization. Merchant irrevocably authorizes OpenEdge to credit and debit the amounts Merchant owes OpenEdge for Fees and for amounts OpenEdge owes Merchant from and to the Settlement Account. This authority will remain in full force and effect for at least 2 years after termination of this Agreement whether or not Merchant has notified OpenEdge of a change to the Settlement Account. Merchant must obtain its prior written consent to change the Settlement Account. If Merchant changes the Settlement Account without its consent, OpenEdge may immediately terminate this Agreement and may take other action OpenEdge deems necessary, in its sole discretion. Merchant also authorizes the financial institution(s) at which Merchant maintains its Settlement Account to act in accordance with instructions from OpenEdge regarding funds in the Settlement Account, including transferring funds in the Settlement Account to OpenEdge. Merchant will indemnify and hold harmless the financial institution(s) at which Merchant maintains Merchant’s Settlement Account
for acting in accordance with any instruction from OpenEdge regarding the Settlement Account.

C. Withholding. Merchant agrees that this Agreement is a contract of financial accommodation within the meaning of the Bankruptcy Code, 11 U.S.C § 365 as amended from time to time. OpenEdge will deposit into the Settlement Account funds processed by Merchant and will provide Merchant provisional credit for such funds (less recoupment of any credits, adjustments, fines, Returns, Chargebacks, Fees or other costs). Final credit for those provisional funds will be granted in OpenEdge’s sole discretion. OpenEdge, and not Merchant, owns all provisional funds, and title to such funds does not pass to Merchant until all amounts owed to OpenEdge is paid or recouped and OpenEdge deems such provisional credit final, in its reasonable discretion. Merchant understands and agrees that OpenEdge may withhold deposit and payment to Merchant without notice if OpenEdge determines, in its sole discretion, that a transaction or batch of transactions poses a risk of loss. OpenEdge is not responsible for any losses Merchant may incur, including but not limited to non-sufficient fund fees, due to such delayed deposit of funds. Merchant acknowledge that Merchant’s obligation to OpenEdge for all amounts owed under this Agreement arise out of the same transactions as its obligation to deposit funds into the Settlement Account.

D. Deposits. OpenEdge will initiate a deposit to the Settlement Account upon receipt of funds. The deposit will be initiated the next business day following the funding hold period. The funding hold is determined during the underwriting process. Business days shall include any Monday through Friday, excluding holidays observed by the Federal Reserve. Merchant authorizes OpenEdge to initiate reversal or adjustment entries and initiate or suspend such entries as may be necessary to grant Merchant conditional credit for any entry.

E. Reports and Asserted Errors. A statement detailing the Fees will be made available to Merchant at www.myxcheckonline.com. Merchant must promptly examine all statements, and immediately notify OpenEdge in writing of any errors. Merchant’s written notice must include: (1) Merchant’s name and account number; (2) the dollar amount of the asserted error; (3) a description of the asserted error; and (4) an explanation of why Merchant believes an error exists and the cause of it, if known. That written notice must be received by OpenEdge within 30 calendar days after the applicable statement containing the asserted error was made available to Merchant. Merchant waives all rights to make any claim against OpenEdge or any other party for any loss or expense relating to any asserted error after such 30 day period.

3.5 Security Interests, Reserve Account, Recoupment and Set-Off.

A. Security Interests. This Agreement is a security agreement under the Uniform Commercial Code. Merchant grants to OpenEdge a security interest in and lien upon: (1) all funds at any time in the Settlement Account, regardless of the source of such funds; (2) all funds at any time in the Reserve Account, regardless of the source of such funds; and (3) any and all amounts which may be due to Merchant under this Agreement including, without limitation, all rights to receive any payments or credits under this Agreement (collectively, the “Secured Assets”). Merchant agrees to provide other collateral or security to OpenEdge to secure Merchant’s obligations under this Agreement upon its request. These security interests and liens will secure all of Merchant’s obligations under this Agreement and any other agreements now existing or later entered into between Merchant and OpenEdge. This security interest may be exercised by OpenEdge without notice or demand of any kind by making an immediate withdrawal or freezing the Secured Assets.
B. **Perfection.** Upon request by OpenEdge, Merchant will execute one or more financing statements, security agreements, account control agreements, or other documents to evidence this security interest. Merchant represents and warrants that no other person or entity has a security interest in the Secured Assets. Merchant will obtain OpenEdge’s written consent prior to granting a security interest of any kind in the Secured Assets to a third party. Merchant agrees that this is a contract of recoupment and OpenEdge is not required to file a motion for relief from a bankruptcy automatic stay in order for OpenEdge to foreclose on, collect or sell any of the collateral (including any Settlement Account and/or Reserve Account). Nevertheless Merchant agrees not to contest or object to any motion for relief from the automatic stay filed by OpenEdge. Merchant authorizes OpenEdge and appoints OpenEdge as Merchant’s attorney in fact to sign Merchant’s name to any financing statement used for the perfection of any security interest or lien granted hereunder.

