Public Hearing on the Series 2020A Refunding Limited Obligation Bonds

Description
A public hearing will be conducted concerning approval of the execution and delivery of an Amendment to the 2012C/D Installment Financing Contract and the County's refinancing of the projects thereby per the attached Notice of Public Hearing and the Resolution adopted by the Board on 4/6/2020.

4 bids were received on March 31 with a bid of 1.27% from JP Morgan Chase. To meet conditions of the bid, the County's financial advisor and County staff determined to include certain maturities of the Series 2012D LOBs, the Series 2013A LOBs, and the Series 2015 COP, resulting in a par amount for the refunding bonds of $23,460,000. Over nine years, gross debt service savings are $1,897,518 and net present value savings are $1,882,425 or 8.97% of the refunded bonds. The average life of the new debt is less than the refinanced debt.

(1) Limited Obligation Bonds Series 2012C and Refunding Limited Obligation Bonds, Series 2012D, the proceeds of which were used to (a) finance the acquisition of a helicopter and cardiac monitoring equipment for use by the County's Emergency Medical Services, (b) refinance the County's installment payment obligations related to Certificates of Participation, Series 2004, the proceeds of which were used to finance (i) the acquisition, construction, equipping and furnishing of Manteo Middle, (ii) the acquisition, construction, equipping and furnishing of Nags Head Elementary School and (iii) the acquisition, construction and renovation of certain other school facilities, including Manteo Elementary School, Kitty Hawk Elementary School, Hatteras Secondary School and Manteo High School, and (c) refinance the County's installment payment obligations under an installment financing contract with RBC Bank, the proceeds of which were used to finance (i) the construction, equipping and furnishing a County Senior Center, (ii) the construction and improvement of the College of the Albemarle, Roanoke Island Campus (the “Community College Project”) and (iii) the acquisition of land for public beach access;

(2) Refunding Limited Obligation Bonds, Series 2012B, the proceeds of which were used to finance (a) the construction and equipping of (i) a 14-unit T-hangar (Size 1), a three-unit executive hangar, a two-unit corporate hangar for aircraft storage only, and a transient hangar, with associated taxiways and driveways for each hangar to be located at the Dare County Regional Airport, (ii) a new justice facility on Roanoke Island, and (iii) an elementary school and (b)(i) the acquisition, construction and equipping of First Flight High School, (ii) renovation, expansion and equipping of Manteo Elementary School, (iii) renovation, expansion and equipping of First Flight Middle School, (iv) construction of a solid waste transfer station and (v) other improvements to school facilities in the County;

(3) Refunding Limited Obligation Bonds, Series 2013A, the proceeds of which were used to refinance prior installment payment obligations related to Certificates of Participation, Series 2005, the proceeds of which were used to finance acquiring, constructing, renovating, improving, equipping and furnishing certain school facilities in the County, including Manteo Elementary School, Kitty Hawk Elementary School, Hatteras Secondary School and Manteo High School;

(4) Limited Obligation Bond, Series 2014, the proceeds of which were used to finance an addition to Manteo Elementary School; and

To secure its obligations under the Contract, including the Amendment, the County has granted a deed of trust and security agreement (the “Deed of Trust”) under which the sites of Manteo Middle School, Nags Head Elementary School and the Community College Project are located, and the improvements thereon (the “Mortgaged Property”), have been mortgaged by the County to create a lien thereon for the benefit of the entities, or their assigns, providing the funds to the County under the Contract, including the Amendment. The Community College Project is located at 204 S. U.S. Highway 64 South Business, Manteo, North Carolina 27954. Manteo Middle School is located at 1000 N. U.S. Highway 64, Manteo, North Carolina 27954. Nags Head Elementary School is located at 3100 South Wrightsville Avenue, Manteo, North Carolina 27959.

The Contract and the Deed of Trust permit the County to enter into amendments to refinance projects and finance additional projects using the Mortgaged Property as collateral and the County may or may not grant additional collateral in connection with such amendments. On payment by the County of all installment payments due under the Contract and the Amendment, including any future amendments to finance or refinance projects, the Deed of Trust and any lien created thereunder will terminate and the County’s title to the Mortgaged Property will be unencumbered.

