DARE 
COUNTS

CENSUS 2020 | APRIL 1ST
DARENC.COM/CENSUS

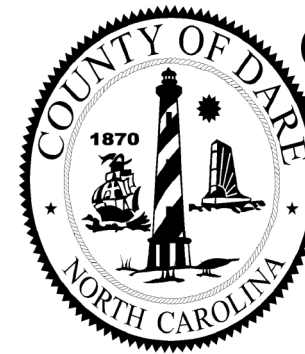

The 2020 Census is coming this spring. Starting in late March, you'll be able to complete the census form online, by paper, or by phone. It is critical that every person living in Dare County is counted. Make the pledge now to count everyone living in your household (babies, young children, and elderly included).

Census response results will affect funding for schools, healthcare, public safety, transportation, and other government-backed services. More information on the 2020 Census can be found at DareNC.com/census.