C. **Reserve Account.** OpenEdge may establish and maintain a non-interest bearing deposit account on Merchant’s behalf (“Reserve Account”) at a financial institution OpenEdge chooses, initially or at any time in the future, and may fund the Reserve Account with sums sufficient to satisfy Merchant’s current and future obligations as determined by OpenEdge. Merchant authorizes OpenEdge to debit the Settlement Account or any other account Merchant has at any financial institution in order to establish or maintain funds in the Reserve Account. OpenEdge may deposit into the Reserve Account funds OpenEdge would otherwise be obligated to pay Merchant for the purpose of establishing, maintaining or increasing the Reserve Account in accordance with this Section if OpenEdge determines such action is reasonably necessary to protect its interests. OpenEdge may, without notice to Merchant, apply deposits in the Reserve Account against any outstanding amounts Merchant owes under this Agreement or any other agreement between Merchant and OpenEdge. Also, OpenEdge may exercise its rights under this Agreement against the Reserve Account to collect any amounts due to OpenEdge including, without limitation, rights of set-off and recoupment.

D. **Funds in the Reserve Account.** Merchant agrees that Merchant will not use any funds in the Reserve Account for any purpose, including but not limited to paying Chargebacks, Fees, fines or other amounts Merchant owes OpenEdge under this Agreement. OpenEdge controls all funds in the Reserve Account, and OpenEdge (and not Merchant) shall have sole control of the Reserve Account.

E. **Recoupment and Set Off.** OpenEdge has the right of recoupment and set-off. This means that OpenEdge may offset or recoup any outstanding/uncollected amounts owed by Merchant from: (1) any amounts OpenEdge would otherwise be obligated to deposit into the Settlement Account or Reserve Account; (2) any other amounts OpenEdge may owe Merchant under this Agreement or any other agreement; and (3) any funds in the Settlement Account or Reserve Account. Merchant acknowledges that in the event of a bankruptcy proceeding, in order for Merchant to provide adequate protection under Bankruptcy Code § 362 and/or 365 to OpenEdge, Merchant must create or maintain the Reserve Account as required by OpenEdge, and OpenEdge must have the right to offset and recoup against the Reserve Account for any and all obligations which Merchant may owe to OpenEdge, without regard to whether the obligations relate to transactions initiated or created before or after the filing of the bankruptcy petition.

F. **Remedies Cumulative.** The rights and remedies conferred upon OpenEdge in this Agreement, at law or in equity, are not intended to be exclusive of each other. Rather, each and every right of ours under this Agreement, at law or in equity, will be cumulative and concurrent and in addition to every other right.
IV. Third Party Requirements

4.1 NACHA Requirements. Merchant authorizes OpenEdge, as a third party sender (as defined in the NACHA Rules), to act as Merchant’s agent in processing ACH entries or check image deposits for Merchant, and acknowledges its understanding that OpenEdge will establish one or more clearing accounts with, and submit ACH entries or deposits on Merchant’s behalf, to an ODFI selected by OpenEdge.

4.2 Originator Rules. Merchant: (A) assumes the responsibilities of and makes the warranties of an Originator (as defined in the NACHA Rules) and agrees to reimburse OpenEdge and the ODFI for returns, reversals, adjustments, rejections and warranty claims and responsibilities related to Merchant’s ACH entries or check image deposits; (B) agrees to comply with the NACHA Rules, including but not limited to the requirements of Article Three (Obligations of Originators), Article Five (Obligations of Third-Party Senders) and if international ACH entries are initiated by Merchant, the NACHA Rules applicable to IAT ACH entries, all of which are available at www.nacha.org; (C) agrees to comply with all applicable state and federal laws, rules and regulations, including but not limited to sanction laws administered by the Office of Foreign Assets Control, the Electronic Funds Transfer Act, the Unlawful Internet Gambling Enforcement Act, the Check Clearing for the 21st Century Act, and Federal Reserve Board Regulation E (the foregoing and the ACH Rules are, collectively, the “Applicable Rules”); and (D) acknowledges that ACH entries may not be initiated or deposits made that violate the laws of the United States, including but not limited to the sanctions laws, regulations and orders administered by OFAC, laws, regulations, rules and orders administered by FinCEN, and any state laws, regulations or orders applicable to the providers of ACH payment services.