NOTICE IS HEREBY GIVEN, pursuant to Sections 160A-20 of the General Statutes of North Carolina, that on April 20, 2020 at 5:00 p.m., or as soon thereafter as practicable, in the County Board of Commissioners’ Meeting Room, Administration Building, 954 Marshall C. Original Agreement Addendum

Agreement Addendum Revision # ___

I. Background:
On March 6, 2020, the President of the United States signed into law the Coronavirus Preparedness and Response Supplemental Appropriations Act, 2020 (P.L. 116-123) (Coronavirus Supplemental). This Act provides funding to prevent, prepare for, and respond to Coronavirus Disease 2019 (COVID-19).

To support governmental public health emergency response to COVID-19, the Centers for Disease Control and Prevention (CDC) has activated CDC-RFA-TP18-1802 Cooperative Agreement for Emergency Response: Public Health Crisis Response (www.cdc.gov/phpr/readiness/funding-crisis.htm). CDC is awarding funding, totaling $569,822,380, under Components A and B to eligible jurisdictions that are on the approved but unfunded (ABU) list for CDC-RFA-TP18-1802 to provide resources to prevent, prepare for, and respond to COVID-19. This funding is intended for state, local, territorial, and tribal health departments to carry out surveillance, epidemiology, laboratory capacity, infection control, mitigation, communications, and other preparedness and response activities. These funds are in addition to funds CDC previously awarded to select jurisdictions for COVID-19 response activities.

The Division of Public Health (DPH), Public Health Preparedness & Response (PHP&R) Branch, is making an allocation of these funds available to all local health departments through the “CDC-RFA-TP18-1802, Cooperative Agreement for Emergency Response: Public Health Crisis Response, COVID-19 Crisis Response Cooperative Agreement – Components A and B Supplemental Funding” to carry out surveillance, epidemiology, laboratory capacity, infection control, mitigation, communications, and other preparedness and response activities.
II. **Purpose:**
This Activity is for the Local Health Department to work to prevent, prepare for, and respond to Coronavirus Disease 2019 (COVID-19) by carrying out surveillance, epidemiology, laboratory capacity, infection control, mitigation, communications, and other preparedness and response activities.

III. **Scope of Work and Deliverables:**
All of the activities the Local Health Department performs under this Agreement Addenda shall be informed by the NC DHHS COVID-19 Guidance for Health Care Providers and Local Health Departments.\(^1\) The Local Health Department (LHD) shall:

1. Implement and scale-up **laboratory testing and data collection to enable identification and tracking of COVID-19 cases** in the community with emphasis placed on priority populations as defined in NC DHHS guidance\(^2\) to include health care workers, first responders, persons in high-risk congregate settings, and persons at a higher risk of severe illness, and immediate implementation of real-time reporting to PHP&R. This shall be accomplished by conducting one or more of the following activities:
   a. Expand testing access in the community with a focus on persons who may expose vulnerable people.
   b. Conducting surveillance to identify cases, report case data in a timely manner, identify contacts, characterize disease transmission, and track relevant epidemiologic characteristics including hospitalization and death.
   c. Conducting surveillance to monitor virologic and disease activity in the community and healthcare settings, with emphasis on expanding contact tracing for high risk populations using traditional and non-traditional methods.
   d. Implementing routine and enhanced surveillance to support the science base that informs public health interventions that mitigate the impact of COVID-19, including understanding of clinical characteristics; infection prevention and control practices; and other mitigation requirements.
   e. Establishing or enhancing core epidemiological activities to support response such as risk assessment, case classification, analysis, visualization, and reporting.
   f. Conduct surveillance to monitor disruption in the community caused by COVID-19 and related mitigation activities (e.g., school closures and cancellation of mass gatherings).
   g. Conduct surveillance to monitor disruption in healthcare systems caused by COVID-19 (e.g., shortages of personal protective equipment).

2. Write a brief **COVID-19 community intervention implementation plan** and upload it by May 31, 2020 to the COVID-19/Agreement Addendum/County Submissions/CountyName folder at [https://ncconnect.sharepoint.com/sites/phpr/SitePages/PCForums.aspx](https://ncconnect.sharepoint.com/sites/phpr/SitePages/PCForums.aspx). The naming convention for this plan shall be, “CountyName-Community Plan” (for example: Wake-Community Plan).

This plan shall describe how the LHD will achieve the response’s three mitigation goals: 1) Slow transmission of disease, 2) Minimize morbidity and mortality, and 3) Preserve healthcare, workforce, and infrastructure functions and minimize social and economic impacts. The LHD shall use its

---

current Pan Flu Plan as a template and create a COVID-19 Community Intervention Implementation Plan that shall address how the LHD will accomplish the following tasks, with emphasis on addressing high-risk congregate settings such as long-term care facilities, homeless shelters, correctional facilities, and migrant farmworker camps:

b. Plan and adapt for disruption caused by community spread and implement interventions to prevent further spread.

c. Ensure healthcare system response is an integrated part of community interventions.

d. Ensure integration of community mitigation interventions with health system preparedness and response plans and interventions.

3. Summarize the LHD’s COVID-19 community intervention implementation plan into a COVID-19 community intervention executive summary and upload it by May 31, 2020 to the COVID-19/Agreement Addendum/County Submissions/CountyName folder at https://ncconnect.sharepoint.com/sites/phpr/SitePages/PCForums.aspx. The naming convention for this executive summary shall be, “CountyName-Executive Summary” (For example: Wake-Executive Summary).

This executive summary shall describe a brief statement of the problems or proposals covered, background information, analysis and conclusions regarding how the LHD will meet the response’s three mitigation goals: 1) Slow transmission of disease, 2) Minimize morbidity and mortality, and 3) Preserve healthcare, workforce, and infrastructure functions and minimize social and economic impacts.

4. **Identify and address additional response needs through one or more of the allowable activities** from the list of Domains and Categories below, with examples of such activities provided in Appendix 2 of the attached “CDC-RFA-TP18-1802, Cooperative Agreement for Emergency Response: Public health Crisis Response, COVID-19 Crisis Response Cooperative Agreement - Components A and B Supplemental Funding Interim Guidance” document dated March 15, 2020 (“CDC Interim Guidance document”):

      i. Emergency Operations and Coordination
      ii. Responder Safety and Health
      iii. Identification of Vulnerable Populations

   b. Domain 2: Jurisdictional Recovery.

   c. Domain 3: Information Management.
      i. Information Sharing, with emphasis on infection control policies and proper use of personal protective equipment (PPE)
      ii. Emergency Public Information and Warning and Risk Communication, with emphasis on expanding communications and public education campaigns including digital platforms and call lines

   d. Domain 4: Countermeasures and Mitigation.
      i. Nonpharmaceutical Interventions
      ii. Quarantine and Isolation Support, with emphasis on isolation and quarantine of identified cases in high risk populations
      iii. Distribution and Use of Medical Materiel
IV. Performance Measures/Reporting Requirements:

The Local Health Department shall:

1. Provide data as requested by PHP&R that supports reporting the performance measures and deliverables from the CDC-RFA-TP18-1802, Cooperative Agreement for Emergency Response: Public Health Crisis Response, COVID-19 Crisis Response Cooperative Agreement - Components A and B Supplemental Funding. The CDC will determine the essential data elements by April 15, 2020. Upon receiving this information from the CDC, PHP&R will communicate it to the LHDs via email with delivery/read verification.

2. Submit the following updates and reports to PHP&R:
   a. Monthly updates to the COVID TP18-1802 Awardee Spend Plan (Excel spreadsheet).
      i. These updates are to be uploaded in the COVID-19/Agreement Addendum/County Submissions/CountyName folder, located at https://ncconnect.sharepoint.com/sites/phpr/SitePages/PCForums.aspx at no later than thirty days after each month ends. The naming convention for these files shall be, “CountyName-MonthOfReport Spend Plan” (for example: Wake-April Spend Plan).
      ii. This spreadsheet is available for download and it resides in the COVID-19/Agreement Addendum folder of the Preparedness Coordinator forum, located at: https://ncconnect.sharepoint.com/sites/phpr/SitePages/PCForums.aspx
   b. Monthly Expenditure Monitoring Reports (EMRs) are due via email (phpr.sgm@dhhs.nc.gov) to the PHP&R Program Manager no later than thirty days after the month ends.