4.3 Entries and Authorizations. Merchant represents and warrants as to each ACH entry that Merchant has obtained the necessary authorizations under the NACHA Rules and Applicable Rules and that Merchant shall not initiate any funds transfer after the authorization for the same has been revoked (or the agreement between Merchant and OpenEdge has been terminated).

With respect to each entry OpenEdge sends to the ODFI on Merchant’s behalf, Merchant represents and warrants to OpenEdge and the ODFI that such entry is in compliance with United States law, including, but not limited to, rules promulgated and programs administered by OFAC and FinCEN, that no such entry violates United States law, including, but not limited to, rules promulgated and programs administered by OFAC and FinCEN, that Merchant is not acting on behalf of or transmitting funds to any party subject to OFAC sanctions and that such entry complies with the laws and payment system rules of the receiving country.

Merchant acknowledges that OpenEdge, the ODFI and other parties must comply with the NACHA Rules, Applicable Rules and United States law. The performance by each of these parties, including the ODFI, of obligations with respect to such entries may cause delays in processing, settlement and/or availability of the entries. Merchant waives and releases OpenEdge and the ODFI from any liability or obligation, including, but not limited to, funds availability obligations, caused by or arising out of any such delay associated with such entries.

4.4 Review. Merchant understands that OpenEdge and the ODFI have the right to: (A) review, monitor and audit Merchant’s ACH transactions, processes and procedures for compliance with this Agreement and the NACHA Rules; (B) limit the amount of ACH entries processed for Merchant; and (C) suspend, discontinue or terminate processing based on their assessment of the risk posed to OpenEdge, the ODFI and/or the breach or termination of Merchant’s agreements with OpenEdge.
4.5 **Accuracy of Information and Errors.** Merchant is responsible for the results of using OpenEdge, the Services, and for the accuracy and adequacy of the data Merchant or OpenEdge provides to the ODFI. Merchant authorizes the ODFI to act on any instruction which has been or reasonably appears to have been sent by OpenEdge or Merchant, including but not limited to funds transfer instructions. The ODFI is not obliged to take any further steps to confirm or authenticate such instructions and will act on them without getting further confirmation. Merchant understands that if Merchant or OpenEdge provides the ODFI with incorrect information or if there is any error in the instruction Merchant accepts full responsibility for losses resulting from any of the errors, duplication, ambiguities or fraud in the information that was provided to the ODFI. Neither OpenEdge nor the ODFI is responsible to third parties (such as, but not limited to, third party service providers and the third parties to whom wire or ACH debit or credits are transmitted and Merchant shall defend, indemnify and hold the ODFI harmless from, the actions or omissions of OpenEdge, and Merchant shall defend, indemnify and hold both OpenEdge and the ODFI harmless from any claim made against OpenEdge or the ODFI arising out of Merchant’s use of the Services, breach of this Agreement, or breach of any warranty under the NACHA Rules. IN NO EVENT WILL OpenEdge OR THE ODFI BE LIABLE OR RESPONSIBLE FOR, AND MERCHANT BEARS ALL RISK ASSOCIATED WITH, FOREIGN EXCHANGE CONVERSION AND ANY GAINS AND LOSSES RESULTING FROM THE CONVERSION OF CURRENCIES IN CONNECTION WITH ANY ENTRY.

4.6 **Survival of Article IV.** This Article IV shall survive the termination of the agreement between OpenEdge and the ODFI. Notwithstanding anything to the contrary elsewhere in the Agreement, the ODFI shall be considered an intended beneficiary of this Article IV and is entitled to enforce its terms. This Article IV is agreed to in consideration of the ODFI’s agreement to serve as the ODFI. Merchant waives notice of the ODFI’s acceptance of this Article IV.