3. Provide all plans and documents for review by PHP&R staff when requested. Plans and other documents must be consistent with state and federal requirements and must be specific to your local public health area.

V. Performance Monitoring and Quality Assurance:

PHP&R will provide technical support to the Local Health Department to meet the required and allowable activities defined in the CDC Interim Guidance document. Templates and best practices will be provided as needed on an ongoing basis. PHP&R staff will maintain open communication with the Local Health Department and will therefore, receive and respond to all questions related to the COVID-19 Crisis Response Cooperative Agreement.

PHP&R’s Subrecipient Grants Monitor or PHP&R Program Manager’s designee will review reports and may schedule and conduct on-site visits with the Local Health Department to assess compliance with CDC grant and Agreement Addendum requirements, financials, and/or provide consultative assistance.
Inadequate performance on the part of the Local Health Department directly impacts the capacity of North Carolina’s ability in overall preparedness. In the event that performance is deemed inadequate or non-compliant, PHP&R reserves the right to identify the county as “high risk,” which may result in a reduction or suspension of funds.

While not necessarily an indicator of inadequate performance, a Local Health Department’s inability to spend allocated funds will result in an assessment and potential recall of funds for re-allocation to other local health departments.

VI. Funding Guidelines or Restrictions:

1. Requirements for pass-through entities: In compliance with 2 CFR §200.331 – Requirements for pass-through entities, the Division provides Federal Award Reporting Supplements to the Local Health Department receiving federally funded Agreement Addenda.

   a. Definition: A Supplement discloses the required elements of a single federal award. Supplements address elements of federal funding sources only; state funding elements will not be included in the Supplement. Agreement Addenda (AAs) funded by more than one federal award will receive a disclosure Supplement for each federal award.

   b. Frequency: Supplements will be generated as the Division receives information for federal grants. Supplements will be issued to the Local Health Department throughout the state fiscal year. For federally funded AAs, Supplements will accompany the original AA. If AAs are revised and if the revision affects federal funds, the AA Revisions will include Supplements. Supplements can also be sent to the Local Health Department even if no change is needed to the AA. In those instances, the Supplements will be sent to provide newly received federal grant information for funds already allocated in the existing AA.

2. Unallowable costs:

   a. Research

   b. Clinical care except as provided above in connection with Domain 4 activities.

   c. Publicity and propaganda (lobbying). Other than for normal and recognized executive-legislative relationships, no funds may be used for:

      i. publicity or propaganda purposes, for the preparation, distribution, or use of any material designed to support or defeat the enactment of legislation before any legislative body

      ii. the salary or expenses of any grant or contract recipient, or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive order proposed or pending before any legislative body

   Detailed guidance on this prohibition and additional guidance on lobbying for CDC recipients can be found under Additional Requirement 12: https://www.cdc.gov/grants/documents/Anti-Lobbying_Restrictions_for_CDC_Grantees_July_2012.pdf

   d. All unallowable costs cited in CDC-RFA-TP18-1802 remain in effect, unless specifically amended in the CDC Interim Guidance document, in accordance with 45 CFR Part 75 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards.

3. PHP&R will distribute funds to the Local Health Department in amounts based on a formula developed to maximize COVID-19 prevention and mitigation actions to protect the citizens of North Carolina. Funds will be distributed through the Controller’s Office based on standard DPH procedures. It is anticipated that the level of funding provided through this Agreement Addendum
will not be enough to support all of the activities that a Local Health Department will undertake and that other resources may be necessary to meet the requirements.

4. Overlap in Projects, Budget Items, or Commitment of Effort
   a. Funds cannot be used to supplant existing federal funds awarded by other federal sources.
   b. Funds cannot be used to match funding on other federal awards.

5. PHP&R reserves the right to review any expenditure that is not in line with the purpose and scope of the funding source. After review of the expenditure PHP&R may reject the expenditure and then require the Local Health Department to further justify or to pay back the expense.

The applicant hereby assures and certifies that he will comply with the FEMA regulations, policies, guidelines and requirements including OMB's Circular No. A-95 and A-102, and FMC 74-4, as they relate to the application, acceptance and use of Federal funds for this Federally-assisted project. Also, the Applicant gives assurance and certifies with respect to and as a condition for the grant that:

1. It possesses legal authority to apply for the grant, and to finance and construct the proposed facilities; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body, authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.

2. It will comply with the provisions of Executive Order 11988, relating to Floodplain Management and Executive Order 11990, relating to Protection of Wetlands.

3. It will have sufficient funds available to meet the non-Federal share of the cost for construction projects. Sufficient funds will be available when construction is completed to assure effective operation and maintenance of the facility for the purpose constructed.

4. It will not enter into a construction contract(s) for the project or undertake other activities until the conditions of the grant program(s) have been met.

5. It will provide and maintain competent and adequate architectural engineering supervision and inspection at the construction site to insure that the completed work conforms with the approved plans and specifications; that it will furnish progress reports and such other information as the Federal grantor agency may need.

6. It will operate and maintain the facility in accordance with the minimum standards as may be required or prescribed by the applicable Federal, State and local agencies for the maintenance and operation of such facilities.

7. It will give the grantor agency and the Comptroller General, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the grant.

8. It will require the facility to be designed to comply with the "American Standard Specifications for Making Buildings and Facilities Accessible to, and Used by the Physically Handicapped," Number A117-1,1961, as modified (41 CFR 101-17-7031). The applicant will be responsible for conducting inspections to insure compliance with these specifications by the contractor.

9. It will cause work on the project to be commenced within a reasonable time after receipt of notification from the approving Federal agency that funds have been approved and will see that work on the project will be prosecuted to completion with reasonable diligence.

10. It will not dispose of or encumber its title or other interests in the site and facilities during the period of Federal interest or while the Government holds title, which ever is the longer.

11. It agrees to comply with Section 311, P.L. 93-288 and with Title VI of the Civil Rights Act of 1964 (P.L. 88-352) and in accordance with Title VI of the Act, no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance and will immediately take any measures necessary to effectuate this agreement. Request to Waive Late Listing Penalty for Personal Property Listings

Description
April 15, 2020 was the deadline for filing personal property tax listings without a late listing penalty. We received a request from one of the local accountant firms to extend that deadline to June 30, 2020. They advised they are having difficulties getting the information they need to file the personal property tax listing on time due to the various Covid-19 restrictions. These restrictions have prevented them from meeting with their clients so it is all done by mail and e-mail, which is creating delays. Dare County is not authorized to extend the deadline, however we can waive the late listing penalty.

Board Action Requested
Waive late listing penalty for individual and business personal property tax listings filed by June 30, 2020.

The group would continue to meet daily, as the County remains under a State of Emergency with restrictions in place prohibiting access to Dare County for visitors and non-resident property owners. He stressed that staying home and limiting unnecessary travel was the most effective way to control the spread of the virus and to save lives. He referenced the “devastating financial consequences these restrictions” were having, but encouraged everyone to continue to adhere to the guidelines in order to lessen future economic impacts and to increase our chances of thriving as a healthy community.

ITEM 4 – COMMISSIONERS’ BUSINESS & MANAGER’S/ATTORNEY’S BUSINESS
Commissioners and the County Manager frequently make extensive remarks, which can be viewed in their entirety in a video on the Dare County website. Following is a brief summary outline of the items mentioned by Commissioners during this segment:

Commissioner Ross
- He noted in addition to the current health risks, the combined physiological, social and economic consequences were considerably severe. He stressed the importance of remaining supportive and cooperative and to maintain confidence and optimism, as we will prevail against this virus.
- On behalf of the Board he expressed gratitude and appreciation for Chairman Woodard and Manager Outten’s many hours of dedication and work thus far since the March 16, 2020 emergency declaration.