V. **Confidential Information**

5.1 **Information.** For purposes of this Agreement “Confidential Information” means information belonging or relating to OpenEdge’s business, including without limitation, the Software, its technology, the method of processing transactions, computer programs, software, message formats, procedures, forms, related materials, this Agreement, client lists, client information and pricing information. Merchant acknowledges that the Confidential Information has been developed through the expenditure of a significant amount of effort and resources. Merchant will not use for Merchant’s own purposes, will not disclose to any third party, and will retain in strictest confidence all Confidential Information. Merchant will safeguard the Confidential Information by using the same degree of care and discretion that Merchant uses to protect Merchant’s own confidential information.

5.2 **Remedy.** Merchant agrees that the Confidential Information constitutes trade secrets and that disclosures to others may result in loss or irreparable damage. Thus, if Merchant breaches this Section 5, OpenEdge will be entitled to injunctive relief in addition to any other rights to which OpenEdge may be entitled, without the necessity of proof of actual damages.
VI. Term and Termination

6.1 Term. This Agreement will have an initial term of one year. After the initial term of this Agreement, this Agreement will be automatically extended for successive 1 year periods on the same terms, unless Merchant gives OpenEdge written notice of termination at least 60 days prior to the expiration of the then current term.

6.2 Termination. The parties will have the following rights:

A. Termination by OpenEdge. OpenEdge may terminate this Agreement for any reason without prior notice at any time, which termination may be effective immediately.

B. Termination by Merchant. Merchant has no right to terminate this Agreement except as provided in this subsection. If OpenEdge fails to perform its obligations under this Agreement, and Merchant desires to terminate this Agreement, then Merchant must give written notice to OpenEdge stating such intent, identifying the nonperformance, and giving OpenEdge the opportunity to remedy such nonperformance for a period of 60 days following the date notice is given. Upon expiration of such 60 day cure period, if the performance has not been remedied, Merchant may terminate this Agreement.

6.3 Early Termination. If Merchant terminates this Agreement before the end of the initial term or any renewal term in violation of this Agreement Merchant will immediately pay OpenEdge, as a deconversion cost, an early termination fee equal to $99.00. Merchant agrees that the early termination fee is not a penalty, but rather is reasonable in light of the financial harm caused by Merchant’s early termination. Other remedies OpenEdge may have under this Agreement still apply.

6.4 Effect of Termination. All of Merchant’s obligations regarding transactions OpenEdge processes under this Agreement will survive termination. Merchant must maintain in the Settlement Account and Reserve Account enough funds to cover all Chargebacks, deposit charges, obligations, refunds and fees incurred by Merchant for at least 2 years after termination of this Agreement. Merchant authorizes OpenEdge to charge those accounts, or any other account maintained under this Agreement, for all such amounts. If the amount in the Settlement Account or Reserve Account is not adequate, Merchant will pay OpenEdge the amount Merchant owes OpenEdge upon demand, together with all costs and expenses incurred to collect that amount, including reasonable attorneys’ fees. After the expiration of such 2 year period Merchant must provide OpenEdge with written notification indicating Merchant desires a release of any funds remaining in the Reserve Account in order to receive such funds.

VII. Indemnification and Limitation of Liability

7.1 Indemnification. To the extent permissible under applicable law, Merchant will hold harmless and indemnify OpenEdge, its employees and agents against: (A) all claims by third parties arising out of this Agreement; (B) all attorneys’ fees, collection costs, and other costs and expenses paid or incurred by OpenEdge in the enforcement of this Agreement, including but not limited to those resulting from any breach by Merchant of this Agreement and those related to any bankruptcy proceeding; (C) any action OpenEdge takes against the Settlement Account, Reserve Account, or any other account, pursuant to this Agreement; (D) any failure by Merchant or Merchant’s employees, agents, or affiliates to comply with the terms of this Agreement; and (E) any damage due to equipment or software not purchased or leased from OpenEdge. This indemnification shall survive termination of this Agreement. Merchant is responsible and liable for the acts and omissions of Merchant’s employees, agents and representatives (whether or not acting within the scope of their duties).

7.2 Limitation of Liability. Any liability of ours under this Agreement, whether to Merchant or any other party, whatever the basis of the liability, shall not exceed in the aggregate the difference between (A) the amount of Fees paid by Merchant to OpenEdge.
during the month in which the transaction out of which the liability arose occurred; and (B) assessments, Chargebacks, and offsets against such Fees which arose during such month. In the event more than one month is involved, the aggregate amount of its liability shall not exceed the lowest amount determined in accordance with the foregoing calculation for any one month involved.