Vice Chairman Overman
- He quoted, “we live in interesting times”. He added no curse could be worse than what we are experiencing now. Everyone is suffering on some level and virtually every email received by the Board has spoken to the pain realized by both full-time, part-time citizens and visitors.
- The Control Group has acted to protect this County in the best interest of everyone.
- To quote General Sherman “war is hell” and “the crueler it is, the sooner it will be over”. Vice-Chairman noted we were at the precipice of a two-week period and the social distancing guidelines must be followed to save lives.
- Mitigation would be the key to suppressing the effects of the virus and it would be critical for adherence to the guidelines. He reminded everyone of the words of Dr. Anthony Fauci, “mitigation, mitigation, mitigation” in order to save lives. Everyone should do what they could, as there would be tough times ahead. He encouraged everyone to stay safe and stay calm.

Commissioner House
- He thanked County staff for their diligent work, but reach out with special thanks to the retail workers, medical staff and first responders.
- He reported a brief discussion with the Marine Fisheries Commissioner and Governor to relax some of the regulations for commercial fishing with no results at this time. In order to aid our economy, he urged citizens to visit their local fish houses, as there was an abundance of fresh seafood available.
- In response to those asking why the State of Emergency actions were implemented, he referenced the 1918 flu pandemic, when one third of the world population became infected. He added we could learn from that historic period when there were no
antibiotics and the use of quarantines, good hygiene, disinfectants, limitation of public gatherings and limitation of unnecessary travel between cities and states became useful.

- He thanked the good citizens of Dare County who had donated time and money to local non-profit agencies to help our underprivileged with food. He also thanked the school system, as they were providing the same much needed relief.
- He closed with a quote, “Do not let your fears drive your decisions. Let your decisions drive your fears.”

Commissioner Bateman

- He thanked the Manager and the Commissioners for all of their hard work during this time, as well as the many first responders and healthcare workers. He has also been communicating to the public what Dare County is doing during this time.
- The industry which he proudly represents, the restaurant industry, is taking a big hit. One problem with the States and Federal government programs was the inability of people getting online to get unemployment benefits because the system was overloaded. We have to be persistent and help each other.
  (Clerk’s note: A portion of Commissioner Bateman’s comments could not be recorded, as there were difficulties with his transmission.)

Commissioner Couch

- He expressed his gratitude for the social service staff, which is about thirty, and they have been doing a great job attending to the needs of our elderly and the retiree base on Hatteras Island. While he is staying at home, he sees those continuing their work to staff the EOC call center and listening to the concerns of our non-resident property owners. He looks forward to having them back in our lives and our community. This time will pass and he thanked everyone doing their part. He will continue to take calls from his great friends, many of whom are non-residents.

Commissioner Tobin

- Thanked and echoed all of the comments presented by Chairman Woodard. He added the Manager, Dr. Davies and her staff, Sheriff Doughtie and his deputies and countless others are all doing a great job.
- He wanted to highlight the efforts of the Croswait Custom Composite employees, who had shut down their boat shop and had been manufacturing health supplies.
- He closed with noting that although some people will be infected with this virus, everyone will be affected. He urged everyone to practice the Stay at Home policy.

MANAGER’S/ATTORNEY’S BUSINESS - (Att. # 6)

Mr. Outten remarked the April 20, 2020 Board meeting, currently scheduled to take place in Buxton, would need to be held in Manteo.

MOTION

Commissioner House motioned to hold the April 20, 2020 Dare County Board meeting at Manteo Administration building.
Commissioner Ross seconded the motion.
VOTE: AYES unanimous
County Manager noted the County had been voluntarily not disconnecting water service to those unable to make their payments. The Governor had recently amended the guidelines and the County needed to amend their ordinance to follow the Governor’s Order and continue with waiving disconnection of services at this time.

**MOTION**

Vice Chairman Overman motioned to amend the County ordinance and continue with the waiver of disconnection of water services and comply with Governor’s Order during the Covid-19 situation.

Mr. Outten reported County transportation had been limited, but the County had continued providing transportation for necessary medical appointments and waiving the fees.

**MOTION**

Commissioner House motioned to allow the waiver of fees for County transportation services during the Covid-19 situation.

Vice-Chairman Overman seconded the motion.

**VOTE:** AYES unanimous

The Manager reported the outline of temporary procedures in place for County employees to maintain social distancing and allow County services to continue. Some were approved to work from home; others had flex work schedules or rotation of schedules and other employees were available to assist in other departments. There were employees cross training to drive ambulances. If employees are sent home to work, no leave would be taken, if they are sent home due to Covid-19 related symptoms the federal rules would apply. If an employee was home for reasons other than Covid-19 related, the normal County leave policy would be utilized. He requested authority to adjust leave policies as needed.

**MOTION**

Commissioner House motioned to approve the temporary procedures put in place by the County Manager to maintain social distancing while allowing County services to continue.

Vice-Chairman Overman seconded the motion.

**VOTE:** AYES unanimous

County Manager reminded a Public Hearing would be needed in order to have the 2019 amendments and additions to the County Ordinances codified for publication. The Planning Director, Donna Creef, would notice the Public Hearing for the first May meeting.

**MOTION**

Commissioner House motioned to have the Public Hearing in May for new ordinances to be codified.

Commissioner Ross seconded the motion.

**VOTE:** AYES unanimous
Mr. Outten explained he had received a request to provide a letter of recognition for the design of the Basnight Bridge to the American Association of State Highway Transportation Officials. Commissioner Ross questioned whether the letter’s reference to dredging had been addressed and the Manager advised he would be reaching out to Commissioner Tobin before finalizing the letter.

**MOTION**

Vice Chairman Overman motioned to approve the County Manager to sign the letter of the bridge design recognition to the American Association of State Highway Transportation Officials.

Commissioner Ross seconded the motion

**VOTE:** AYES unanimous

Mr. Outten closed his comments by advising the County was still running and providing services. Staff had cut any discretionary spending and hiring to be in good shape for the remainder of the year. Staff meetings were being held remotely. The work on the 2020/21 budget continued with expectations to begin with a no growth or flat budget. He explained conversations continued each day with the Chairman, Dr. Sheila Davies, Dorothy Hester, Drew Pearson, Sheriff and other support staff in each department to discuss any adjustments to be made while the County continued its services to the community.

Dave Clawson announced the results of the debt refinancing were going well and there would be a public hearing on April 20, 2020 to move to approve. The anticipated closing date was May 13, 2020.

At the conclusion of the meeting, Chairman Woodard asked for a motion to adjourn.

**MOTION**

Commissioner House motioned to adjourn the meeting.

Vice Chairman Overman seconded the motion.

**VOTE:** AYES unanimous

At 9:46 a.m., the Board of Commissioners adjourned until 5:00 p.m., April 20, 2020.

Respectfully submitted,

[SEAL]

CONFLICT OF INTEREST POLICY

It is in the interest of the County, individual staff, and Board Members to strengthen trust and confidence in each other, to expedite resolution of problems, to mitigate the effect and to minimize organizational and individual stress that can be caused by a conflict of interest.

The Dare County Board of Commissioners does hereby adopt the following Conflict of Interest Policy:

Employees are to avoid any conflict of interest, even the appearance of a conflict of interest. The County serves the community as a whole rather than only serving a special interest group. The appearance of a conflict of interest can cause embarrassment to the County and jeopardize the credibility of the organization. Any conflict of interest, potential conflict of interest or the appearance of a conflict of interest is to be reported to your supervisor immediately. Employees are to maintain independence and objectivity with clients, the community, and County. Employees are called to maintain a sense of fairness, civility, ethics, ethics and personal integrity even though law, regulation, or custom does not require them.

Employees, members of employee’s immediate family, and members of the Board are prohibited from accepting gifts, money or gratuities from the following:

a. Persons receiving benefits or services from the organization;
b. Any person or organization performing or seeking to perform services under contract with the organization;
c. Persons who are otherwise in a position to benefit from the actions of any employee of the organization.

Employees may, with the prior written approval of their supervisor, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. If the employee is acting in any official capacity, honoraria received by an employee in connection with activities relating to employment with the organization are to be paid to the organization.

Violators of the above standards will be subject to disciplinary action up to and including dismissal and/or prosecution to the extent permitted by state and local regulations.

Adopted the ___ day of April, 2020.
